

License_Sure ENGLISH MAJOR LET REVIEWER
VOLUME 1

1. For which is an Individualized Education Program (IEP)?
 - I. Reinforcement of the foundation of learning
 - II. Helping pupils to overcome their learning difficulties
 - III. Developing learners' potentials
 - a. I only
 - b. II only
 - c. III only
 - d. I, II, III
2. What should be done first before doing remedial instruction?
 - a. Diagnose the difficulty
 - b. Prepare remedial materials
 - c. Plan the remedial instruction
 - d. Group the pupils by gender
3. The following are remedial teaching strategies EXCEPT _____.
 - a. Individualized Educational Program (IEP)
 - b. Peer Support Programmed
 - c. Reward Scheme
 - d. Test and Drill
4. Is remedial instruction the same as special education?
 - a. No, however, remedial instruction may include children with special needs if they are diagnosed with difficulty.
 - b. Yes, both remedial instruction and special education serve learners that need help.
 - c. It depends on the clientele of remedial instruction.
 - d. No, they are far apart and not in any way related.
5. Which statement on remedial teaching is WRONG?
Remedial teaching involves _____.
 - a. Working systematically; observing, diagnosing, remediating, evaluating
 - b. Working purposefully and intensively with a pupil
 - c. Seeing to it that the pupil can remain at his/her school
 - d. Re-teaching, reviewing, assessing
6. What does remedial instruction focus on?
 - a. Content
 - b. Skills
 - c. Grammar
 - d. Test
7. Which practices mean success for learners with reading difficulties?
 - I. Be clear on what students must know, understand, and be able to do in to grow in their grasp of a subject.
 - II. Build scaffolding leading to student success in these goals. Don't dilute goals.
 - III. Make use of several avenues of learning – make students hear it, sing it, read it.
 - a. I, II, and III
 - b. II and III
 - c. I and II
 - d. I, II and III

License_Sure ENGLISH MAJOR LET REVIEWER
VOLUME 1

8. For effective remedial instruction, work for learning-in-content. What does learning-in-content mean?
- Make students see how ideas and skills connect to their families and communities.
 - Make students see how important concepts and skills are.
 - Make use of problem solving.
 - Avoid drills.
9. Which can increase the effectiveness of remedial teaching?
- Let the students know that you believe in him/her.
 - Direct student to work harder whether s/he likes it or not.
 - Do not allow him/her to play until s/he can do the task.
 - Engage him/her in a continuous drill until s/he learns the skills.
10. Because reading remediation requires building skills rather than learning course content, which should reading trainers do?
- Minimize testing and grading
 - Observe the student in the actual act of reading
 - Make reading classes a grammar class.
- I and II
 - II only
 - III only
 - I, II and III
11. Which statement about the use of voice in academic or scientific writing is NOT true?
- Scientific or academic writing uses the passive voice more than the active voice.
 - Scientific writing uses the passive voice more than the active voice is a myth.
 - The choice of active voice or passive is constrained by functional considerations; thus, writers use the we-form active when describing standard procedures.
 - Writers use the we-form active when contrasting their work with previous work in the field, but use the passive when describing previous research.
12. Which of the following statements about hedging is INCORRECT?
- Hedging is a scientific writing strategy where writers use aspects of the verb as devices to express politeness or to distance themselves from a claim.
 - When hedging, academic writers use words that strongly and sharply express commitment to their criticism.
 - ESP learners need to appreciate the role of hedging in academic, professional and business genres and to manipulate its actual linguistic devices.
 - In research or in the professional community, the criticism, *Mr. de la Cruz appears not to have understood my point*, is hedged and is more acceptable than the statement; *Mr. de la Cruz definitely did not understand my point*.
13. Which statement compares/contrast BEST *discourse analysis* from *genre analysis*?
- Discourse analysis is any study of language text at a level above that of the sentence; genre analysis is a text analysis focused on the regularities of structure that distinguish one type of text from another.
 - Discourse analysis is the global/umbrella term for text analysis while genre analysis is a part of discourse analysis.
 - Discourse analysis is valuable in looking at spoken and written business texts while genre analysis is useful in looking at both written and spoken texts in all areas of ESP.

