Prayer Before Class Starts

*We thank you for this new day, Lord.
Help us to embrace all that it may hold for us.
To hear the birdsong, and have new melodies in our hearts.
To see the sunrise and create beauty with our hands.
To touch the leaves that grow afresh,
And allow your love to touch our hearts.
To smell the fragrance of the flowers
And breathe in the wonder of your creation.
To dwell on the beauty of our world,
And study and fathom your miracles.
To enjoy the conversations we have and the lessons we go to,
May we drink in all the goodness you have for us.*

Q. The founder of the Conflict Theory is ____.

— answer choices —

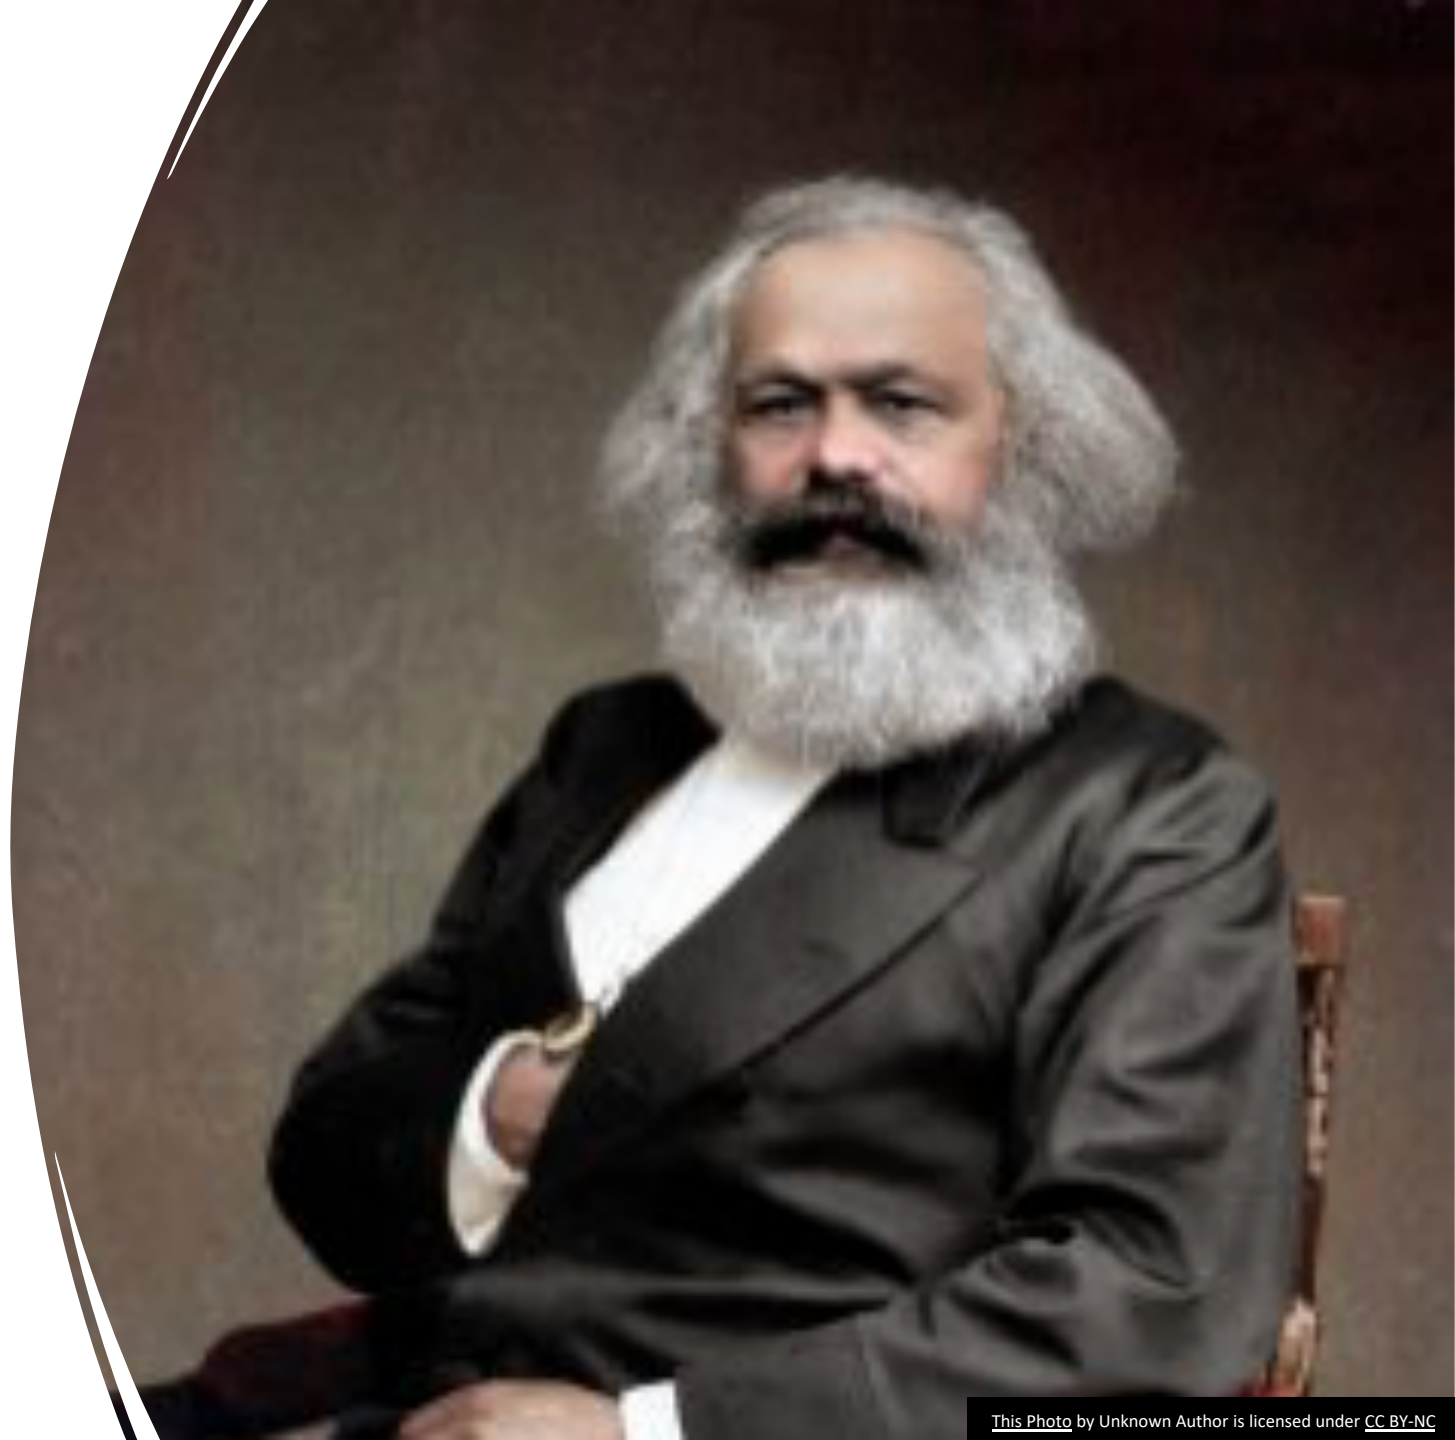

☐ A. Talcott Parsons

☐ C. Emile Durkheim

☒ B. Karl Max

☐ D. Max Weber

-
- *Karl Max is the man behind the Conflict Theory. He asserted that because the class system separates the employers from workers and workers from the benefits of their own labor, class struggle is inevitable.*

