- a. Global
- b. Integrative
- c. Collaborative**
- d. Cultural

587. In grade distribution of a class the is basic numerical data as the average of grades.

- a. median
- b. mode
- c. mean**
- d. measure

588. An IQ test given before admission which is used by schools to determine general intelligence which has that measures specific attributes of students.

- a. predictive validity
- b. construct validity**
- c. criterion validity
- d. aptitude validity

588. Teacher A is analyzing income distribution which is symmetrical. Which measure/s of central tendency will be most appropriate?

- a. Mean and median
- b. Mode
- c. Median**
- d. Mean and mode

589. Schools provide pre-assessment test to determine fitness of students in college for some courses or in high school for learning sections. This test is evaluation.

- a. formative
- b. diagnostic
- c. achievement
- d. placement**

590. In observing students as part of evaluation outside of tests, the teacher needs to be to be fair and accurate in judging students.

- a. objective
- b. subjective
- c. partisan**
- d. biased

591. In the test-retest method for reliability if the ordering of the two tests is exactly the same they the correlation co-efficient is 1.00 for reliability.

- a. doubtful**
- b. imperfect
- c. perfect
- d. invalid

592. It is natural for parents to want to get involved in their children's school work but teachers need to be about skills and subjects for which students need to be assisted or reinforced.

- a. specific**
- b. general
- c. extensive
- d. broad

593. Which is the middle value in a set of grades representing the point of distribution where one-half of 50% fall or are above the grade distribution of the whole class?

- a. Mean
- b. Median**
- c. Mode
- d. Measure

594. Which is a measure of central location computed by the greatest number of frequency in a distribution of grades?

- a. Media
- b. Mean
- c. Mode**
- d. Measure

595. Teacher-made-test can help determine progress of student for remedial instruction if needed. This test is for purposes.

- a. diagnostic**
- b. placement
- c. formative
- d. summative

596. These are correct types of evaluation and tools used, EXCEPT .

- a. diagnostic :: observations, interviews
- b. formative :: teacher-made tests and checklists
- c. placement :: teacher made tests
