Prayer Before Class Starts

*We thank you for this new day, Lord.
Help us to embrace all that it may hold for us.
To hear the birdsong, and have new melodies in our hearts.
To see the sunrise and create beauty with our hands.
To touch the leaves that grow afresh,
And allow your love to touch our hearts.
To smell the fragrance of the flowers
And breathe in the wonder of your creation.
To dwell on the beauty of our world,
And study and fathom your miracles.
To enjoy the conversations we have and the lessons we go to,
May we drink in all the goodness you have for us.*

Purpose Learning is a growing movement that integrates today's school reform into a simple, actionable framework. Learning in the past emphasized thinking, or helping students memorize content and develop key cognitive skills. Learning in the future will integrate thinking with rich forms of feeling and doing, all at the same time. At the center of these three domains students have a chance to explore purpose.

PURPOSE LEARNING

FEELING:

Who am I?

- Diversity, equity and inclusion
- Social and emotional learning
- Empathy / perspective taking
- Purpose exploration
- Mindfulness

PURPOSE

A journey inside to explore self, a journey outside to connect to the world

THINKING:

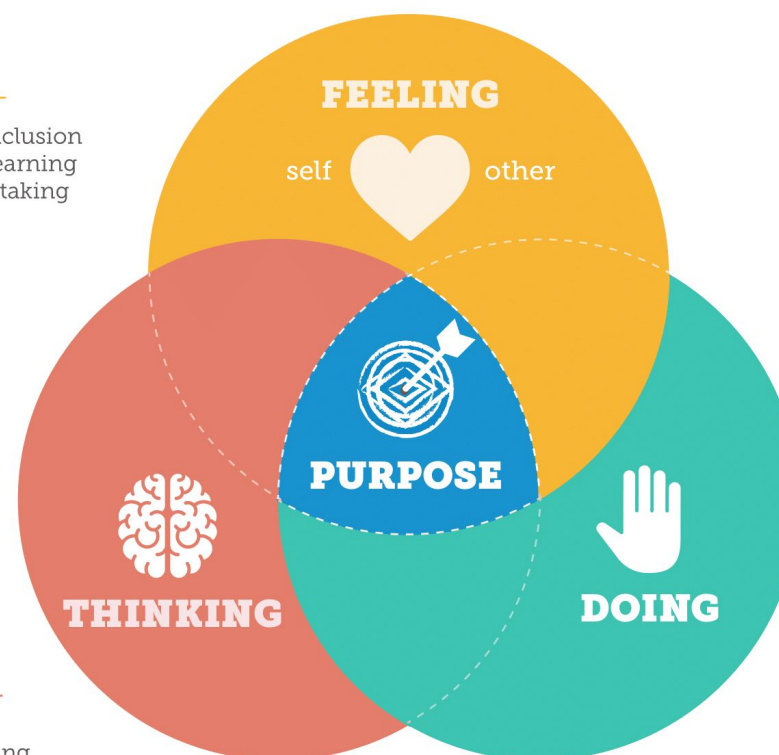

What do I know?

- Content + skills
- Interdisciplinary learning

DOING:

How do I connect?

- Global education
- Community engagement

 - ☐ B. The journey with others is slower than the journey alone
 - ☐ C. When we help others, we help ourselves
 - ☐ D. Trust is the foundation of any relationship

Mirror Principle

The Mirror Test

- Self-awareness
- Self-image
- Self-honesty
- Self-improvement
- Self-responsibility
