*PROFESSIONAL
EDUCATION*

PRAYER

Dear Lord, I come to you to ask for your guidance and direction in this study session. I ask that the holy spirit fill me with strength, creativity and understanding to get through my studies without difficulty or sin. Help me hold my focus and attention. Help me to retain all that I learned. Please make my mind sharp and keep distractions at bay. If any part of my studying is weak or lacking in some way, let it be revealed so that I may correct it. Thank you for this opportunity to learn. Amen.

*PROFESSIONAL
EDUCATION*

1. You want your students to answer the questions at the end of a reading lesson. “What did I learn?”, “What still puzzles me?”, “What did I enjoy/hate/accomplish in the class today?”, “How did I learn from the lesson?”

Which of the following are you asking them to do?

A. Work on an assignment

 B. Make a journal entry

C. Work on a drill

D. Apply what they learned

2. William Glasser's control theory states that behavior is inspired by what satisfies a person's want at any given time. What then must a teacher do to motivate students to learn?

A. Make teaching-learning interactive

B. Avoid giving assignments

C. Organize curriculum in a spiral manner

✓ D. Make schoolwork relevant to students' basic human needs

3. Bernadette enjoyed the roller coaster when he and her family went to the Enchanted Kingdom. The mere sight of a roller coaster gets her excited. Which theory explains Bernadette's behavior?

- A. Operant conditioning *reward, punishment, reinforcement, feedback, CAI*
- B. Social learning theory *learning by observation & imitation*
- C. Attribution theory *explains how human beings evaluate and determine the cause of other people's behavior*
- ✓ D. Pavlovian conditioning *(Fritz Heider)*

4. When small children call animals “dogs”, what process is illustrated in Piaget’s cognitive development theory?

A. reversion

 B. assimilation

SS SAME SCHEMS

C. accommodation

CHANGE SCHEMA

D. conservation

5. Which appropriate teaching practice flows from this research finding on the brain: “The brain’s emotional center is tied into its ability to learn”?

A. Establish the discipline of being judgmental in attitude

B. Come up with highly competitive games where winners will feel happy

C. Tell the students to participate in class activities or they won’t receive plus points in class recitation

 D. Create a learning environment that encourages students to explore their feeling and ideas freely

6. Which can be said of Arielle who obtained a score of 75 out of 100 items in a Grammar objective test?

A. She performed better than 25% of her classmates

 B. She answered 75 items in the test correctly

C. Her rating is 75

D. She answered 75% of the test items correctly

7. Nellie's score is within $x \pm 1$ SD. To which of the following groups does she belong?

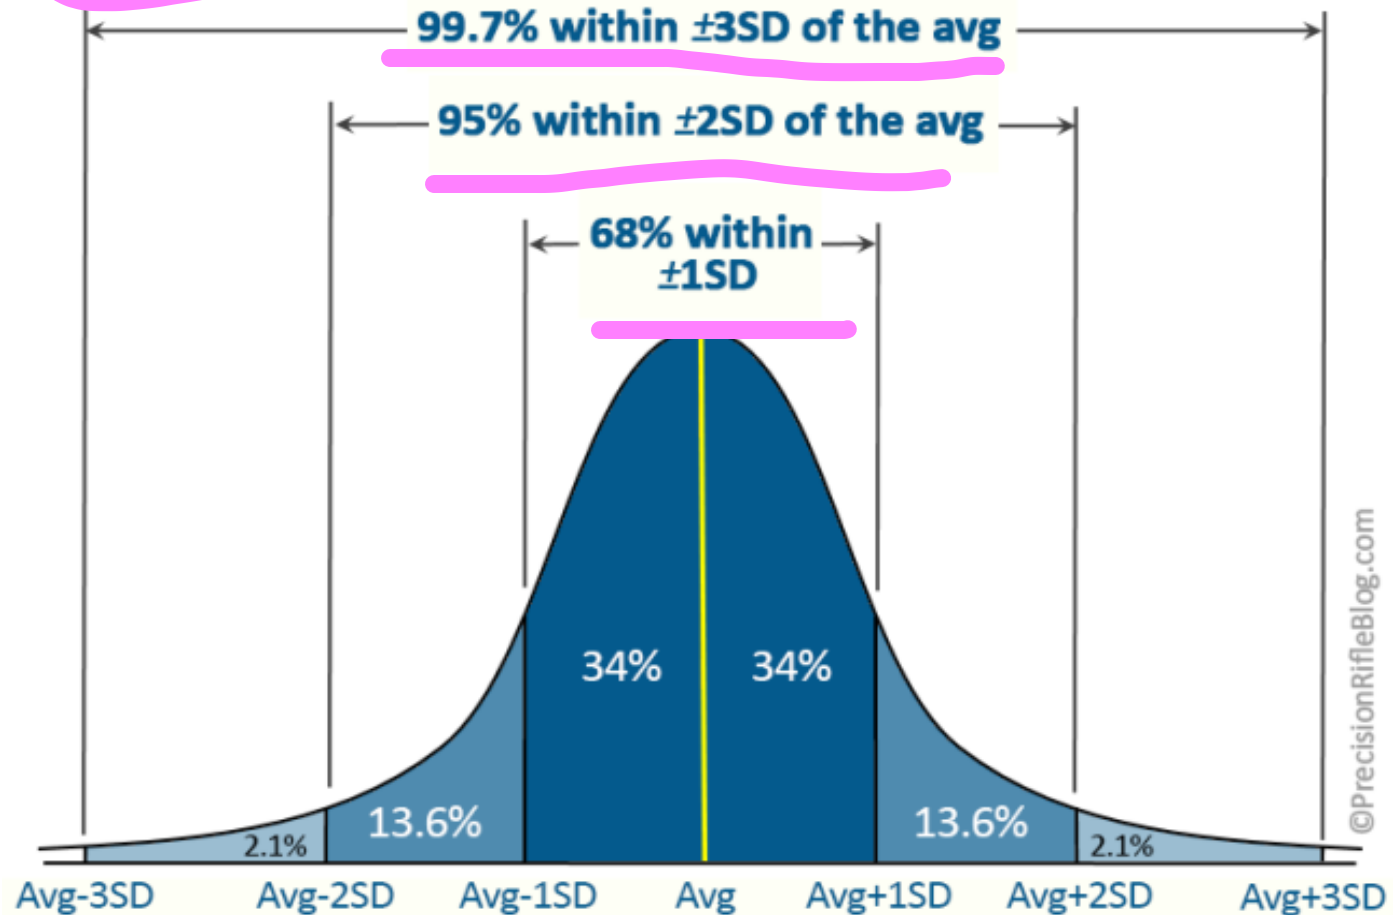

A. Below average

✓ B. Average

C. Needs Improvement

D. Above average

68-95-99.7 Rule

8. With the assessment of affective learning in mind, which does NOT belong to the group?

✓ A. Cloze test FILL IN THE BLANKS

B. Moral dilemma

C. Reflective writing

D. Diary entry

Sample Cloze

A cloze or cloze passage is a reading _____ that increases reading comprehension. A _____ passage is a piece of _____ in which _____ have been _____ throughout.

GURONG
PINOY

The logo features the word "GURONG" in a large, bold, blue 3D font with a white outline and a drop shadow. Below it, the word "PINOY" is written in a white 3D font with a blue outline and a drop shadow. Three yellow five-pointed stars are positioned: one above the "O" in "GURONG", and one between the "U" and "R", and another between the "O" and "Y" in "PINOY". A yellow sunburst with multiple rays is located behind the top of the "O" in "GURONG".