**License_Sure ENGLISH MAJOR LET REVIEWER
VOLUME 1**

d. Discourse analysis includes the study of cohesive links between sentences, of paragraph structure, or the structure of the whole text.

14. Which statement below BEST defines ESP?

- a. ESP is a language teaching approach which is based on learner's need.
- b. ESP is an approach not a product.
- c. ESP is a particular kind of language or methodology.
- d. ESP consists of a particular type of teaching material.

15. Which type of knowledge is NOT required of the ESP teacher?

- a. A positive attitude towards the ESP content
- b. A knowledge of the fundamental principles of the subject area
- c. An awareness of how much they probably know
- d. A specialist subject knowledge

16. One of the consistent problems of ESP teachers is the *lack of an orthodoxy*. This means that:

- I. ESP teachers do not have a ready-made, straightforward answers to problems they meet
- II. ESP teachers need to distil and synthesize from several options those that suit their circumstances
- III. All ESP teachers are pioneers who are helping to shape the world of ESP

- a. I
- b. II
- c. I, II
- d. I, II, III

17. Another problem that constantly faces ESP teachers is the *new realms of knowledge that ESP teachers have to cope with*. This suggests that _____.

- a. ESP teachers have to struggle to master language and subject matter they know very little about
- b. ESP teachers often feel a sense of utter inadequacy at their ability to cope
- c. ESP teachers feel boredom as they teach subject matter that are very simple and familiar
- d. A and B

18. Which type of syllabus would contain the following set of topics: making arrangements, taking part in an interview; buying and selling, etc?

- a. Structural/situational syllabus
- b. Skill syllabus
- c. Functional/notional syllabus
- d. Functional/task-based syllabus

19. Which type of syllabus would contain the following set of topics: writing essays; study techniques and examinations; improving your reading, etc?

- a. Skill syllabus
- b. Discourse/skills syllabus
- c. Functional/task-based syllabus
- d. Skills and strategies

20. Which type of syllabus would contain the following set of topics: properties and shapes; structure; actions in sequence; cause and effect, etc?

**License_Sure ENGLISH MAJOR LET REVIEWER
VOLUME 1**

- a. Structural/situational syllabus
- b. Skill syllabus
- c. Functional/notional syllabus
- d. Functional/task-based syllabus

21. Which type of syllabus would contain the following set of topics: the nature of generalizations; general and specific information; levels of generality, etc?

- a. Skill syllabus
- b. Discourse/skills syllabus
- c. Functional/task-based syllabus
- d. Skills and strategies

22. Which type of syllabus would contain the following set of topics: exercises in personal evaluation; exercises in examining your job needs, exercises in using the ads, etc?

- a. Skill syllabus
- b. Discourse/skills syllabus
- c. Functional/task-based syllabus
- d. Skills and strategies

23. Which program for school staff members and teachers was conducted to better match students with their aptitude and career interests?

- a. Project Effective and Affordable Secondary Education (EASE)
- b. Revitalized Homeroom Guidance Program (RHGP)
- c. School Based Education (SBE)
- d. Thinking Skills Development for Maximized Cognitive Performance (TSD-MCP)

24. Which was the Secondary Education Curriculum that was implemented in 1989 to replace the Revised Secondary Education Program (RSEP)?

- a. Program for Decentralized Education (PRODED)
- b. Secondary Education Development Program
- c. New Secondary Education Curriculum (NSEC)
- d. Revised Secondary Education Curriculum (RSEC)

25. In the K-12 curriculum, to which does the basic education refer?

- a. 6 years of primary school and four years of junior high school
- b. 4 years of junior high school, 7 years of primary school and 2 years of senior high school
- c. 2 years of junior high school, 4 years of senior high school and 2 years of senior high school
- d. 6 years of elementary education, 4 years of junior high school and 3 years of senior high school.

26. Which is the main objective of the K-12 program?

- a. To provide sufficient time for mastery of concepts, skills, develop lifelong learner, and prepare graduates for tertiary education, middle-level skills development, employment and entrepreneurship.
- b. To produce graduates at the age of 18 instead of 16.
- c. To follow the trend of the other countries all over the world.
- d. To cope with other educational systems in the ASEAN.

