Prayer Before Class Starts

*We thank you for this new day, Lord.
Help us to embrace all that it may hold for us.
To hear the birdsong, and have new melodies in our hearts.
To see the sunrise and create beauty with our hands.
To touch the leaves that grow afresh,
And allow your love to touch our hearts.
To smell the fragrance of the flowers
And breathe in the wonder of your creation.
To dwell on the beauty of our world,
And study and fathom your miracles.
To enjoy the conversations we have and the lessons we go to,
May we drink in all the goodness you have for us.*

answer choices

- ☒ A. $sd = 1.5$
- ☐ B. $sd = 1.65$
- ☐ C. $sd = 1.75$
- ☐ D. $sd = 2.0$

16. Multiple-choice

⌚ 1 minute

Q. _____ is an example of fish. What makes the test item poor?

answer choices

- ☐ A. The test item is very easy
- ☐ B. The test item is not significant
- ☐ C. The question is short and incomplete
- ☒ D. The blank is at the beginning of the sentence

Guidelines for Fill-in-the-blank Questions

- 1.Omit only keywords. Avoid vague items.
- 2.Avoid too many blanks in one item. It is best to only have one or two blanks for students to fill in per question.
- 3.When possible, put blanks near the end of the item.
- 4.Do not provide clues by adjusting the length of the blank or the number of blanks.

17. Multiple-choice

⌚ 1 minute

Q. A Prelim test was administered twice to 3rd year BEED students and the test results are consistent. What type of reliability was used?

answer choices

- ☐ A. Pearson-R test
- ☐ B. Kuder-Richardson Formula
- ☐ C. Split-half Method
- ☒ D. Test-Retest Method

- Pearson correlation coefficient, also known as Pearson R statistical test, measures strength between the different variables and their relationships.
- The Kuder -Richardson Formula 20, often abbreviated KR-20, is used to measure the internal consistency reliability of a test in which each question only has two answers: right or wrong.
- The split-half method is done by splitting the test in half based on odd-numbered and even-numbered questions. Both halves are administered to the same individual and the correlation is taken.

18. Multiple-choice

⌚ 1 minute

Q. Which characteristics of a good test measures what it is suppose to measure?

answer choices

- ☐ A. Adequacy
- ☐ B. Objectivity
- ☐ C. Reliability
- ☒ D. Validity

19. Multiple-choice

⌚ 2 minutes

Mr. Cruz observes and gives oral recitations, term paper, projects, reflections papers and Q. different kinds of tests to his students in Educ. 6. What principle of assessment best explains this practice? Effective assessment requires:

answer choices

☐ C. An Instructional relevance of the procedure should be considered

☒ B. A variety of assessment procedures should be used

☐ D. The specifications of criteria for judging successful performance

Q. Which is implied by "skewed to the left" scores distribution?

answer choices

- ☐ A. Most of the students are academically challenged
- ☒ B. Most of the students are remarkable
- ☐ C. Most of the students are thick-witted
- ☐ D. Most of the teachers are passive and spend more time in administrative than instruction tasks

GURONG
PINOY

The logo features the word "GURONG" in a large, bold, blue 3D font with a black outline and a light blue gradient. Below it, the word "PINOY" is written in a white 3D font with a black outline and a light blue gradient. Three yellow five-pointed stars are positioned: one above the "R" in "GURONG", and two others, one above the "P" and one above the "O" in "PINOY". A yellow sunburst with multiple rays is located behind the top of the "R" in "GURONG". The entire logo has a white drop shadow.