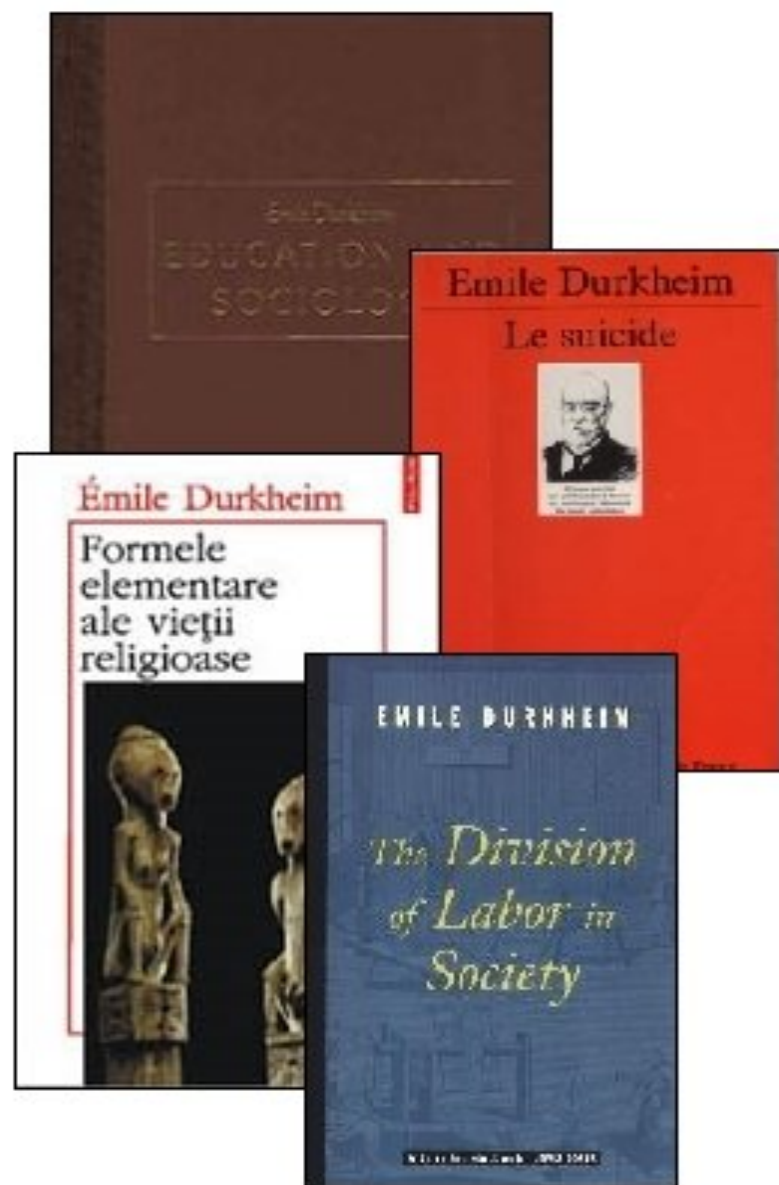

Functionalist Theory

- Order & stability in society are the result of the influence of certain *values* (not a certain structure)
- Stable, supportive families are the key to successful socialization
- Sexual Division of Labor
 - Families will operate most efficiently with clear-cut sexual divisions of labor
 - Women should perform expressive (care/security) roles, and men should perform instrumental (breadwinner) roles.