27. The K to 12 curriculum envisions _____.

- a. Holistically developed learners with 21st century skills
- b. A good competition with other countries in the financial world

**License_Sure ENGLISH MAJOR LET REVIEWER
VOLUME 1**

- c. 12 years of basic education that meets international standard
d. Students equipped with 21st century skill who are able to compete internationally
28. The new curriculum will be focused more on the _____.
a. Teacher
b. Learners
c. Instructional materials
d. Hours spent in teaching
29. Who will be the first beneficiaries of the senior high school of the K to 12 curriculum?
a. Incoming freshmen of SY 2012-2013
b. Incoming sophomore of SY 2012-2013
c. Incoming juniors of SY 2012-2013
d. Incoming seniors of SY 2012-2013
30. According to the Department of Education, which subject will be integrated into the teaching of Language?
a. Reading
b. Physical Education
c. Science
d. Social Studies
31. The transcription /taɪp/ represents the word _____.
a. Tap
b. Tape
c. Tip
d. Type
32. The transcription /rɪʃ/ represents the word _____.
a. Reach
b. Rich
c. Ridge
d. Reich
33. The transcription /ðɪz/ transcription the word _____.
a. Thighs
b. These
c. This
d. Tease
34. Which group has a letter that differs in voicing from other three?
a. /m/, /g/, /j/, /s/
b. /n/, /f/, /θ/, /p/
c. /b/, /p/, /r/, /v/
d. /s/, /ʃ/, /t/, /g/
35. For each group, identify the segment that differs in place in articulation from the other three.
a. /s/, /ʃ/, /t/, /n/
b. /k/, /n/, /g/, /ŋ/
c. /θ/, /p/, /b/, /m/
d. /s/, /ʃ/, /t/, /g/

82. You are the classroom English teacher of Gracia, a new language learner who has no knowledge of English whatsoever. Which of the following contributions of linguistics will be most helpful to you to teach her successful?
- The perfection of your articulation and oral proficiency in the English language
 - Your knowledge and skill in grammatical analysis
 - Your knowledge of linguistically sound language teaching materials
 - The reshaping of your view, attitude and concept of language and language learning
83. Genre analysis, macro analysis, macro-discourse patterns, text analysis, micro-discourse analysis are concept developments in linguistics. Which list of authors would you consult to know more about them?
- Michael Hoey, Winifred Crombie, John Swales, and Trimble
 - Svardik, Geoffrey Leech, Celce-Murcia and Terence Odlin
 - John Austin, John Searle, and Dell Hymes
 - John Austin, Winifred Crombie, John Swales, and Trimble
84. Pedagogical grammar, collocational grammar, ergative verbs, semantic grammar are concept developments in linguistics. Which list of authors would you call to consult to know more about them?
- John Austin, John Searle, and Dell Hymes
 - Michael Hoey, Winifred Crombie, John Swales, and Trimble
 - Svardik, Geoffrey Leech, Celce-Murcia and Terence Odlin
 - John Austin, John Searle, and Dell Hymes, Terence Odlin
85. Conversational analysis, gambit, adjacency pairs, speech act theory are concept developments in linguistics. Which list of authors would you consult to know more about them?
- John Austin, John Searle, and Dell Hymes
 - Michael Hoey, Winifred Crombie, John Swales, and Trimble
 - Svardik, Geoffrey Leech, Celce-Murcia and Terence Odlin
 - John Austin, John Searle, and Dell Hymes, Svardik
86. Language learning refers to how an individual learns a language. Which statement about language learning is correct?
- Language learning occurs in a natural manner.
 - Language learning happens when a person knows how to speak a language after living in the country that has it as its native tongue.
 - Language learning occurs in a formal and non-constructive process.
 - Language learning is a constructive process through which we know and use a language.
87. Which theory of language learning advanced by Stephen Krashen state that a student can learn a second language if the language components are not too complex nor too easy?
- Comprehensible input
 - Critical period analysis
 - Linguistic output
 - Language acquisition
88. Which method emphasizes isolated word lists and a thorough examination of its grammar is used in second language teaching?
- Direct method
 - Total Physical Response
 - Grammar Translation Method

