TABLE OF SPECIFICATIONS for ENGLISH

	PAGE
LITERARY CRITICISM	36
• Demonstrate understanding of the basic approaches to problems in critical theory from the classical to modern times as applied to literary works	36
MYTHOLOGY AND FOLKLORE	41
• Use literary concepts in interpreting and analyzing various literary texts	41
AFRO-ASIAN LITERATURE	45
• Identify characteristics, motifs, archetypes, and symbols of different literary texts	45
ENGLISH AND AMERICAN LITERATURE	53
• Identify characteristics, motifs, archetypes, and symbols of different literary texts	53
THE TEACHING OF SPEAKING, LISTENING AND READING	61
• Demonstrate understanding of the nature of the four language macro-components (listening, speaking, reading, writing, including grammar) and the theoretical bases, principles, methods, and strategies in teaching these components	61
THE TEACHING OF LITERATURE	67
• Apply principles, skills and strategies gained to literature instruction	67
PREPARATION AND EVALUATION OF INSTRUCTIONAL MATERIALS	72
• Apply knowledge of principles and processes involved in developing and evaluating various types of instructional materials for language and literature instruction, including the use of technology for assisting instruction and independent language teaching	72
LANGUAGE AND LITERATURE ASSESSMENT	78
• Use basic concepts in language and literature testing in assessing language proficiency	78

REMEDIAL INSTRUCTION

- Take into consideration student inadequacies in language and literature competencies for remediation purposes

1. Which of the following is NOT considered in organizing a remedial program?
 - A. Assessment
 - B. Behavior
 - C. Curriculum
 - D. Interaction
2. Which of the following is considered in correcting basic sight vocabulary deficit?
 - A. Have the students repeat the word each time it is written.
 - B. Have the students read the words repeatedly without correcting them.
 - C. Have the students receive a big reward for motivation purposes.
 - D. Have the answers of the students on the board and correct in front of other people.
3. Which of the following is taken into when a student is going to take a remedial class?
 - A. If a student is struggling on his/her basic skills
 - B. If a student is referred to special education
 - C. If a student has behavioral problems
 - D. If a student is aiming for mastery of the lessons
4. Which of the following is NOT a characteristic of an effective remedial program?
 - A. It is research-based using supported instructional methods.
 - B. It is facilitated based on the student's pace.
 - C. It uses the same teaching techniques for mastery of the lessons.
 - D. It offers a small group instruction to provide more attention to individuals.
5. Which of the following is NOT recommended in using predictable books?
 - A. Choose a short passage sufficient to be read in one session.
 - B. Deliver the words on the books with excitement.
 - C. Let the students read the title and guess the content of the book.
 - D. Ask the students to do advance reading on the books before discussion.

ENGLISH FOR SPECIFIC PURPOSES

- Apply content-based principles and strategies in developing language proficiency for specific disciplines

6. The boy wanted to buy some food (active voice). Some food were wanted to be bought by the boy (passive voice). Which of the following principles in grammar is applied to the given statements?
- | | |
|-----------------------------|------------------------|
| A. Transformational Grammar | C. Notional Grammar |
| B. Functional Grammar | D. Traditional Grammar |
7. Dr. Buenafe have (*instead of "has" because the subject is singular*) the materials for the painting. Which of the following principles in grammar is applied to the given statement?
- | | |
|-----------------------------|------------------------|
| A. Transformational Grammar | C. Notional Grammar |
| B. Functional Grammar | D. Traditional Grammar |
8. The committee has decided to give considerations to the family.
The committee has decided to give considerations to the family.
Based on the given statements, which of the following principles in grammar is applied?
- | | |
|-----------------------------|------------------------|
| A. Transformational Grammar | C. Notional Grammar |
| B. Functional Grammar | D. Traditional Grammar |
9. Dr. Jadaone / threw the ball.
- | | | |
|---------|-----------|----------------------|
| Subject | Predicate | declarative sentence |
|---------|-----------|----------------------|
- Based on the given statement, the wholeness of the sentence is classified as a declarative sentence instead of the use of each word in the sentence. In this point, which of the following principles in grammar is applied?
- | | |
|-----------------------------|------------------------|
| A. Transformational Grammar | C. Notional Grammar |
| B. Functional Grammar | D. Traditional Grammar |
10. The sentence "She is gorgeous" can be changed to "The woman is amazing." Which of the following principles in grammar is applied?
- | | |
|-----------------------------|------------------------|
| A. Transformational Grammar | C. Notional Grammar |
| B. Functional Grammar | D. Traditional Grammar |

11. Janeth learns to speak in English because of the movies she watches. Which of the following basic principles of language learning can be inferred from the given statement?
- A. Language learning is not systematic.
 - B. Language learning is a specialized skill.
 - C. Language learning is an emotional experience.
 - D. Language learning is a developmental process.
12. Tricia believes that the language ability of her baby can be developed through random acts like watching cartoon-friendly movies and not using baby languages/talks when talking to a baby. Which of the following basic principles of language learning can be inferred from the given statement?
- A. Language learning is not systematic.
 - B. Language learning is a specialized skill.
 - C. Language learning is an emotional experience.
 - D. Language learning is a developmental process.
13. Because of her experiences, Ms. Natividad attaches meanings to the words of said by people to her. Which of the following basic principles of language learning can be inferred from the given statement?
- A. Language learning is not systematic.
 - B. Language learning is a specialized skill.
 - C. Language learning is an emotional experience.
 - D. Language learning is a developmental process.
14. Mrs. Alolor asked her students to memorize the poem "Trees" by Joyce Kilmer and instructed them to recite it in front of the class. Which of the following principles is applied in the given scenario?
- A. Automaticity
 - B. Rote Learning
 - C. Strategic Investment
 - D. Intrinsic Motivation
15. Instead of focusing on her gestures, Mrs. Sacatrapos delivers her speech about communication skills and focuses on her audience. Which of the following principles is present in the given scenario?
- A. Automaticity
 - B. Rote Learning
 - C. Strategic Investment
 - D. Intrinsic Motivation

LANGUAGE CURRICULUM FOR SECONDARY SCHOOL

- Exhibit clear understanding of the design, development, and dissemination of a language curriculum using the secondary BEC of DepEd

16. All of the following are competencies that the Basic Education Curriculum aims to develop EXCEPT _____.
- A. linguistic
B. social awareness
C. sociolinguistic
D. strategic
17. The following domains for Grade 11 and 12 are included in Language Arts curriculum EXCEPT _____.
- A. vocabulary development
B. study strategies
C. reading comprehension
D. writing and composition
18. Which of the following is NOT a component of developing a curriculum?
- A. Behavioristic Orientation
B. Rational- Cognitive Orientation
C. Humanistic Orientation
D. Behavioristic-Rational Orientation
19. Which of the following is NOT a theoretical basis for the English language curriculum?
- A. Theory of Language
B. Language Acquisition
C. Pedagogical Thrusts
D. Structural Notion
20. Which of the following is NOT a characteristic of the framework of the language curriculum?
- A. Contextualized
B. Interactive
C. Integrated
D. Degenerated
21. Which is NOT true about the roles of people involved in curriculum development?
- A. In curriculum planning, need analysts create policy document.
B. In program implementation, material writers create teaching materials.
C. In classroom implementation, teachers implement teaching activities.
D. In the specification stage, need analysts and methodologists create syllabus.

22. Which curriculum perspective considers the practical needs of learners and the society that deals with the functional skills in a foreign and second language?
- A. Academic Rationalism
 - B. Social and Economic Efficiency
 - C. Social Reconstructionism
 - D. Learner-Centeredness
23. Which curriculum perspective considers developing learner's intellect, humanistic values, and rationality?
- A. Academic Rationalism
 - B. Social and Economic Efficiency
 - C. Social Reconstructionism
 - D. Learner-centeredness
24. Which curriculum perspective considers the learner's differences, learner's strategies, learner's self-direction, and autonomy?
- A. Academic Rationalism
 - B. Social and Economic Efficiency
 - C. Social Reconstructionism
 - D. Learner-Centeredness
25. Which ideology of the curriculum believes that learners should appreciate other cultures and religions?
- A. Academic Rationalism
 - B. Social and Economic Efficiency
 - C. Social Reconstructionism
 - D. Cultural Pluralism

INTRODUCTION TO LINGUISTICS

- Demonstrate understanding of the structural aspect of language, i.e., phonology, morphology, syntax, semantics, and pragmatics

26. What is the place of articulation for the first sound of the following words: *team*, *terrible*, and *tantamount*?
- A. Alveolar
B. Bilabial
C. Interdental
D. Labiodental
27. Which set of words is a minimal pair?
- A. Fair – fare
B. Grace – graze
C. Pear – pair
D. Wise – nice
28. Which of the following words has a first sound that is characterized as a voiceless bilabial stop?
- A. Brother
B. Mother
C. Parent
D. Sister
29. All of the following words contain a schwa sound EXCEPT _____.
- A. messenger
B. social
C. text
D. twitter
30. Which of the following sets of words exemplifies diphthongs?
- A. Reduce, reuse, start
B. Breakfast, tea, cheese
C. Teach, speak, listen
D. Cry, break, down
31. All of the following describes the aspects of suprasegmental phonology EXCEPT _____.
- A. it is not limited to single sounds
B. it involves stress-timing and intonation
C. it is otherwise known as the prosodic features of speech
D. it encompasses body movement, hand gestures, and facial expressions