Talcott Parsons

Contributions and Theories

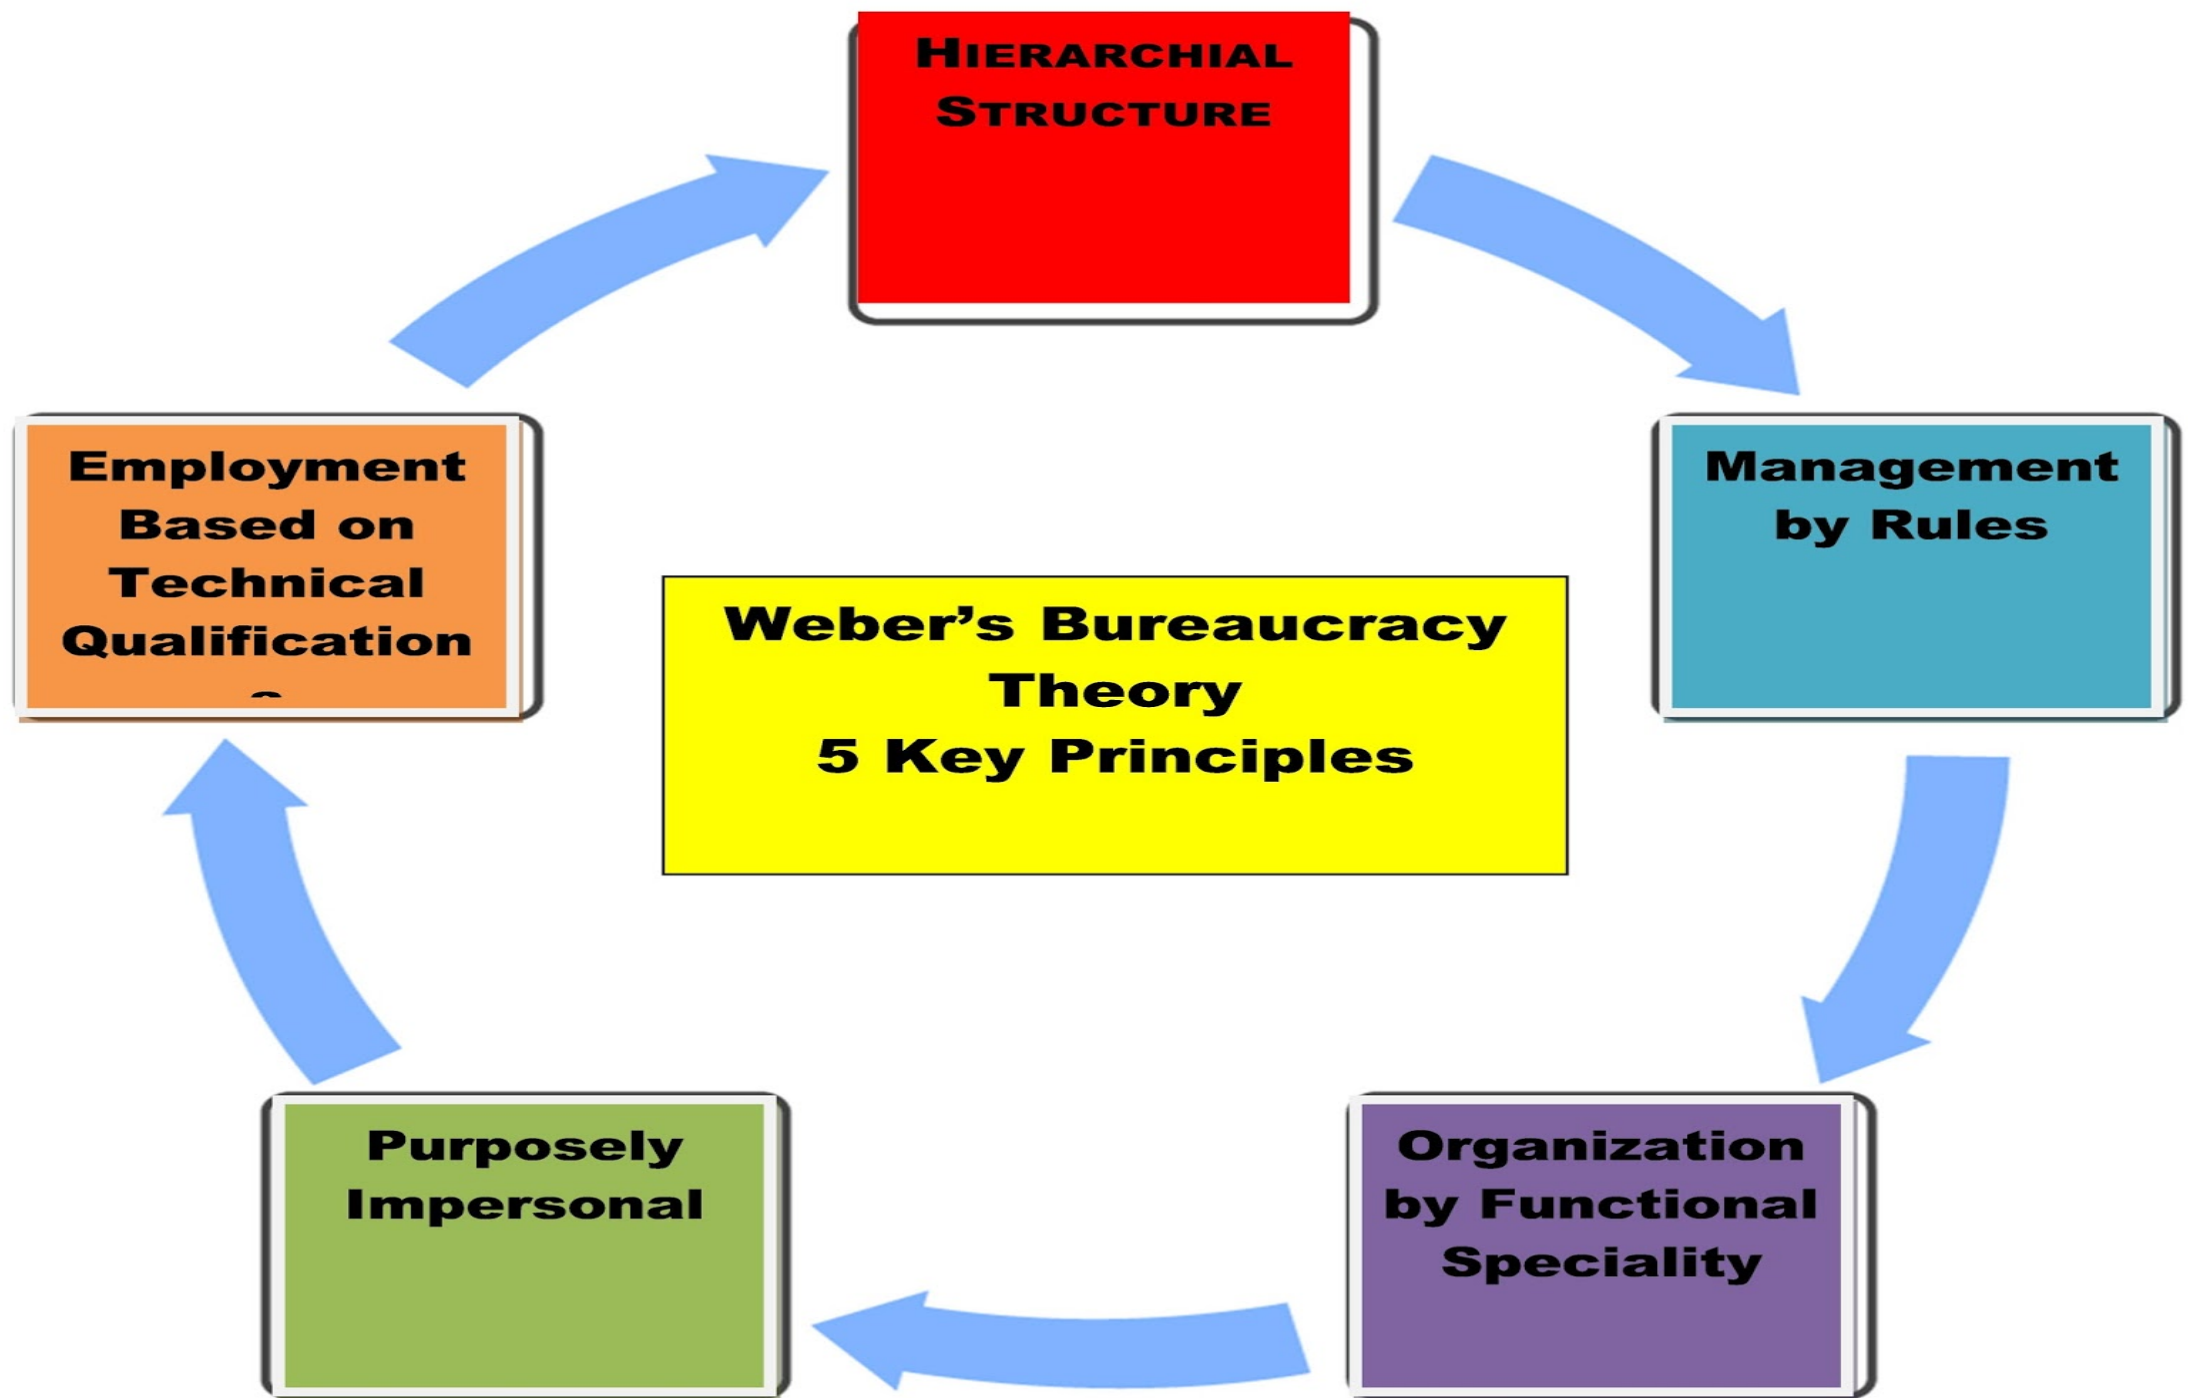

- He sought to construct one of the first scientific approaches to social phenomena.
- Said that traditional societies were held together by the fact that everyone was more or less the same.
- Along with Herbert Spencer, he was one of the first to conceptualize the idea of social functionalism:
 - Functionalism views society as a system of interdependent parts whose functions contribute to the stability and survival of the system as a whole.
- Thought that society was more than the sum of its parts, and coined the term social facts:
 - Social Facts have an existence all their own, and are not bound to the action of individuals.

Weber's View of Stratification

- Max Weber formed a three-component theory of stratification in which social difference is determined by class, status, and power.
- Class is a person's economic position, based on birth and individual achievement.
- Status is one's social prestige or honor, which may or may not be influenced by class.
- Power is one's ability to get one's way despite the resistance of others.