License_Sure ENGLISH MAJOR LET REVIEWER
VOLUME 1

d. Suggestopedia

89. Which of the following is NOT an activity under the total physical response method?

- a. The teacher gives an activity that involves students interviewing people at the market.
- b. The teacher uses body actions such as jumping to teach to teach the meaning of the word 'jump'.
- c. The teacher opens the door as she gives the command 'open the door'.
- d. The students repeat the phrase, 'I can clap' as they clap their hands.

90. Which hypothesis on second language acquisition states that grammatical structure proceeds in a predictable order, that is, some grammatical structures are to be acquired early and the others later?

- a. Monitor hypothesis
- b. Input hypothesis
- c. Affective filter hypothesis
- d. Natural order hypothesis

91. If the input answers the question how a language acquirer develops competency over time, this hypothesis points that motivation, self-confidence, and anxiety affect how an individual acquires the language. Which hypothesis is referred to?

- a. Critical period hypothesis
- b. Monitor hypothesis
- c. Natural order hypothesis
- d. Affective filter hypothesis

92. Schema theory describes the way the mind acquires, categorizes, and organizes knowledge. Which of the following is NOT a component of schema theory?

- a. Schemata are basic units of knowledge stored in the mind
- b. Schema are linked together to form the schemata – our “cognitive” or “thinking” structure.
- c. There can be real learning without meaning.
- d. New information is organized and categorized to be properly integrated into the existing schemata.

93. Metacognition can be defined as 'thinking about thinking.' The essence of metacognition includes reflecting, monitoring, self-questioning, and _____.

- a. self-concept
- b. self-recognition
- c. self-respect
- d. self-regulating

94. What approach involves a lot of repetition of the second language grammatical forms especially those that are different from the learner's first language?

- a. Natural approach
- b. Communicative approach
- c. Linguistic approach
- d. Audio-lingual approach

95. What kind of second language do the learners need to learn in employing the communicative approach?

- a. The kind that they have knowledge of the grammatical rules.
- b. The kind that they will need for a real-world, real-life situations.

**License_Sure ENGLISH MAJOR LET REVIEWER
VOLUME 1**

- c. The kind that they will communicate fluently.
d. The kind that they will know the deep structure of grammar.
96. Which among the classroom principles is NOT part of the communicative language teaching?
a. An emphasis on the use of interaction in the target language.
b. The introduction of authentic texts into a learning situation.
c. An enhancement of the learner's personal experiences on the target language.
d. The distinction between language acquisition and language learning.
97. Which approach is frequently used in task-based language teaching (TBLT) and features small group activities that promote positive interaction?
a. Total physical response
b. Cooperative learning
c. Academic language scaffolding
d. Dialogue journals
98. If the teacher asks the students to prepare a written story/text of the experience, what kind of approach has been used?
a. Language experience approach
b. Culture studies
c. Dialogue journals
d. Total physical response
99. The following are concepts to be considered in employing cultural approach in teaching language EXCEPT one. Which is the exception?
a. Children experiences in learning their own language and culture are a resource for learning a second language.
b. Much of the students' knowledge of their own culture is embedded in their first language
c. The process of learning the second language will also involve learning about the culture embedded in that language.
d. There are superior languages because there are superior cultures.
100. If the academic language scaffolding involves providing students with second language input that is a little bit beyond their current level, dialogue journals create a written conversation between each student and the teacher. Which of the following is TRUE?
a. Both statements are true.
b. The first statement is true while the second statement is false.
c. The first statement is false while the second statement is true.
d. Both statements are false.
101. Dialogue journals: students write a topic in the second language in their journal; _____: the teacher or a more advanced classmate acts as support as the student builds his/her second language vocabulary and fluency.
a. Language experience approach
b. Cooperative learning
c. Academic language scaffolding
d. Culture studies
102. The domain of language that an individual acquires from 1-2 years is _____.
a. Cognitive-academic language proficiency (CALP)

License_Sure ENGLISH MAJOR LET REVIEWER
VOLUME 1

- b. First language
- c. Second language
- d. Basic interpersonal communication skills (BICS)

103. The theoretical framework for communicative language teaching (CLT) includes _____ that views the learner's use of second language as the best source for learning the second language.