32. Which of the following words does NOT have a bound morpheme?
A. Incorrect
B. Infant
C. Stressful
D. Teacher
33. What kind of morpheme involved in the affixational process is common in the words *posted*, *pictures*, and *fastest*?
A. Derivational morpheme
B. Inflectional morpheme
C. Null morpheme
D. Zero morpheme
34. Which of the following BEST describes the word formation process called conversion?
A. It is the invention of a new word.
B. It is shortening a word to by deleting one or more syllables.
C. It is the process of forming a new word by joining two or more words.
D. It is the process of designating an existing word to a new syntactic category.
35. What is the word formation process that the words *spork*, *Interpol*, and *brunch* underwent?
A. Backformation
B. Blending
C. Clipping
D. Suppletion
36. All of the following sets of words exemplify derivational morphemes EXCEPT _____.
A. boards, larger, scribbled
B. colorful, distraction, conducive
C. godly, powerful, professional
D. talented, glamorous, patiently
37. How many morphemes are in the word *crocodile*?
A. 1
B. 2
C. 3
D. 4
38. What kind of affix is present in the word *misunderstanding*?
A. Infix
B. Circumfix
C. Prefix
D. Suffix

39. A second language learner of English says *estature* for *statue* and *filum* for *film*. What morphophonemic process is involved in the given scenario where a vowel is added at the beginning of the word or between the sounds?
- A. Assimilation
B. Elision
C. Epenthesis
D. Vowel lengthening
40. Which of the following syntactic structures contains equivalent grammatical units which are often joined by a coordinating conjunction such as in *lost and found*?
- A. Structure of Complementation
B. Structure of Coordination
C. Structure of Modification
D. Structure of Predication
41. Which of the following exemplifies the syntactic structure of modification?
- A. Be careful.
B. Money talks.
C. Pins and needles
D. Sympathetic colleague
42. Which of the following BEST describes the structure of a periodic sentence?
- A. It is composed only of phrases and dependent clauses.
B. It has two clauses which are similar in length and word order.
C. It begins with the main independent clause followed by phrases and dependent clauses.
D. It begins with phrases or dependent clauses and ends with the main independent clause.
43. Identify the type of phrase that is enclosed in brackets in the given sentence: *The faculty likes to drop by the small chapel [adjacent to the clinic] before leaving.*
- A. Adjective phrase
B. Adverb phrase
C. Noun phrase
D. Prepositional phrase
44. All of the following sentences exemplify ellipsis in its structure EXCEPT _____.
- A. Should I call you or you me?
B. The student who wanted to become valedictorian did.
C. I will do the dishes today if you will do the dishes tomorrow.
D. Anton teaches all the Research courses while Jay the Math courses.

45. Which of the following BEST describes syntactic ambiguity? It refers to _____.
- A. words having the same meaning
 - B. phrases which have the same meaning
 - C. words which have more than one meaning
 - D. phrases which have more than one meaning
46. Which word pair exemplifies hyponymy?
- A. Pasta – spaghetti
 - B. Beauty – pulchritude
 - C. Fly (insect) – fly (zipper)
 - D. Benevolent – malevolent
47. *Since she wasn't able to get tickets for the first day of the concert, she availed herself of the ones for the second day.* (ones=tickets) What kind of linguistic reference is exemplified in the given sentence?
- A. Anaphora
 - B. Coreference
 - C. Deixis
 - D. Entailment
48. Which of the following pairs of antonyms is a gradable pair?
- A. Dead – alive
 - B. Fast – slow
 - C. Happy – sad
 - D. Hot – cold
49. Some senior high school students almost failed the exam in English. What is the sense property in the given statement?
- A. Analytic
 - B. Contradictory
 - C. Synthetic
 - D. Thematic
50. The phrase Filipino literature instructor could mean “an instructor who teaches Philippine literature” or “a literature instructor who came from the Philippines.” This case is an example of which ambiguity?
- A. Grammatical ambiguity
 - B. Lexical ambiguity
 - C. Structural ambiguity
 - D. Syntactic ambiguity

51. Conversational Maxims are the cornerstone of H.P Grice's account of linguistic pragmatics of communication. Which maxim states that one should not make his/her contribution more informative than is required?
- A. Maxim of Manner
 - B. Maxim of Quality
 - C. Maxim of Quantity
 - D. Maxim of Relevance
52. Which conversational maxim is violated in the given example?
- Speaker A: *How do you do today?*
- Speaker B: *Oh well, you know. Same old me.*
- A. Maxim of Manner
 - B. Maxim of Quality
 - C. Maxim of Quantity
 - D. Maxim of Relevance
53. In a basketball event, only the officiating referee can call out infractions of rules and decide penalties. Anyone else can shout a 'foul' but only the referee has the official word. Which felicity condition is evident in the given speech act?
- A. Essential condition
 - B. Preparatory condition
 - C. Propositional content condition
 - D. Sincerity condition
54. All of the following describe an indirect speech act EXCEPT _____.
- A. it is mainly used by people in connection with maintaining politeness
 - B. it is the evident when the syntactic form of utterance matches the illocutionary force
 - C. it is an utterance in which one speech act is performed indirectly by performing another
 - D. it is the lack of direct connection between the form of utterance and the intended meaning

55. Which of the following describes the appropriate illocutionary force in the given situation?

Librarian: (points to a signage saying 'Observe silence') *Can't you read?*

Students: *Sorry, Ma'am.*

- A. The librarian is telling the students to read the signage.
- B. The librarian is telling the students that they are foolish.
- C. The librarian is telling the students to stop conversing in loud voices.
- D. The librarian is asking whether the students are illiterate or otherwise.

- Apply concepts and principles of language learning (10), teaching (10), and language use (10) in specific contexts for language acquisition and learning; (30 items)

56. After a lesson on writing a problem – solution paragraph, Teacher Anton tells the students to write a paragraph in the problem – solution pattern on water service interruption. Which communicative approach to language teaching is exemplified in the given situation?

- A. Content – based approach
- B. Participatory approach
- C. Task – based approach
- D. Whole language approach

57. Which instruction shows the application of the content – based approach to language teaching?

- A. Teacher April uses mind maps to activate students' background knowledge on communication.
- B. Teacher Jay teaches his students the mnemonic to remember the order in which adjectives should appear.
- C. Teacher Beth dims the lights in the classroom and plays classical music as she reads a poem to her literature students.
- D. Teacher Shiela uses a text on the Presidents of the Philippines through history to teach the past tense form of verbs.

58. All of the following are cognitive strategies in language teaching EXCEPT _____.
- A. context clues
 - B. drills
 - C. visualization techniques
 - D. word association
59. What process in language learning is evident in the statement below?
Archie: I *called* Mom and I *asked* her if she *eated* already.
- A. Habit formation
 - B. Hypothesis testing
 - C. Overgeneralization
 - D. Simplification
60. Who among the following teachers has a teaching practice that is compatible with the humanistic approach?
- A. Teacher Kelly who assesses the language learners' motivations in learning
 - B. Teacher Apple who integrates topics from other subjects in the language course
 - C. Teacher Leslie who emphasizes on good pronunciation and lessened grammatical errors
 - D. Teacher Kharen who assesses the immediate communicative needs of the language learner
61. Which approach in language teaching is also termed mim-mem method for its dependence on mimicry and memorization for language acquisition?
- A. Audiolingual approach
 - B. Direct approach
 - C. Grammar – translation approach
 - D. Structural approach
62. Teacher Abby wants to teach her students the four basic sentence functions through games where they are to move and do challenges. Which approach in language teaching will Teacher Abby most likely apply?
- A. Community Language Learning
 - B. Silent Way
 - C. Suggestopedia
 - D. Total Physical Response

63. According to Stephen Krashen's Natural Order Hypothesis, which are the first grammatical morphemes that are acquired by an average second language learner of English?
- A. Irregular past tense form of verb
 - B. Auxiliary form of verb and articles (*a* and *the*)
 - C. Regular past tense, possessives, and singular form of verb
 - D. Progressive form of verb, plural form of noun, and copula ("*to be*")
64. Which hypothesis deals with the consideration of the language learners' motivation, self-confidence, and anxiety in second language learning?
- A. Acquisition – Learning Hypothesis
 - B. Affective Filter Hypothesis
 - C. Input Hypothesis
 - D. Monitor Hypothesis
65. Given below are metacognitive strategies that a language learner may use when he/she is beginning to learn a new language. Which is the EXCEPTION?
- A. A learner engages in fewer conversations with speakers of his or her mother tongue.
 - B. A learner monitors and assesses his/her own progress in learning the target language.
 - C. A learner reflects on which approaches to working out grammatical rules are more effective.
 - D. A learner plans how to remember new words encountered in conversations with native speakers of the target language.
66. In accordance with the schema theory, which of the following is a purpose of schema in reading? Schema is used to _____.
- A. make a distinction between facts and opinions in a text
 - B. make corrections about the morphological errors in a text
 - C. anticipate, infer, and create judgments and decisions about the text
 - D. enhance the learner's knowledge about the deep structure of grammar in the text

67. Which of the following is an objective of the Grammar – Translation Method in language teaching? It is to learn the target language _____.
A. through drills and repetition
B. in order to read its literature
C. by engaging in authentic language use
D. through natural communication rather than formal grammar study
68. All of the following are summaries of the second language acquisition theory formulated by Stephen Krashen EXCEPT _____.
A. acquisition is more important in learning
B. low or weak affective filter is required to allow language input
C. age is a definite predictor of second language rate or attainment
D. language acquisition requires comprehensible input containing $i+1$ structures
69. Audiolingual method: tape recorder and audiovisual equipment: _____: gesture, mime, visual aids, wall charts, and Cuisinière rods
A. community language learning
B. silent way
C. task – based approach
D. total physical response
70. Which of the following is an example of a well-written behavioral objective in language teaching?
A. The learner demonstrates respect for cultural diversity.
B. The learner identifies the different communicative strategies.
C. The learner makes a distinction among the different communication models.
D. The learner makes use of the comparison – contrast pattern by writing a paragraph on the similarities and differences among the features of several social media platforms.
71. Given below are purposes of a Dialogue journal. Which is the EXCEPTION?
A. It develops language learners' theoretical thinking.
B. It may enhance writing skills in the target language.
C. It enables teachers to gain information about the value of a language course.
D. It enables language learners to build relationships with native speakers of the target language.

