

SOCIAL SCIENCE

Classified Exam and Rationalization

Jonathan T. Estoquia, LPT

It is the definite portion of the earth's surface which is the subject of sovereignty rights and interests. From the political standpoint, it is referred to as:

A. State

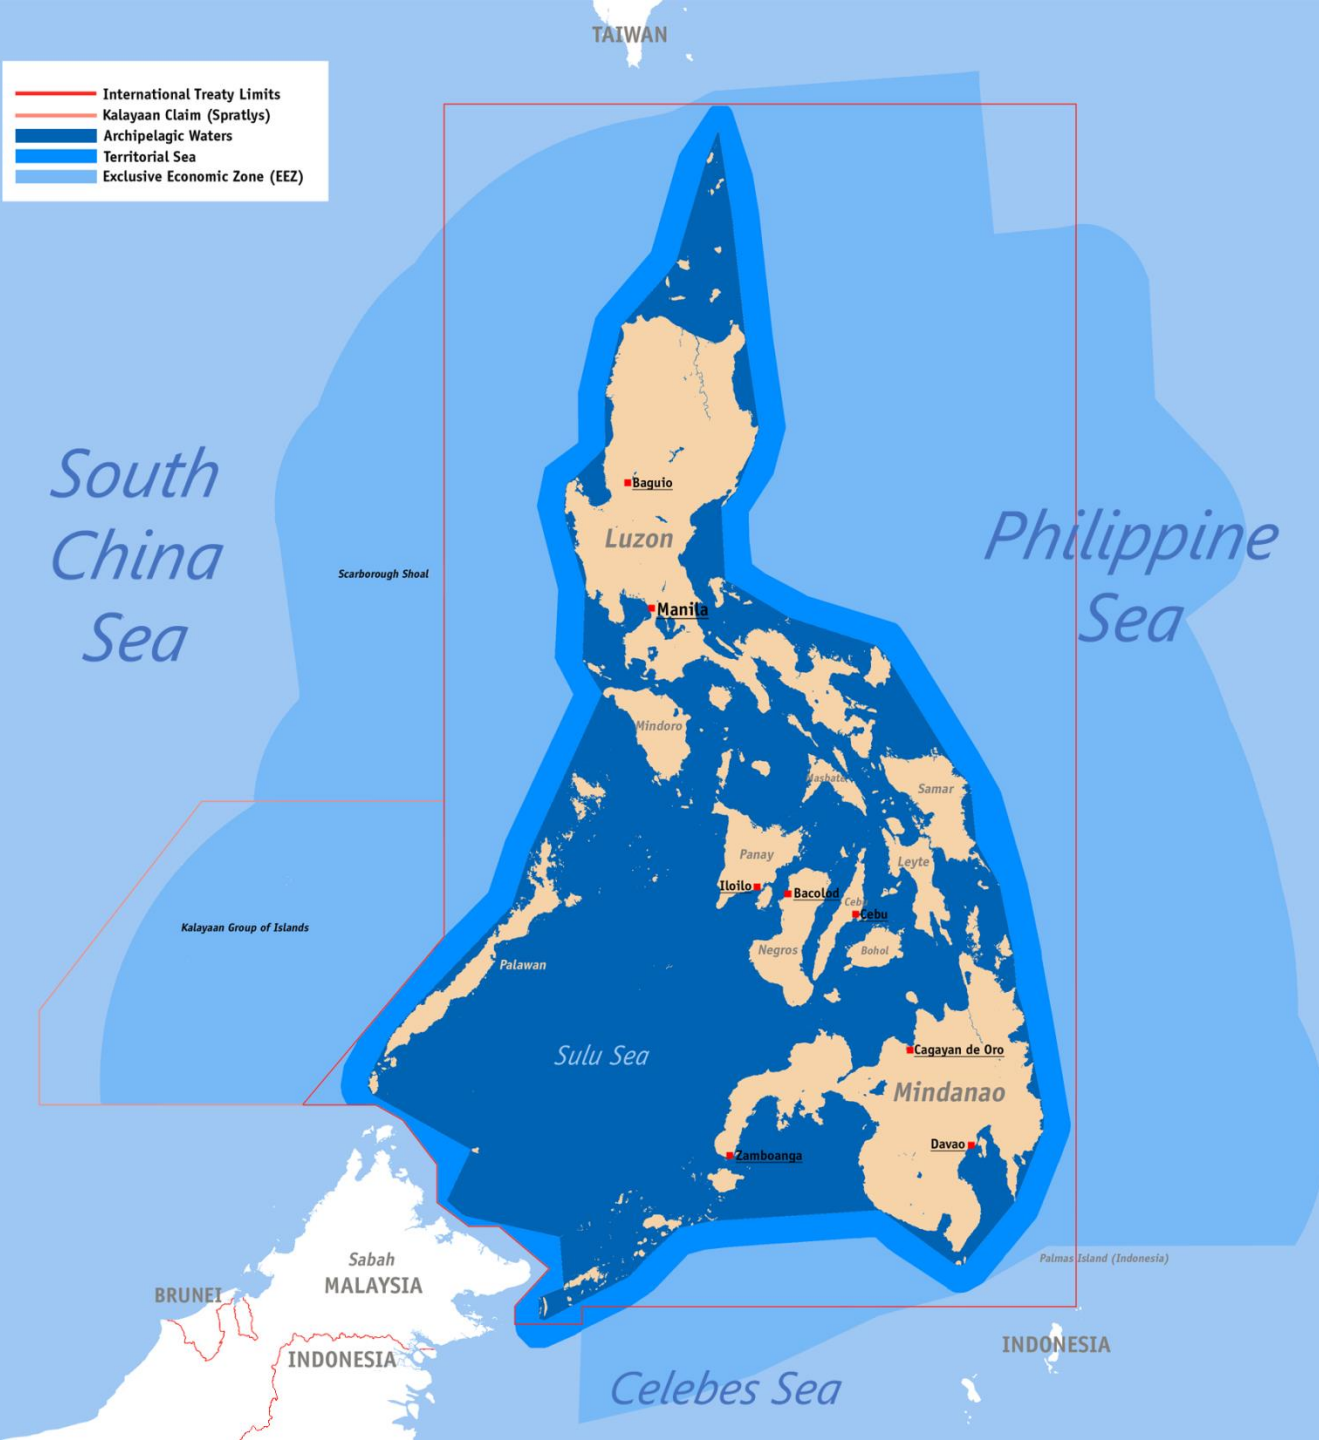

B. Government

C. Sovereignty

☒ D. Territory

Territory – the established **area** that rightly belongs to the people of the state. This is the aerial (air), terrestrial (land), fluvial (stream/river), and maritime (water) domains of the state.

“Area” - definite portion of the earth's surface

ARCHIPELAGIC DOCTRINE

Territorial Sea – 12 NM

Contiguous Zone – 12 NM from the edge of the territorial sea

Exclusive Economic Zone – 200 NM from the baseline

What was the First Philippine Republic?

- A. The Republic proclaimed in Malolos
- B. The Republic proclaimed under the 1935 Constitution.
- C. The Republic of the Philippines proclaimed in 1946
- D. The Republic proclaimed under the Japanese-sponsored Constitution

- **1st Phil. Republic – Malolos Republic**
(Jan 23, 1899, Malolos Bulacan)
- 1935 Constitution – Commonwealth
- Japanese Sponsored – Puppet Republic (2nd Republic)
- 1946 Constitution – 3rd Republic, Manuel Roxas

Which type of government did Aguinaldo establish?

A. Unitary

☒ B. Revolutionary

C. Republican

D. Oligarchic

Philippine declaration of independence, Revolutionary government

On June 12, 1898, the Philippine Declaration of Independence was proclaimed at an event led by Emilio Aguinaldo in his mansion in Kawit, Cavite. On June 23, Aguinaldo issued a decree replacing the Dictatorial Government with a **Revolutionary Government**.

What characteristic(s) of government is established by the 1987 Constitution?

I. Presidential system of government with three branches

II. Parliamentary system of government

III. The three branches of government are separate and independent of each other

IV. The three branches of government have a check and balance over each other.

A. I and IV

B. II, III and IV

☒ C. I, III and IV

D. II only

Which policy is an innovation of the 1987 Constitution?

A. To provide urban land reform and social housing program

B. To establish a-parliamentary form of government

C. To give priority to education, science and technology, arts, culture and sports

D. To give "grant" of lands of public domain to qualified citizens

Which is a new mode for proposing amendments to the Constitution as provided for by the 1987 Constitution?

A. Citizens' Assemblies

B. Plebiscite

C. Referendum

☒ D. People's initiative

Based on the classifications of government which applies to the present Philippine government?

A. Hereditary

B. Consolidated

☒ C. De jure government

D. De facto government