- a. Social interaction and socio-cultural theories
- b. Behaviorism theory
- c. Universal grammar
- d. Language acquisition device

104. Which hypothesis suggests that there is an optimal window of time during which anyone can learn a first language or second language in a 'normal' or 'native-like' level?

- a. Monitor hypothesis
- b. Critical period hypothesis
- c. Natural order hypothesis
- d. Affective filter hypothesis

105. Which language teaching approach never uses the first language because it emphasizes the natural dialogue in the second language?

- a. Total physical response
- b. Grammar translation method
- c. Direct approach
- d. Cooperative learning

106. If the prefix "un" is attached to a base word to mean "not", which word is INCORRECT?

- a. Unserious
- b. Uncommon
- c. Unkind
- d. Unsad

107. "Flu", "bra", "fax", and "cab" are words formed through _____.

- a. abbreviation
- b. acronym
- c. clipping
- d. eponym

108. Coinage is the invention of totally new terms. However, there are few coinages because the words themselves give no clue to their meanings. Which of the following is not coined?

- a. Vortal
- b. Kodak
- c. Xerox
- d. Kleenex

109. The word "skitch" which means 'to propel oneself while on a skateboard' came from the words _____.

- a. ski and hitch
- b. skit and itch
- c. skate and itch
- d. skate and hitch

**License_Sure ENGLISH MAJOR LET REVIEWER

We Wear the Mask
Paul Laurence Dunbar

**License_Sure ENGLISH MAJOR LET REVIEWER
VOLUME 1**

*We wear the mask that grins and lies,
It hides our cheeks and shades our eyes, --
This debt we pay to human guile;
With torn and bleeding hearts we smile,
And mouth with myriad subtleties.*

*Why should the world be over-wise,
In counting all out tears and sighs?
Nay, let them only see us, while*

*We wear the mask
We smile, but, O great Christ, our cries
To thee from tortured souls arise.
We sing, but oh the clay is vile
Beneath our feet, and long the mile;
But let the world dream otherwise,
We wear the mask!*

213. In line 1, the mask most probably refers metamorphically to _____.
a. the survival tactic that people employ to hide their true feelings

d. Affective development

282. At what age does a child normally gain level of oral competence in the first language that will enable him/her a fluent reader and writer?

- a. About five years old
- b. About seven years old
- c. About nine years old
- d. About eight years old

283. Since the purpose of language is communication, children need to gain confidence in listening, speaking, reading and writing for _____.

- a. meaning
- b. expression
- c. adaptability
- d. comprehension

284. A good language education program should give equal importance to meaning and to _____ from the beginning.

- a. fluency
- b. speaking
- c. accuracy
- d. expression

285. Which skill involves understanding and responding to what has been heard and the recognition of sounds, syllables, words, and sentences?

- a. Speaking
- b. Writing
- c. Reading
- d. Listening

286. For speaking, emphasis on meaning is on communicating thought and ideas while emphasis on accuracy focuses on _____.

- a. forming letters properly and neatly
- b. using correct vocabulary, pronunciation, and grammar
- c. spelling words correctly
- d. recognizing and distinguishing sounds

287. Which of the following statement is TRUE?

- a. The students write to enjoy, to understand, and to use new ideas and information.
- b. In reading, the students form letters properly and neatly.
- c. The students read when they recognize parts of the words, sentences and paragraph, and can sound them out.
- d. The students listen to communicate their thoughts and ideas.

288. Which of the following activities does NOT focus on meaning of reading?

- a. Break words and sentences into parts and put them back together again.
- b. Watch and listen to good readers.
- c. Participate in group reading experience
- d. Read stories by themselves or with a partner.