72. Beth is conversing with April who has difficulty in understanding English. Beth makes sure that April understands what she is saying and makes up for communication breakdowns by accompanying her speech with appropriate gestures and body movement. Which aspect of communicative competence is evident in the given scenario?
- A. Discourse competence
 - B. Grammatical competence
 - C. Sociolinguistic competence
 - D. Strategic competence
73. Who among the following language learners exemplifies sociolinguistic competence?
- A. Edward who knows how to respond to different people depending on the communicative situation
 - B. Ynah who knows how to nominate as well as terminate a conversation done in her second language
 - C. Adolfo who is able to pronounce words in the second language with near native like competence
 - D. Leah who makes sure that the words she is using are comprehensible to the language learner she is talking to
74. BICS: skills needed in everyday, social face-to-face interactions; CALP:
- A. skills needed in interpersonal communication
 - B. skills used in informal settings to build relationships
 - C. skills used in the classroom in various content areas
 - D. skills needed to perform tasks beyond the school setting
75. All of the following teachers incorporated language activities that promote CALP and BICS EXCEPT _____.
- A. Teacher John who held book reviews in her class
 - B. Teacher Marie who conducted classroom debates
 - C. Teacher Tristan who conducted error analysis on learners' outputs
 - D. Teacher Maridel who gave her students the chance to become "teacher of the day"

76. Teacher Eddie is planning to incorporate minimal pair drills in his language class. All of the following could be Teacher Eddie's learning objective EXCEPT _____.
- A. to explain how sounds differ
 - B. to communicate sounds in each pair
 - C. to identify which pairs are homophones
 - D. to distinguish between sounds in each pair
77. Teacher Aljon adheres to a teaching methodology where the language learners are not allowed to use their mother tongue. Given below are possible teaching methodologies that Teacher Aljon uses. Which is the EXCEPTION?
- A. Audiolingual Method
 - B. Community Language Learning
 - C. Direct Method
 - D. Silent Way
78. According to Stephen Krashen's Affective Filter Hypothesis, second language learners with increased _____ have low levels of _____ and experience high levels of _____.
- A. affective filters, anxiety, self – confidence
 - B. affective filters, self – confidence, anxiety
 - C. anxiety, affective filters, self – confidence
 - D. self confidence, anxiety, affective filters
79. Which among the four general orientations of modern second language approaches emphasizes on teaching grammatical and syntactic elements of the second language in isolation?
- A. Affective
 - B. Cognitive
 - C. Functional
 - D. Structural
80. The reading approach is primarily executed for the fulfillment of practical and academic objectives. Which among the following does NOT adhere to this approach?
- A. Development of reading skills is of prime importance.
 - B. Pronunciation and conversational skills are not emphasized.
 - C. Widening the vocabulary in the target language is imperative.
 - D. Culture is considered the most important aspect in language learning.

81. In the past, grammar was considered solely as _____. This means that it is set to maintain linguistic excellence; as such, it relies on what grammarians believe to be best.
- A. Descriptive
 - B. Pedagogical
 - C. Prescriptive
 - D. Transformational
82. Given below are several language teaching principles. Which one does NOT view the language teacher as facilitator of learning?
- A. Communicative Language Teaching
 - B. Grammar – translation method
 - C. Natural Approach
 - D. Silent Way
83. Which of the following language teaching principles also entails how students' feelings should be dealt with?
- A. Audiolingual method
 - B. Direct method
 - C. Grammar – translation method
 - D. Suggestopedia
84. Total Physical Response: Comprehension precedes production; Communicative Language Teaching: _____
- A. Oral before written
 - B. Function over form
 - C. Vocabulary over grammar
 - D. Explicit but minimal grammar
85. Teacher Val rarely corrects errors and when she does so, she maintains that it should be unobtrusive. All of the following teaching principles entail doing the same to treat learners' errors EXCEPT _____.
- A. Communicative Language Teaching
 - B. Grammar – translation method
 - C. Suggestopedia
 - D. Total Physical Response

- Draw implications of the theories of linguistics (5), psycholinguistics (5), and sociolinguistics (5) to language teaching and learning (15 items)

86. All of the following are language views accepted by Structuralists. Which is the EXCEPTION?
- A. Language is arbitrary.
 - B. Language is universal.
 - C. Language is primarily vocal.
 - D. Language is a system of systems.
87. Behaviorist learning theory: language behavior is conditioned by rewards; _____: all normal human beings have an inborn biological internal mechanism that makes language learning possible.
- A. Cognitive Learning Theory
 - B. Functionalists Theory
 - C. Interactionists Theory
 - D. Transformationalists Theory
88. Which of the following teaching methods is a direct implication of the behaviorist learning theory?
- A. Audiolingual Method
 - B. Communicative Language Teaching
 - C. Story Grammar
 - D. Think – Aloud
89. Cognitive – based: Directed Reading Thinking Activity; Humanistic Technique: _____.
- A. Bottom – up Text Processing
 - B. Community Language Learning
 - C. Information Gap Tasks
 - D. Natural Approach

90. Constructivism states that learning is an active, contextualized process of constructing knowledge rather than acquiring it. Which of the following is one of the foundations for constructivism?
- A. Classical Conditioning
 - B. Experiential Learning
 - C. Pareto Principle
 - D. Social Development Theory
91. Which of the following is the learning goal of humanism?
- A. To develop learners who have innovative and adaptive thinking skills
 - B. To develop self – actualized individuals in a cooperative and supportive environment
 - C. To develop learners' mental ability to use concepts dealing with number, classification, order, and time but use them in a simple way
 - D. To create individuals who learn through mental mechanisms which enable them to recreate and adapt their behavior in different situations
92. Saussure's distinction between langue and parole is basically _____ while Chomsky's is basically psycholinguistic.
- A. Applied linguistic
 - B. Computational linguistics
 - C. Neurolinguistic
 - D. Sociolinguistic
93. Which language theory holds that human knowledge develops from structures and processes which are in the mind at birth and are also responsible for how language is learned rather than from the environment?
- A. Behaviorism
 - B. Empiricist theory
 - C. Innatist hypothesis
 - D. Mentalism

94. Given below are teaching implications of Piaget's theory on cognitive development. Which is the EXCEPTION?
- A. Teachers should focus on the process by which learners derive their answers.
 - B. Teachers should focus on accelerating or speeding up children's progress through the stages.
 - C. Teachers should encourage learners to interact with their environment as a way to discover themselves.
 - D. Teachers approach to executing class activities should be individualized or in small groups rather than whole group.
95. Sensorimotor Period: peek-a-boo; Concrete Operational Period:
- A. Charts and illustrations
 - B. Letter cut-outs
 - C. Playdoh
 - D. Simple experiments
96. The theories of Piaget and Vygotsky agree on which of the following ideas?
- I. Learners are primarily blank slates.
 - II. Learners actively construct their own knowledge.
 - III. Social interactions play a key role in knowledge construction.
- A. I only

- D. Everyone is the same and can be special in their own way.

321. Which of the following words BEST describes "House" in the passage from *"The Merchant of Venice"* by William Shakespeare?

*"You take my house when you do take the prop
That doth sustain my house; you take my life
When you do take the means where I live."*

- A. Shelter
- B. Structure
- C. Life
- D. Foundation

322. Which of the following BEST describes the lines from the poem, *"Annabel Lee"* by Edgar Allan Poe?

*"But our love it was stronger by far than the love
Nor the demons down under the sea*

*Of those who were older than we- Can ever dissever my soul from the soul
Of many far wiser than we- Of the beautiful Annabel Lee..."*
And neither the angels in Heaven above

- A. Unrequited love
- B. Forbidden relationship
- C. Immense love
- D. Consummate Love

323. What is the recurring motif of Edgar Allan Poe's poems based on *"Annabel Lee"*?

- A. Gothic
- B. Rural/ pastoral Life
- C. Superstitions
- D. Industrial progression

324. Which of the following does NOT describe William Faulkner's literary texts?

- A. Uses rich Baroque style
- B. Utilizes different POVs
- C. Makes use of Harlem Renaissance motif
- D. Uses Yoknapatawpha County as an imagined landscape in most novels

325. Maggie, a young girl with alcoholic parents, left home with a young man who left her at the end. Her mom rejected her and she became a prostitute. With despair, she ended her life by committing suicide. Which of the following BEST describes Maggie from *Maggie: A Girl of the Streets* by Stephen Crane?

