Prayer Before Class Starts

*We thank you for this new day, Lord.
Help us to embrace all that it may hold for us.
To hear the birdsong, and have new melodies in our hearts.
To see the sunrise and create beauty with our hands.
To touch the leaves that grow afresh,
And allow your love to touch our hearts.
To smell the fragrance of the flowers
And breathe in the wonder of your creation.
To dwell on the beauty of our world,
And study and fathom your miracles.
To enjoy the conversations we have and the lessons we go to,
May we drink in all the goodness you have for us.*

Metodo ng Pagsasalin

5. adaptasyon - itinuturing na pinakamalayang anyong salin dahil may pagkakataon na malayo na ito sa orihinal.

Quesera sera! Whatever will be, will be, The future's not ours to see, Quesera sera! = Ay sirang-sira! Ano ang mangyayari, Di makikita ang bukas, Ay sirang-sira!

6. malaya - walang kontrol, at parang hindi na isang salin, may pagdadagdag o pagbabawas ng mga salita. *“For the last twenty years since he is burrowed into one-room apartment near Baclaran Church, Francisco Buda often strolled to the seawall and down the stone breakwater which stretched from sandy bar into the murky and oil-tinted bay.”* = Mayroon nang dalawampung taon siyang tumira sa isang apartment na malapit sa simbahan ng Baclaran. Si Francisco Buda ay mahilig maglibang sa breakwater na mabuhangin at malangis.