289. Which of the following statement is TRUE?

**License_Sure ENGLISH MAJOR LET REVIEWER
VOLUME 1**

- a. You learn to read by writing.
- b. You learn to listen by reading.
- c. The importance of learning to read and write meaning fully in a second language is often a key to continued success in formal education.
- d. The first language literacy is of major importance in the instructional program.

290. Which is at the heart of reading, be it in a first or second language?

- a. Pronunciation
- b. Comprehension
- c. Spelling
- d. Grammar

291. Which of the following does NOT belong to the activities in writing in the second language?

- a. One of the events in the story should be narrated by the teacher.
- b. Utilize oral and written personal narratives.
- c. Utilize dialogues for writing.
- d. Encourage students to write for a variety of different purposes.

292. Which is one of the most important skills in communication because it is a way of portraying information in the database, thus giving more emphasis to the importance of mental faculty that allows a perceiver to delineate or give details about a target that is inaccessible to normal senses due to time, distance, or shielding?

- a. Speaking
- b. Listening
- c. Writing
- d. Viewing

293. Which statement tells the truth about communication?

- a. Communication involves reading and writing ideas properly.
- b. Communication deals with imperfections in the use of skills.
- c. Communication is the key progress and advancement in continuing to learn things more accurately and effectively.
- d. All the communication skills are developing one ability.

294. Which of the following indicative of the TOP-DOWN APPROACH?

- a. Listening activities focus learners on the individual elements and building blocks of the language.
- b. Decoding oral utterances, discriminating minimal contrasts, identifying different stress, rhythm, and intonation patterns feature prominently in the teacher's attempt to develop listening comprehensions
- c. Teaching is based on the assumption that learning is a gradual, linear, and an additive process
- d. Listening activities are based on the view that meaning is in the head of the listener activated only by the orally encoded items entering into his mind

295. What does research say about the nature of listening?

- a. Good listening is strictly a bottom-up process.
- b. Intelligent listening is predominantly top-down.
- c. Successful listening involves a gradual movement from sound to word to sentence to text.
- d. Successful listening involves the integration of information encoded in the message itself with broader knowledge of the world

**License_Sure ENGLISH MAJOR LET REVIEWER

- c. I and III
- d. I, II, and III

302. How do cognitivists such as Chomsky perceived the commission of errors by learners?

- a. Errors are indicators of failure to learn; thus, should be right away eliminated.
- b. Errors foster wrong speech habits and should be stamped out by repeated drills and exercises.
- c. Errors are welcome in that they indicate what has been learned and what needs yet to be learned.
- d. Contrastive analysis before language teaching minimizes error occurrence.

303. If your aim in teaching is to stress grammar, syntax, and mechanics and to reinforce the language forms and vocabulary items you taught earlier, which approach to teaching writing would be useful?

- a. Controlled writing
- b. Guided writing
- c. Freewriting
- d. Communicative writing

304. A language teacher teaches by approximating what writers do in real life, that is writing for a definite purpose and definite audience. Thus, s/he creates the context for writing and provides the target audience for the students to choose what to say, how to say it, and who say it to. What teaching approach is used in this instance?

- a. Controlled writing
- b. Guided writing
- c. Freewriting
- d. Communicative writing

305. What view about writing is exemplified when a teacher makes her students go through several stages in producing a piece of writing such as *prewriting, drafting, revising and proofreading, and publishing and presenting*

- I. Writing as an act of communication
- II. Writing as a process
- III. Writing as product

- a. I only
- b. II only
- c. III only
- d. I, II and III

306. Which statement below does NOT refer to audio-lingualism?

- a. It is a language teaching method that grew out of the behaviorist psychology.
- b. It is most consistently associated with B.F. Skinner, Leonard Bloomfield, and Charles Fries.
- c. It upholds the view that language is primarily speech and is best learned through habit formation.
- d. It believes that language development is characterized by a rule-governed creativity.