- A. Situational archetype of damned parentage
- B. Character archetype of prostitution
- C. Archetype of welcoming parentage
- D. Character archetype of family's heiress

THE TEACHING OF SPEAKING, LISTENING AND READING

- Demonstrate understanding of the nature of the four language macro-components (listening, speaking, reading, writing, including grammar) and the theoretical bases, principles, methods, and strategies in teaching these components

326. Which of the following is **NOT** a strategy designed to enable ESL learners to develop their English language skills in both social and academic contexts?
- A. Implicitly teach new language in the context of a theme or topic.
 - B. Build on the linguistic understandings students have of their own language.
 - C. Create an environment where learners feel secure and are prepared to take risks.
 - D. Encourage the use of the learner's first language if the learner is literate in that language.
327. To develop oral communication skills, one must focus on activities that encourage learners to talk in a supportive environment such as in pairs or groups. Which of the following **BEST** represents this objective in teaching oral language?
- A. Debates
 - B. Formal talks, including the oral genres
 - C. Mime and Role Play
 - D. News Reporting
328. As an aspiring English subject teacher, what should you consider in choosing reading materials for your students?
- A. Books, magazines, newspaper, etc. that are unfamiliar to students
 - B. Materials that suit your own experiences, knowledge and interests
 - C. Reading materials found on the internet that are relatable and can be reproduced
 - D. Reading materials that have good visual cues to enable the student to access the story easily
329. Which type of reading activities develop a shared overall knowledge of what the text might be about and teaching strategies for predicting the text content?
- A. After reading activities
 - B. During reading activities
 - C. Pre-reading activities
 - D. Post reading activities

330. Which of the following teachers' roles will help the ESL learners develop their English language skills?
- I. Keep talk to a minimum.
 - II. Support instructions with as much visual cues as possible.
 - III. Use clear, common and consistent instructions and repeat or rephrase if necessary.
- A. I only
 - B. II only
 - C. III only
 - D. I, II, and III
331. Some ESL learners may experience difficulty in hearing and producing some English sounds because they do not appear in the learners' language. Which is the **MOST** effective way to help the learners improve their skills?
- A. Provide the students take home listening activities.
 - B. Expose the learners to native speakers of English and let them converse.
 - C. Provide many opportunities to hear and practice language through rhymes, songs, chants, games, drama, etc.
 - D. Oblige the students to attend different talks and workshops to enhance their listening and oral communication skills.
332. Reading for the second language learner involves transferring of skills from the first language to the second. Which of the following is **INCORRECT** in teaching reading to second language learners?
- A. Introduce new patterns of stress and pause.
 - B. Present new intonation patterns and their meanings.
 - C. Come out with new sets of culturally-specific knowledge, values and behaviors.
 - D. Give sets of sounds and sound groupings that are the same with the learners' first language.
333. In informational listening, your goal is to ensure that you are receiving the same thoughts the other person is trying to convey. Which among the following will help you achieve this kind of listening?
- A. Ask questions.
 - B. Argue or judge prematurely.
 - C. Evaluate the speaker's credibility.
 - D. Focus on the speaker than the message.

334. Which of the following is **NOT** an example of talk as interaction?
- A. Chatting to a school friend over coffee
 - B. Ordering food in your favorite restaurant
 - C. Chatting to a passenger during a plane flight
 - D. Telling a friend about an amusing experience, and hearing him/her recount a similar experience
335. Bottom-up processing refers to using the incoming input as the basis for comprehension. Which among the following skills develops bottom-up processing?
- A. Infer cause and effect.
 - B. Anticipate questions related to the topic or situation.
 - C. Use key words to construct the schema of a discourse.
 - D. Recognize the order in which words occurred in an utterance.
336. A marked feature of spoken discourse is the use of fixed expressions or routines. Which of the following is/are example of fixed routines?
- I. This one's on me.
 - II. Let me think about it.
 - III. I'll be with you in a minute.
- A. I only
 - B. II only
 - C. III only
 - D. I, II and III
337. Which function of speaking refers to public talk or talk that transmits information before an audience, such as classroom presentations and speeches?
- A. Talk as interaction
 - B. Talk as transactions
 - C. Talk as performance
 - D. Talk as performative
338. Which type of listening strategy talks about mental activities related to comprehending and storing input in working memory or long term memory for later retrieval?
- A. Cognitive strategies
 - B. Meta-cognitive strategies
 - C. Top-down strategy
 - D. Bottom-up strategy

339. The goal of critical listening is to judge the quality of a message in order to decide whether to accept or reject it. Which of the following should **NOT** be done in critical listening?
- A. Be opportunistic.
 - B. Evaluate the speaker's credibility.
 - C. Listen for information before evaluating.
 - D. Examine the speaker's evidence and examine emotional appeals.
340. Listening requires comprehension of the speaker's intended message. What else is the requirement for listening process?
- A. Social competence
 - B. Discourse competence
 - C. Emotional competence
 - D. Command over minor components of the language.
341. Which principle of teaching speaking suits beginner learners?
- A. Provide something for the learners to talk about.
 - B. Personalize the speaking activities whenever possible.
 - C. Plan speaking tasks that involve negotiation for meaning.
 - D. Design both transactional and interpersonal speaking activities.
342. What is the purpose of teaching reading if the teacher is giving students a variety of materials to read to help them absorb vocabulary, grammar, sentence structure and discourse structure?
- A. Reading for awareness
 - B. Reading to learn the language
 - C. Reading for cultural knowledge
 - D. Reading for content information
343. There are principles to follow for designing interactive reading techniques. Which is **NOT** true in the given principles?
- A. Use techniques that are extrinsically motivating.
 - B. Include both bottom-up and top-down technique.
 - C. Balance authenticity and readability in choosing texts.
 - D. Subdivide the techniques into pre-reading, during reading and post reading.

344. Which is **TRUE** about Whole Language Approach?
- A. It is commonly used as a core for teachers.
 - B. Students are taught to read for meaning, not to break the code in reading.
 - C. It integrates development of reading skills with listening, speaking and writing skills.
 - D. It teaches word recognition through learning the relation of the letters to the sounds they represent.
345. Which **BEST** describes the Peer-Assisted Reading Method?
- A. It is an interactive teaching strategy that promotes text comprehension.
 - B. Peer-Assisted Reading Method is a schema-building technique that uses a pictorial storyboard map for a graphic organizer.
 - C. It focuses on words and phrases that students must know to function while shopping, employed, enjoying recreation and at home.
 - D. Students are paired with one low achieving reader and one high achieving reader and the reading material should be at the lower level.
346. Which of the following refers to the scaffolding of a teacher in writing if a student has limited oracy skills in English?
- I. By using shared experiences to write class or individual texts
 - II. Via teaching the text organization and language features of different genres through a range of different activities
 - III. By means of photos and other visual stimuli such as sequenced pictures in the early stages of writing development
- A. I only
 - B. II only
 - C. III only
 - D. I, II and III
347. Which of the following is **NOT** a good strategy for teachers to follow when teaching writing?
- A. Encourage writing for real purposes by publishing in innovative ways.
 - B. Encourage students to focus on their mistakes before proceeding to the next.
 - C. Teach all aspects of word knowledge and spelling through specific activities including games, quizzes, etc.
 - D. Encourage the use of different strategies for accessing vocabulary needed and for recording new vocabulary to be used in future writing.

348. Which writing approach encourages student writers to behave like writers in real life and ask themselves the crucial questions about purpose and audience?
- A. The Communicative Approach
 - B. The Controlled - to - Free Approach
 - C. The Free - Writing Approach
 - D. The Paragraph Pattern Approach
349. Top-down processing refers to the use of background knowledge in understanding the meaning. Which does **NOT** belong top-down skills?
- A. Getting the gist
 - B. Recognizing key words
 - C. Finding supporting details
 - D. Using discourse structure to enhance listening strategies
350. Grammar can be taught in two different ways. Which approach must be used if one wishes to start with an example then the rules?
- A. Constructivist Learning Approach
 - B. Deductive Approach
 - C. Inductive Approach
 - D. Inquiry Based Learning Approach

THE TEACHING OF LITERATURE

• Apply principles, skills and strategies gained to literature instruction

351. There have been different models suggested on the teaching of literature. Which model encourages learners to draw on their opinions, feelings and experiences?
- A. Cultural model
 - B. Language model
 - C. Personal growth model
 - D. Stylistic model
352. What follow up activity could be given to beginner learners once they have read a poem?
- A. Ask students to discuss the possible story behind a poem.
 - B. Ask the students to rewrite the poem, changing the meaning but not the structure.
 - C. Have a discussion on issues the poem raised and how they relate to the students' lives.
 - D. Have students read to each other the poem aloud at the same time, checking for each other's pronunciation and rhythm.
353. What would be an effective way for a teacher to introduce a new literary piece?
- A. Ask the students what genre they prefer to read.
 - B. Give the students the full background information of the writer.
 - C. Present some unfamiliar words which could be found in the text.
 - D. Give students some words from the excerpt and ask them to predict what happens next.
354. Mr. Reyes is an English subject teacher in search for a literary piece. What questions should he consider when choosing a piece to present in class?
- I. Will it be motivating for me?
 - II. Is there enough time to work on the text in class?
 - III. Is it something that is relevant to the learners?
 - IV. Do I understand enough about the text to feel comfortable using it?
- A. I, II, III
 - B. I and II
 - C. II, III, IV
 - D. I and IV

