Professional Education

PRAYER

Dear Lord, I come to you to ask for your guidance and direction in this study session. I ask that the holy spirit fill me with strength, creativity and understanding to get through my studies without difficulty or sin. Help me hold my focus and attention. Help me to retain all that I learned. Please make my mind sharp and keep distractions at bay. If any part of my studying is weak or lacking in some way, let it be revealed so that I may correct it. Thank you for this opportunity to learn. Amen.

Professional Education

1. In Gestalt psychology, our ability to perceive a whole without first noticing its parts is referred to as _____.

A. The Law of Similarity

B. Reification

C. The superego