307. Which of the following language teaching method does NOT belong to the humanistic approach?

- a. Community Language Learning
- b. Suggestopedia

**License_Sure ENGLISH MAJOR LET REVIEWER
VOLUME 1**

- c. Total Physical Response
- d. Imitation Drill

308. Which of the following language teaching methods is NOT learner-centered in approach?

- a. Content-Based Instruction
- b. Cooperative Learning
- c. Task-Based
- d. Grammar Translation Method

309. What is the grammatical consciousness-raising?

- a. It suggests total avoidance of directly teaching grammar in the classroom.
- b. It is a return to the traditional form-focused approach in language teaching.
- c. It adheres to the view that language teaching should be focused on language notions/functions.
- d. A top-down approach that advocates explicit grammatical instruction in order to contribute to the learner's literacy awareness.

310. What is the relationship between vocabulary and grammar in the curriculum?

- a. Vocabulary is the easiest aspect of a second language to be learned and does not need attention in the classroom.
- b. Vocabulary building could come later if learners were able to internalize basic patterns.
- c. Vocabulary acquisition does not seem to be slowed down by age.
- d. In the early stages of learning, one is better served by vocabulary than by grammar.

311. One of the salient distinguishing features of works of literature is the writers' connotative use of language. This means _____.

- a. there is a one-to-one correspondence between the word and what it refers to because of the writers' aim at exactness
- b. literary language exhibits a richness in meaning which does not only refer to something but also communicates the tone of the writer and tries to affect the reader
- c. explicit referents or precise meanings are expressed
- d. language used is scientific very much like that used in research

312. Readers find pleasure in the form, technique and style of writing – a well-constructed plot, vivid characterization, unusual imagery, expressive language, etc. in other words, all the elements are combined to create an over-all order or coherence. What does this show about literature?

- a. Literature is language.
- b. Literature is expressive.
- c. Literature is aesthetic.
- d. Literature is true.

313. Which function of literature is illustrated when aside from its natural gift of pleasure to the reader, it provides illumination that enables us to see, interpret and transform our world?

- a. Literature as a form of escape
- b. Literature provides aesthetic satisfaction
- c. Literature is a form of pleasure
- d. Literature as a form of engagement

314. Why is literature said to be fictional?

License_Sure ENGLISH MAJOR LET REVIEWER
VOLUME 1

I. Literature can be a re-ordering of the real world in which people and experience, though drawn upon from actual life, are re-shaped, altered, given new psychological insights.

II. The lack of factuality is strengthened by the writer's artistic control in the literary work.

III. The writer's artistic control has the effect of stylizing the materials of the work, setting it apart from the context of the real; nevertheless, making the reader enjoy and contemplate on it, reject it, even show aesthetic distance.

- a. I only
- b. II only
- c. III only
- d. I, II, and III

315. Why is literature said to be expressive?

I. Literature expresses the writer's personality, emotions, and beliefs no matter how writers may try to reduce their presence as much as possible.

320. Construct Procedure is an interesting technique that teachers can use to help students have a graphic overview of an essay. Which of the techniques below is used when the teacher requires the learner to read the selection rapidly by using all available information, such as title, subtitles, introductory paragraphs, first sentence summaries, pictures, maps, and diagrams?

- a. Survey-reading
- b. Study-type reading
- c. Scanning
- d. Skimming

321. According to Aristotle, plays classified as tragedy produce an effect where our baser emotions of lust, hatred, jealousy, fear, self-pity, greed, avarice, sloth, etc. are cleansed or purged because of dread that the tragedy that befall the tragic character would happen to us. In the process, we countercheck ourselves and are ennobled. How is this cleansing process called?

- a. Caveat
- b. Kinesis
- c. Catharsis
- d. Catharses

322. These are true about the reasons for teaching literature to students EXCEPT one. Which is the exception?

- a. It contributes to the holistic development of an individual.
- b. It shows value to language experiences.
- c. It provides an escape from one's reality.
- d. It develops mostly the analytic skills of learners.

323. Teaching literature is seeking the opportunity for students to relate and respond to the themes and issues by making a connection to their personal lives. Which model is described?

- a. Cultural model
- b. Language model
- c. Personal growth model
- d. Philosophical model

324. Which model views literature as a source of facts or information and the teacher is a transmitter of knowledge and information to the students?