355. Which classroom activity below supports the cultural model?
- A. Ask students to improvise a role play between two characters in the book.
 - B. Ask groups of students to discuss the historical background of the text in class.
 - C. Ask students to personalize the text by talking about similar experiences.
 - D. Ask students to write what they think will happen next, or what they think happened just before.
356. Which of the following is **NOT TRUE** about literature?
- A. Literature encourages interaction.
 - B. Literature is an inauthentic material.
 - C. Literature educates the whole person.
 - D. Literature expands language awareness.
357. Which approach is applicable if the teacher likes to focus on the reason behind the character's behavior, conflicts and actions in a particular short story?
- A. The Biographical Approach
 - B. The Historical Approach
 - C. The Psychological Approach
 - D. The Societal Approach
358. Aside from reading aloud and story telling what else is the suggested activity for the reader-centred approach to literature?
- A. Book discussions
 - B. Oral interpretation
 - C. Role playing
 - D. Webbing
359. Which is **NOT** part of the teacher's responsibilities in carrying out a successful reading experience for young learners?
- A. Encourage toleration.
 - B. Encourage honest and open responses.
 - C. Force them to read whatever literary piece you give them.
 - D. Challenge them to explore those responses and learn something about themselves.

360. Dramatic responses to literature offer opportunities for individual activity and cooperative achievement. Which type of dramatic response involves the reading of a script as opposed to acting it out, similar to a radio drama that conveys meaning only through voices?
- A. Creative Dramatics
 - B. Reader's Theater
 - C. Role Playing
 - D. Story Theater
361. Which concept in the teaching of literature is based on the idea that at the beginning of learning, students need a great deal of support and gradually this support is taken away to allow students to try their independence?
- A. Cooperative Learning
 - B. Independent Reading and Writing
 - C. Modeling
 - D. Scaffolded Instruction
362. Literary response is a common strategy used by teachers to assess students' understanding of the literary piece. In which form can the students creatively comply with it?
- A. Through movie posters
 - B. Through Facebook profile
 - C. Through poems
 - D. All of the above
363. Which among the following is **NOT** considered to be a strategy in teaching literature to the 21st century learners?
- A. Use combinations of media-classic and modern together, leveraging one against the other.
 - B. Create social media-based reading clubs where you can also ask them personal questions.
 - C. Allow students to choose media while you choose themes and/or academic and/or quality standards.
 - D. Have students analyze diverse media forms for their strengths and weaknesses and involve both classic and digital forms.

364. What kind of reading materials should be given first to students to encourage them to read and appreciate literature?
- A. Novels
 - B. Short stories
 - C. Fables, Comic Books, or Songs to read
 - D. Magazines, Letters, Diaries or Journals
365. What action must be done by a literature teacher if someone seems unwilling to participate?
- A. Give the student a warning.
 - B. Ask the student to leave the classroom.
 - C. Provide a special task for the student to accomplish during the day.
 - D. Break the class into smaller groups where the student needs to contribute.
366. Which approach must be used if the teacher's goal is to let the students focus on the author's view of the world and personal moral principles?
- A. The Archetypal Approach
 - B. The Philosophical Approach
 - C. The Psychological Approach
 - D. The Societal Approach
367. Which kind of dramatic response will help teacher Marie if she would like to give her students spoken word poetry as their performance task?
- A. Oral interpretation
 - B. Puppet Theater
 - C. Reader's Theater
 - D. Role Playing
368. Which instructional strategy allows students to have meaningful engagements with more experienced individuals while learning to read, write, and think?
- A. Cooperative Learning
 - B. Independent Reading and Writing
 - C. Modeling
 - D. Scaffolded Instruction
369. Reading strategies enhance involvement and intermittent reflection on the text. Which is **NOT** part of this reading phase?
- A. Inferring word meanings and textual meanings
 - B. Filling the gaps and predicting conflicts and solutions
 - C. Skimming for global and scanning for detailed understanding
 - D. Activating knowledge about genre, structure and cultural schemata

370. Advanced learners should be able to cope with and enjoy literature from young adult fiction to selected classics. Which of the following is a good example of a reading material for advanced learners?
- A. A Christmas Carol
 - B. The Monkey's Paw
 - C. The Tell-tale Heart
 - D. The Emperor's New Clothes
371. Which among the following activities does **NOT** support the language-based approach of Carter and Long?
- A. Cloze Procedure
 - B. Creative Writing
 - C. Interpreting text based from personal experience
 - D. Prediction Exercises
372. What is the purpose of Stylistic Approach in teaching literature?
- A. It translates text using L1.
 - B. It incorporates moral values in lessons.
 - C. It raises students' awareness of values derived from the text.
 - D. It encourages students to discuss beyond the surface meaning of the text.
373. Literary texts can present teachers and learners with a number of difficulties. Which challenges is/are faced when using literature in the classroom?
- I. Cultural appropriacy
 - II. Cultural difficulty
 - III. Text selection
- A. I only
 - B. II only
 - C. III only
 - D. I, II and III
374. Which is true among the following combinations of literary text and task?
- A. Level 1 Simple text + more demanding task
 - B. Level 2 Simple text + low level task
 - C. Level 3 Difficult text + more demanding task
 - D. Level 4 Difficult text + more demanding task

375. Which pedagogical approach in teaching literature emphasizes nurturing children's original thinking, connecting the learning to children's individual needs, and giving children diverse experiences?
- A. Child-Centered Approach
 - B. Language-based Approach
 - C. Personal Growth Approach
 - D. Teacher-Centered Approach

PREPARATION AND EVALUATION OF INSTRUCTIONAL MATERIALS

- Apply knowledge of principles and processes involved in developing and evaluating various types of instructional materials for language and literature instruction, including the use of technology for assisting instruction and independent language teaching

376. Blogs are online journals that are regularly updated by an author posting information that allows other bloggers to interact. Jago wants to integrate blogs as a tool in his literature class. How will he ensure the maximum participation of learners?
- A. Let them submit weekly reports.
 - B. Check their attendance through their blogs.
 - C. Assign a buddy to help motivate students to participate.
 - D. Assess first the technology literacy level of students.
377. Which is FALSE about the application of Dale's Cone of Experience?
- A. Contrived experiences are those that make the learners act out a role.
 - B. Motion pictures limit the participation of students since it only involves seeing and hearing.
 - C. The more senses used in interaction with a source, the better chances for students to learn.
 - D. It encourages educators to plan experiences that will help students apply their learning to real-life situations.

378. Teacher Leah found information on a website and she wanted to incorporate it in her multimedia presentation. What is an ethical thing Teacher Leah should do?
- A. Download the whole article and attach it to your presentation.
 - B. Use a portion only so you don't have to cite it in your references.
 - C. Get only the portion you need and cite completely in your references.
 - D. Cite completely in your references regardless of the amount of information you used.
379. Who is the proponent of the Three-Tiered Model of Learning?
- A. Edgar Dale
 - B. Jerome Bruner
 - C. Eliot W. Eisner
 - D. Noam Chomsky
380. Which is/are TRUE about CAI?
- I. Teachers have nothing to do since this is for independent learning.
 - II. Students work at their own pace.
 - III. Students become more confident and motivated to learn.
 - IV. Teachers cover more content in a shorter span of time.
- A. I and IV
 - B. II and III
 - C. I, II, and III
 - D. II, III and IV
381. Which among the following factors is NOT considered in selecting instructional materials?
- A. Representation of religious and cultural groups
 - B. Varied interests, abilities, and maturity of the learners
 - C. Promotion of faith and confidence in other cultures
 - D. Growth in factual knowledge, literary appreciation, and stimulation of aesthetic values

382. Ma'am Valerie is selecting textbooks to be used in teaching language in a multicultural setting. Which should be given particular attention besides the other important elements?
- A. Physical disability
 - B. Sexual orientation and gender
 - C. Gender expression and identity
 - D. Culture, native language, and ethnicity portrayed in the textbook
383. Ma'am Abigail wanted to ensure the accuracy and reliability of the content of the instructional materials. Which criterion should she consider?
- A. Controversial issues represent both sides.
 - B. It contributes to the promotion of cultural values.
 - C. Authors are competent and qualified in the field.
 - D. Topics in human growth and development are presented with dignity and appropriate to the age of the learners.
384. Ma'am Lorena uses a variety of instructional materials in teaching. Why is this so?
- A. There are lots of materials available.
 - B. Teachers need to showcase their versatility.
 - C. Students have diverse needs and interests.
 - D. It continually challenges the innovation of teachers.
385. Why do teachers need to use instructional materials in teaching language?
- I. They allow students to interact with words, images, and ideas in ways that develop their literacy skills.
 - II. Learning cannot be facilitated without these materials.
 - III. All types of students will benefit even from one visual material used by the teacher.
- A. I only
 - B. II only
 - C. III only
 - D. I, II and III

386. Which is the most compelling reason for utilizing CAI when teaching about the history of children's literature?
- A. Privacy helps the shy and slow learner.
 - B. There is immediate response to the answers elicited.
 - C. The teacher can devote more time to individual students.
 - D. Large amounts of information can be learned in a shorter time and through a multisensory approach.
387. Which does NOT belong to the group?
- A. Textbooks
 - B. Software
 - C. Collaborative activities
 - D. Specimens of real objects
388. These are first hand experiences through seeing, touching, tasting and smelling which serve as the foundation of learning.
- A. Demonstrations
 - B. Contrived Experiences
 - C. Dramatic Experiences
 - D. Direct Purposeful Experience
389. What does Mr. Amado need to consider in preparing each slide in his multimedia presentation on the different forms of poetry?
- A. Maximize the space to cover more content.
 - B. Complete sentences are better for information listed in numbers.
 - C. Use tables for information instead of diagrams to show the different forms.
 - D. Observe consistency in backgrounds, colors, and formats for a more focused learners' attention.
390. Who among the following said that the role of the teacher is to guide and facilitate rather than to direct?
- A. Howes
 - B. Jacetot
 - C. Silberman
 - D. Patterson

391. A video is the most useful technique when teaching foreign language to students because it helps them engage in communicative exercises on some difficult language points. Which technique is being referred to?
- A. Active viewing
 - B. Silent viewing
 - C. Repetition and role-play
 - D. Freeze framing and prediction
392. How would the use of blogs be made relevant in your literature classes?
- A. Students judge the opinions of others about the issue.
 - B. Students acquaint themselves with the use of online tools.
 - C. Students post their opinions about an issue raised in the literary piece.
 - D. Students link as much resources related to the literary piece for further reading.
393. According to the fair use guidelines in using educational multimedia, teachers may be exempted in copyright use. In which situations can teachers incorporate lawfully acquired copyrighted works without asking for a copyright permission?
- I. Students produce their own multimedia projects.
 - II. Teachers use the copyrighted work for face-to-face instruction.
 - III. Teachers show a film to their class with a minimum entrance fee collected.
 - IV. Teachers use the presentations to their peers during workshops and conferences.
 - V. Teachers use their educational multimedia project for up to three years.
- A. I, II, and IV
 - B. I, II, and III
 - C. I, III, IV, and V
 - D. III and V
394. Tristan is planning to use a videoclip from Facebook to test the active listening skills of his students. What should he primarily consider before using it in his class?
- A. It should be audible and appealing to the students.
 - B. It should be appropriate to the age of the learners.
 - C. It should have subtitles for better comprehension.
 - D. It should have a clear connection to his educational objectives.

395. Which visual model and pictorial device presents the bands of experience arranged according to degree of abstraction instead of degree of difficulty?
- A. Bloom's Taxonomy of Learning
 - B. Dale's Cone of Experience
 - C. Gagne's Outcomes of Learning
 - D. Bruner's 3-Tiered Model of Learning
396. Which element should give you a hint NOT to adopt an internet resource for your literary criticism activities?
- A. Authors have contact details.
 - B. Links for further reading are linked.
 - C. More advertisements are posted.
 - D. Contents relate to your set objectives.
397. Teacher Zach teaches in a remote barangay school where there are no available storybooks. How can he introduce/facilitate the reading skills of his students?
- A. Bring the students to a nearby town library.
 - B. Purchase books himself in the meantime.
 - C. Write a short version of an existing local story in the barangay.
 - D. Make a request to the head of the school to procure books for English subject.
398. While CAI has many advantages, teachers may not be able to utilize the technology for which observable and practical reasons?
- II. Lack of infrastructure
 - III. Lack of expertise in integrating CAI
 - IV. Lack of motivation on the part of the students
 - V. Students are free to experiment on different options
- A. I, II, III
 - B. I & II
 - C. II, III, IV
 - D. III & IV
399. Which are displays for the spectators which consist of working models arranged meaningfully or photographs with models, charts, or posters?
- A. Exhibits
 - B. Demonstrations
 - C. Study Trips
 - D. Visual Symbols

400. Which of the following are highly abstract and no longer in realistic reproduction of physical things like charts, graphs, maps and diagrams?
- A. Exhibits
 - B. Demonstrations
 - C. Study Trips
 - D. Visual Symbols

LANGUAGE AND LITERATURE ASSESSMENT

- Use basic concepts in language and literature testing in assessing language proficiency

401. Ms. Venus asked the students to fill in the blanks with the correct pronoun? What test did she use?
- A. Cloze
 - B. C-Cloze
 - C. Hot spot
 - D. Text Numeric
402. Mr. Edward aims to make a language test that tends to have the highest reliability. Which type of exam should he make?
- A. Cloze Test
 - B. True or False
 - C. Matching Type
 - D. Multiple Choice
403. Nine English subject teachers assessed literary comprehension of an English class. The assessment of the nine teachers yielded fairly close. The assessment is _____.
- A. valid
 - B. reliable
 - C. equally difficult
 - D. convergently valid
404. Which among the following is NOT a criterion of a good test?
- A. Balance
 - B. Reliability
 - C. Relativity
 - D. Authenticity
405. In the test prepared by Theresa, Mr. Aaron commented that she overemphasized on understanding outcomes. What could have been neglected by Theresa?
- A. Difficulty distribution
 - B. Predictive validity testing
 - C. Table of Specifications
 - D. Constructive validity testing

406. Kristofer got 69% on October 8, 2015 in a language teacher-made test and 88% on October 11, 2015. Which would be the most probable reason for the discrepancy on a test covering the same material?
- A. The tests were not valid.
 - B. The tests were not reliable.
 - C. The tests were not relevant.
 - D. The tests were not representative.
407. Which of the following should Jehrist make if he wants to assess the speaking ability of his students by first specifying the components of the speaking ability he wants to assess?
- A. Ability criteria
 - B. Profile definition
 - C. Performance criteria
 - D. Construct definition
408. Which would be the possible reason if the correlations of a language test are generally significant to the highest level (99%), except for the speaking test?
- A. The speaking test is not valid.
 - B. The speaking test is not reliable.
 - C. The speaking test is not consistent with the other parts of the test.
 - D. The speaking does not differentiate between the most able and the least able takers.
409. Which proficiency assessment interpretations did Jeric use when he remarked that Cerele got 88 out of 100 and that he is in the top 10%?
- A. Selection test interpretation
 - B. Placement test interpretation
 - C. Criterion-referenced interpretation
 - D. Norm-referenced interpretation
410. Mr. Anton wanted to measure the students' ability in language regardless of any training they may have had in that language. Which test should he use?
- A. Placement test
 - B. Diagnostic test
 - C. Achievement test
 - D. Proficiency test

411. The Grade 10 teachers of Sta. Elena High School are evaluating the language tests prepared by the Grade 10 teachers of Colegio de San Agustin. Specifically, the teachers are evaluating the utility, equity, and appropriateness of the assessment techniques used. Which stage is present in the given scenario?
- A. Evaluation
 - B. Reflection
 - C. Preparation
 - D. Assessment
412. Mrs. Yoly wants to measure her Grade 12 students' ability against the learning objectives of specific topics in their Oral Communication class. Which of the following tests should she give?
- A. Assessment test
 - B. Discrete-point test
 - C. Norm-referenced test
 - D. Criterion-referenced test
413. Shine-Shine distributed her test among a group of representative end-users in the same settings and circumstances as the live test. Which task did Shine-Shine do?
- A. Revising
 - B. Piloting
 - C. Formatting
 - D. Assessing
414. Ms. Jerica prepares a language task that focuses on recognizing connotative meanings of words, correctly processing dictation, and making inferences. Which domain of learning as identified in Bloom's Revised Cognitive Taxonomy does Ms. Jerica want to address?
- A. Knowledge
 - B. Analysis
 - C. Synthesis
 - D. Comprehension
415. Mr. Stephen examines the test tasks and determines the extent of the test's correspondence to the test goal. Which qualitative analysis should he use?
- A. Discourse Analysis
 - B. Conversational Analysis
 - C. Test language Analysis
 - D. Task Characteristics
416. Shiela wants to assess Lilibeth's conversational ability in English, so she gave her a list of words to read. The assessment would yield to _____.
- A. a valid result
 - B. an invalid result
 - C. a reliable result
 - D. an unreliable result

417. A group of Language teachers are designing a periodical test. Specifically, they are looking closely at the test and deciding which questions will be omitted and which items need further clarification. Which stage is evident in that scenario?
- A. Writing a draft
 - B. Collecting testing material
 - C. Rewriting the draft version
 - D. Evaluating the draft version
418. Mr. Jon assigned number values to the various criteria he listed to assess his students' writing performance. Which assessment tool did Mr. Jon prepare?
- A. Rubric
 - B. Checklist
 - C. Rating Scale
 - D. Observation sheet
419. Mr. Lozada prepared a cloze test that is concerned primarily with meaning and the total communicative effect of discourse. He made sure that the test involves functional language but not its use. Which approach did he consider in constructing test?
- A. Structural Approach
 - B. Integrative Approach
 - C. Communicative Approach
 - D. Essay-Translation Approach
420. Ms. April wrote, "*Write the meaning of the italicized words according to how they are used in the sentence.*" Which of the following cognitive levels is present in the given instruction?
- A. Analysis
 - B. Synthesis
 - C. Application
 - D. Evaluation
421. Which should Mrs. Margaret ask her students to do if she wants to measure their story reorganization skills?
- A. Draw what is in store for the protagonist.
 - B. Predict what is in store for the protagonist.
 - C. Write a three-paragraph summary of the plot of the story.
 - D. Cite incidents in the story that show the strained relationship between the protagonist and other characters.