- a. Personal growth model
- b. Cultural model
- c. Philosophical model
- d. Language model

325. What is the most innovative way of teaching literature?

- a. Students are asked to read a literary piece at home.
- b. Students memorize the stanzas of a poem.
- c. Students create a collage of their experiences in relation to the story read in class.
- d. Students explain difficult words orally.

326. How do you make the story of *Biag ni Lam-ang* relevant and interesting to the life of learners today?

License_Sure ENGLISH MAJOR LET REVIEWER
VOLUME 1

- a. Let them make a multimedia presentation of the main characteristic of Lam-ang as it is seen today.
- b. Allow the learners to translate key events in their own mother tongue.
- c. Let them discuss the conflicts on the story that they can relate to.
- d. Let them write their own ending to the story.

327. Which is the best way to prepare in teaching of literature?

- a. Enjoy the literature.
- b. Chooses a literary genre that appeal to the nature of your learners.
- c. Memorize the essentials of the piece to be read in class.
- d. Plan for an output that learners can create based on the literary piece.

328. Which can be used to teach learners to organize information on the major and minor characters in a text?

- a. Chunking
- b. Character charts
- c. Storyboarding
- d. Note taking

329. If you want to help students in processing dilemmas experienced by characters in a text, the most appropriate strategy to use is _____.

- a. Readers theater
- b. Chunking
- c. Word tree
- d. Life road maps

330. Which strategy will help students better understand key life events of historical or literary figures?

- a. Chunking
- b. Readers theater
- b. Word tree
- d. Life road maps

331. You want your students to keep track of main ideas and supporting details in a narrative by letting them illustrate important scenes in a story. What is the most appropriate strategy that you will employ?

- a. Chunking
- b. Fishbone diagram
- c. Storyboarding
- d. Note taking

332. These are specific modeling techniques in literatures in literature-based instruction EXCEPT one. Which is the EXCEPTION?

- a. Reading aloud
- b. Shared writing
- c. Cooperative learning
- d. Providing scaffolds

333. Which of the following is NOT suitable in activating prior knowledge of students?

- a. Read and sketch
- b. Reading several selections

**License_Sure ENGLISH MAJOR LET REVIEWER
VOLUME 1**

- c. Thematic organization of related pieces of literature
- d. Self-questioning

334. Which is NOT TRUE about teaching literary appreciation in the classroom?

- a. It develops a sense of self-understanding.
- b. It helps in reflecting on one's sociopolitical issues in one's culture.
- c. It facilitates language proficiency.
- d. It can only be facilitated through classic literature.

335. In selecting instructional materials, the following factors need to be considered EXCEPT one.

- a. Consider the varied interests, abilities, and maturity of the learners.
- b. Stimulate growth in factual knowledge, literary appreciation, and aesthetic values.
- c. Promote faith and confidence in other cultures.
- d. Represent the many religious and cultural groups.

336. Which does NOT belong to the group?

- a. Textbooks
- b. Collaborative activities
- c. Specimens of real objects
- d. Software

337. Which criterion in choosing instructional materials ensures the accuracy and reliability of the content?

- a. Controversial issues represent both sides.
- b. Authors are competent and qualified in the field.
- c. It contributes to the promotion of cultural values.
- d. Topics on human growth and development are presented with dignity and appropriate to the age of the learners.

338. Why do teachers need to use instructional materials in teaching language?

- I. The allow students to interact with words, images, and ideas in ways that develop their literacy skills.
- II. Learning cannot be facilitated without these materials.
- III. All types of students will benefit even from one visual material used by the teacher.

- a. I only
- b. II only
- c. III only
- d. I, II and III

339. You are planning to use a video clip from YouTube to test the active listening skills of your students. What do you need to primarily consider before using it in your class?

- a. It should have a clear connection to your educational objectives.
- b. It should be audible and appealing to the students.
- c. It should be appropriate to the age of the learners.
- d. It should have subtitles for better comprehension.

340. A teacher who utilizes computer-aided instruction is said to be advocate of which philosophy?

- a. Pragmatism
- b. Idealism

License_Sure ENGLISH MAJOR LET REVIEWER