422. Jace asked his students to choose the letter of the appropriate conjunction to complete the sentence. Jace gave a/an _____.
- A. integrative test
 - B. discrete point test
 - C. norm-referenced test
 - D. criterion-referenced test
423. What assessment do you use if you collect samples of the students' work to show and monitor growth over time?
- A. Portfolio
 - B. Non-formal
 - C. Summative
 - D. Achievement
424. Mr. Jeeko asked his students to retrace the *alphabetical order* in which the enumerated events took place by assigning letters. Which task is present in the scenario?
- A. Matching
 - B. Sequencing
 - C. Single Response
 - D. Multiple Response
425. Stephany had her test validated and the results indicate that there is a high correlation between the test scores in a different test measuring the same construct, and irrespective of method. Which validity does the results satisfy?
- A. Construct validity
 - B. Concurrent validity
 - C. Convergent validity
 - D. Criterion-related validity

LANGUAGE RESEARCH

- Apply principles and approaches in research to find answers to questions in language and literature teaching and learning

426. Output plays an important role in language research. It is while attempting to produce the target language that learners may notice that they do not know how to say or write precisely the meaning intended. Below are some output techniques that teachers use. Which does NOT belong to the group?
- A. Meta-talking
 - B. Negotiation task
 - C. Consciousness-raising
 - D. Communicative language teaching
427. Which form of reasoning is the process of drawing a specific conclusion from a set of premises?
- A. Objective Reasoning
 - B. Positivistic Reasoning
 - C. Inductive reasoning
 - D. Deductive Reasoning
428. Sol wants to know frequent words spoken by her classmates in their Literature class. Which data collection method is BEST to use?
- A. Test
 - B. Interview
 - C. Observation
 - D. Checklist
429. Both Gass and Vygotsky focused on research for second language acquisition. Which statement is TRUE about their contributions?
- A. Both are behaviorists in their emphasis on language research.
 - B. Both are focused on the importance of cognitive ability in learning the language.
 - C. Gass gave the idea of comprehensible input while Vygotsky gave the one on social environment.
 - D. Gass focused on the language learning context while Vygotsky focused on the role of social environment.

430. Marko conducted a research on the communication strategies used by teachers in educating students with visual impairment. In order to identify the communication strategies, he interviewed the teachers educating students with visual impairment and also did some actual observation of the classes. What research design was used in the study?
- A. Experimental design
 - B. Descriptive design
 - C. Quantitative design
 - D. Qualitative design
431. Who will be the BEST respondents for your study if you want to explore the effective methods used in improving children's way of using the language in the classroom?
- A. Parents
 - B. Children
 - C. Teachers
 - D. Administrator
432. All of the following are among the four different research methodologies that can be used by students in conducting a research in language studies, EXCEPT _____.
- A. ethnography
 - B. case study
 - C. experimental research
 - D. correlational
433. Which is/are TRUE about Research hypotheses?
- I. Formulated prior to a review of the literature
 - II. Statements of predicted relationships between variables
 - III. Final answers to the problems/questions
- A. I only
 - B. II only
 - C. III only
 - D. I and II

434. Which of the following statements is TRUE about research on second language acquisition?
- A. Methods based on behaviorist theory of language learning emphasize conversation.
 - B. Methods recognize a role of instruction and assume that everything has been taught.
 - C. Methods based on teaching what the learner is ready to learn, are most likely closely associated with Krashen.
 - D. Methods based on interactionist theory give the learners the opportunity for conversation that allows meaningful input from teachers and students.
435. Research suggests that an increased focus on form is likely to lead to change in grammatical knowledge insofar as it is manifested in learner's behavior. What suggestion can be drawn from this result?
- A. Focus more on grammar.
 - B. Form should not be a priority.
 - C. Destabilize fossilized form.
 - D. Form and grammar can be given equal importance.
436. Feedback and interaction are very important elements in language learning and teaching. What is the BEST activity to be employed by the teacher to have interaction enhancement?
- A. Give many activities for drills and exercises in language.
 - B. Let the students give their reaction to the given situation.
 - C. Give feedback on the student's lapses in spoken language.
 - D. Let the students identify the mismatch between interlanguage grammar and the target language.
437. What is the term when a researcher uses someone else's words or ideas, and passes them off as his/her own?
- A. Citation
 - B. Plagiarism
 - C. Anonymity
 - D. APA

438. For language research, several scholars have borrowed from the concepts of ethnography. Which of the following researches does NOT use ethnographic method?
- A. Communication: How is communication accomplished?
 - B. Cultural models of personhood: What does it mean to be a good Osage Indian?
 - C. Emotional expression: What are the "display rules" of when and how emotion should be displayed?
 - D. Methodology: What effective strategy is used to increase participation in classroom?
439. Members of the language team introduce a new language monitoring system and wishes to study the efficiency of its implementation as compared to the previous system which is still being practiced in other departments. In this study, it is not feasible to conduct randomization. What type of research design is used?
- A. Experimental
 - B. Causal-Comparative
 - C. Quasi-Experimental
 - D. Descriptive
440. Which research seeks to examine the findings of a study by using the same design but a different sample?
- A. An exploratory study
 - B. A replication study
 - C. An empirical study
 - D. Hypothesis testing

CAMPUS JOURNALISM

- Apply principles and strategies in writing the various parts (e.g. editorial, news, feature story, etc.) of a campus paper

441. Which part of a campus paper presents the newspaper's opinion on an issue?
- A. News article
 - B. Sports article
 - C. Feature article
 - D. Editorial

442. Which of the following is **NOT** true about editorial?
- A. An editorial is a factual news story.
 - B. An editorial article presents the newspaper's opinion on an issue.
 - C. An editorial reflects the majority vote of the editorial board, the governing body of the newspaper made up of editors and business managers.
 - D. Editorials are meant to influence public opinion, promote critical thinking, and sometimes cause people to take action on an issue.
443. Which of the following is **NOT** the purpose of an editorial?
- A. To criticize

444. Which of the following is **NOT** true about writing an editorial?
- A. It should have a current news angle.
 - B. Opinion should be in the fashion of a thesis statement.
 - C. Opposing viewpoints with quotations and facts should conclude the article.
 - D. The issue should be explained objectively.
445. Which of the following parts of a campus paper answers the who, what, when, where and how of current events?
- A. News article
 - B. Sports article
 - C. Feature article
 - D. Editorial
446. Which part of a news article indicates the name of the writer?
- A. Headline
 - B. Byline
 - C. Writer's block
 - D. Sources

447. Which is TRUE about the lead of a news article?
- A. It is written at the last part of the article.
 - B. It provides the introduction of the whole story.
 - C. It summarizes the story and includes many of the basic facts.
 - D. The lead will guide readers throughout the reading of the whole article.
448. Which of the following is **NOT** true about writing the news story?
- A. The story contains facts from research.
 - B. The article should contain your opinions.
 - C. Events are detailed in a chronological order.
 - D. Important details should be written first in the article.
449. Which of the following is **NOT** true about writing the headline or title?
- A. Numbers are spelled out.
 - B. It should be catchy and to the point.
 - C. The first word should always be capitalized.
 - D. The title should be written in the present tense.
450. Which of the following parts of a campus paper is a narrative writing about human life?
- A. News article
 - B. Sports article
 - C. Feature article
 - D. Editorial
451. Which of the following should NOT be considered as a feature story?
- A. A news story on a carjacking at the local mall
 - B. A story about your first day at college
 - C. A story about your three-legged cat Max
 - D. A story about lack of funding for inner-city schools
452. Which of the following statements is **NOT** true about feature stories?
- A. Conflict and obstacles are important in telling a story.
 - B. Feature stories use the traditional five-paragraph essay format.
 - C. You should start your feature story with a bang to grab your reader.
 - D. The use of interesting facts and anecdotes will help to illustrate your topic and keep your reader's attention.

453. Which of the following is a form of writing that reports on sporting topics and games?
- A. News article
B. Sports article
C. Feature article
D. Editorial
454. Which of the following is TRUE about the lead of a sports article?
- A. It should include the final score.
B. It focuses on the efforts of all players.
C. It is a simple chronological account.
D. It is an elaborated story-telling of the event.
455. Which of the following is a journalism slang term that summarizes what the story is all about?
- A. 6Ws
B. Lede
C. Nutgraf
D. Morgue

TRANSLATION AND EDITING OF TEXT

- Apply the rules of discourse and rhetoric in editing various kinds of written material
- Demonstrate understanding of basic theories and concepts in translation as applied to the writing and editing of various types of texts
- Apply principles and strategies in translating texts of various types from English to another language or from another language to English

456. In the modes of Language of Interpretation, which among the following is where the person interprets the text to a language common to every interpreter who in turn renders the message to his/her respective target languages?
- A. Relay
B. Simultaneous
C. Consecutive interpretation
D. Whispered
457. Which grammatical categories would affect the translation of the word *heiress* to a Filipino term?
- A. Gender
B. Person
C. Case
D. Number

458. Which of the following is an ellipsis that answers the question, "*Does Remy sing while she walks?*"
- A. No.
 - B. Yes, she does.
 - C. No, but I do.
 - D. Yes, she does it to irritate us, perhaps.
459. As with single words, an idiom can sometimes be omitted altogether in the target text _____.
- A. for stylistic reasons
 - B. if the term has no superordinate
 - C. if its meaning cannot be easily paraphrased
 - D. if it has no close match in the target language
460. Which strategy is used in translating the statement "*I didn't expect Myrna is an onion-skinned girl to Hindi ko inaasahan na si Myrna ay matampuhin?*"
- A. Translation by paraphrase
 - B. Translation by omission of play on idiom
 - C. Using an idiom of similar meaning and form
 - D. Using an idiom of similar meaning but dissimilar form
461. The difference between "don't oppose" and "don't whimper" lies in their _____.
- A. denotative meaning
 - B. sectional proposition
 - C. propositional meaning
 - D. expressive meaning
462. Lorna is trying to translate "po" and "opo" in English but failed to do so. Which could be the reason why "po" and "opo" cannot be directly translated in the English language? Because the words are _____.
- A. exotic
 - B. culture specific
 - C. only true in the Philippines
 - D. considered foreign in the English language

463. Which thematic structure is used in the sentence "*Well prepared the presentation was?*"
- A. Fronting of predicator
 - B. Fronting of pronominal
 - C. Fronting of time or place adjunct
 - D. Fronting of object or complement
464. Gian received his paper with the mark 2 before the sentence "*We will bring home the crown!*" What does the teacher want Gian to do?
- A. Insert two spaces
 - B. Indent two spaces
 - C. Use two single spaces
 - D. Move two spaces to the left
465. Which of the following indicates a problem in differences in physical or interpersonal perspective?
- A. Emigrate/ immigrate
 - B. Blackness/ redness
 - C. Coup d' e'tat/ a la carte
 - D. Dancing/ swimming
466. Which is the theme in the sentence "*My joining the English Enhancement Program will absolutely help me?*"
- A. will help
 - B. will absolutely help me
 - C. the English Enhancement Program
 - D. my joining the English Enhancement Program
467. Which strategy was used in translating the source text "Shampoo the hair lightly and towel *dry*" to the target text "Lavarcabello *frotar* ligeramente con un *tato* allla" (*Wash hair lightly with a towel*)?
- A. Translation using a loan word
 - B. Translation by cultural substitution
 - C. Translation by a more general word
 - D. Translation by a more neutral/ less expressive word

468. Which of the following sentences has a predicated theme?
- A. Your faith gave me strength.
 - B. I was given strength by your faith.
 - C. What gave me strength is your faith.
 - D. It is your faith that gave me strength.
469. Which translation problem is evident in the sentence "*Uminom siya ng tubig*" (*Drink s/he water*)?
- A. Extraposition
 - B. Nominalization
 - C. Linear dislocation
 - D. Syntagmatic dislocation
470. What problem do you encounter when you could NOT find the exact term or word to use in English such as the different kinds of banana (*saging na saba, senyorita, latundan, etc.*)?
- A. The source and target languages make different distinction in meaning.
 - B. The target language lacks hyponym.
 - C. The source-language word is semantically complex.
 - D. The target language lack superordinate.

SPEECH AND STAGE ARTS

- Demonstrate understanding of the process of oral communication and the various forms of speech arts from public speaking and group discussions for debate, oral interpretation, and dramatics

471. In the process of communication, which refers to the means by which a message is communicated?
- A. Listener
 - B. Feedback
 - C. Channel
 - D. Medium
472. Which is the most effective medium of communication?
- A. Act of Speech
 - B. Listening
 - C. Language
 - D. Speech

473. Which method of speech delivery is termed as 'making it up on the spot'?
- A. Impromptu
 - B. Manuscript
 - C. Memorized
 - D. Extemporaneous
474. The characteristics of effective speech based on Cicero's canons of rhetoric include invention, disposition, elocution, pronunciation and _____.
- A. voice
 - B. grammar
 - C. memory
 - D. arrangement
475. _____: delivery, language and speaking style; Invention: discovering the best arguments
- A. Memory
 - B. Disposition
 - C. Elocution
 - D. Pronunciation
476. Which is the aim of demonstrative speaking?
- A. To entertain the audience
 - B. To share some facts and opinions
 - C. To show audience how to perform a task
 - D. To shift the opinions or behavior of the audience
477. Which characteristics of an effective speech refers to the arrangement and organization of materials?
- A. Invention
 - B. Elocution
 - C. Disposition
 - D. Pronunciation
478. Which is a type of play where the plot and characters are symbols of something else and which illustrates a moral or philosophical unit?
- A. Farce
 - B. Drama
 - C. Allegory
 - D. Tragicomedy
479. In speech discipline, which area includes the study of symbolic behavior in dyadic relationship?
- A. Rhetoric
 - B. Group communication
 - C. Interpersonal communication
 - D. Organizational communication

480. Which process is associated with the production and perception of sounds used in spoken language?
- A. Speech
 - B. Speaking
 - C. Discussing
 - D. Oral communication
481. Which strongly suggests that speakers know the background of the events and assess their audience to determine what information is most appropriate to share, such as during wedding receptions, graduation ceremonies, religious induction and other kinds.
- A. Persuasive speaking
 - B. Informative speaking
 - C. Ceremonial speaking
 - D. Demonstrative speaking
482. Which of the following is NOT an example of persuasive speech?
- A. A politician asking people to vote for him/her
 - B. A doctor trying to get a patient to stop smoking
 - C. A tour guide explaining the floor plan of a larger art museum
 - D. An environmentalist convincing people to start thinking about the environment
483. Which of the following does NOT belong to memorization as a type of speech delivery?
- A. The speaker writes the manuscript for official records.
 - B. Manuscript delivery is reading the text word for word.
 - C. The speaker writes the manuscript as reference during the speech.
 - D. The use of eye contact and facial expression helps bring personality to this type of delivery.
484. Who writes the script?
- A. Writer
 - B. Scriptwriter
 - C. Playwright
 - D. Author

485. Edward tells a story that is taken from a book using his own words in front of his students. Edward is using _____.

- A. sight reading
- B. story reading
- C. creative speech
- D. reader's theatre

CREATIVE WRITING

- Apply theories, concepts and skills in creative writing to include biographical sketches, fiction, creative non-fiction, and poetry

486. Shakespeare's Sonnet 18 has five pairs of stressed and unstressed syllables per line. What is the measure of the poetry?

- A. Heptasyllabic quatrain
- B. Octosyllabic quatrain
- C. Iambic pentameter
- D. Iambic heptameter

487. What kind of imagery is used in the following lines? "I can show you the world – shining, shimmering, splendid."

- A. Visual
- B. Aural
- C. Tactile
- D. Olfactory

488. What figure of speech shows a contrasting combination of two words put together?

- A. Paradox
- B. Irony
- C. Antithesis
- D. Oxymoron

489. Short stories usually start in the middle of things. What part of the plot is being referred to?

- A. Introduction
- B. In medias res
- C. Rising Action
- D. Denouement

490. Which of the following is recommended in writing a short story?

- A. Multiple plots
- B. Definite setting
- C. Limited characters
- D. Minimum of 3000 words

491. Which of the following elements shows the line cuts in a poetry?
- A. Stich
 - B. Lines
 - C. Hemistich
 - D. Enjambment
492. Which of the following elements shows what a story is all about?
- A. Plot
 - B. Theme
 - C. Conflict
 - D. Characters
493. What figure of speech is shown in the following lines? "The apparition of these faces in the crowd; Petals on a wet black bough."— Ezra Pound
- A. Simile
 - B. Metaphor
 - C. Hyperbole
 - D. Personification
494. Which of the following is **TRUE** about deus-ex-machina?
- A. It is a flaw for lack of resolution.
 - B. It is an effective tool to end a story.
 - C. The god character fails as a savior in the story.
 - D. The god character is seen from the beginning of the story.
495. Which of the following is **TRUE** about fictional stories?
- A. Fictional stories may show historical facts.
 - B. Fictional stories are the newest form of literature.
 - C. Fictional stories base characters from real-life events.
 - D. Fictional stories follow a particular format to be effective.
496. Which of the following nonfiction texts presents a life story written by the character himself?
- A. Biography
 - B. Autobiography
 - C. Personal Narrative
 - D. Reflection Paper
497. What is the main focus of a testimonio?
- A. Art
 - B. Headline
 - C. Marginalization
 - D. Personal Experience

498. Which technique is used when the story gives clues as to what will happen next in the plot?
- A. Flashback
 - B. Foreshadowing
 - C. Flash forward
 - D. Facial expression
499. In drama, which technique highlights the emotions of the characters?
- A. Gestures
 - B. Movements
 - C. Voice
 - D. Facial Expressions
500. Which of the following is **TRUE** about Imagism, a 20th movement in poetry? Imagism focuses on the _____.
- A. statement more than the central image
 - B. central image more than the statement
 - C. balance of both central image and statement
 - D. format of the poetry more than the statement