De Jure – a form of government that is founded on existing legal or constitutional basis.

If our present government is a democracy,
where does power reside?

- A. In the Filipino people
- B. In the President
- C. In Congress
- D. In the Supreme Court

Democracy

*“government of the **People**, by the **People** and for the **People**.”*

(Abraham Lincoln, Gettysburg Address).

Which does NOT properly describe a republican and democratic state?

A. Existence of a bill of rights.

B. Observance of the principle of separation of powers and a system of checks and balances

C. Observance of the principle that ours is a government of men and not of laws

D. Presence of elections through popular will

Rule of law

The rule of law, at its most basic, means that the law applies to everyone equally. It means that no one is above the law. It is also popularly understood as “**a government of law, not of men.**” And, while the law may be harsh, it is the law.

Which right is violated by wiretapping?

- A. The right to private property
- ☒ B. The right to privacy of communication
- C. The right to information on matters of public concern
- D. Freedom of expression

Wire tapping (telephone tapping)

Telephone tapping or **wiretapping** is the monitoring of telephone and internet conversations by a third party, often by covert means. The wire tap received its name because, historically, the monitoring connection was an actual electrical tap on the telephone line.

Which is a legislative check on the President?

- A. Rejection of appointment/s by the President
- B. Prescription of the qualifications of the President
- C. Prescription of qualifications of judges of lower courts
- D. Inquiry into the wisdom of any pardon given by the President

Which is a judicial check on the executive and legislative branches of the government?

- A. Judges the constitutionality of executive orders
- B. Determines the term of a member of the House of Representatives
- C. Prescribes the qualifications of the President
- D. Prescribes the qualifications of a Senator

In which instance is the independence of the judiciary shown?

A. The Supreme Court is beyond criticism.

☒ B. The Supreme Court is given authority to appoint all officials and employees of the judiciary.

C. The qualifications of the Justices of the Supreme Court can be changed by Congress.

D. The salaries of the members of the Supreme Court and of the lower courts can be decreased during their-continuance in office.

The Supreme Court of the Philippines is the highest court in the Philippines. It is presided over by a Chief Justice and is composed of fifteen (15) Justices, including the Chief Justice. Pursuant to the Constitution, the Supreme Court has “*administrative supervision over all courts and the personnel thereof.*”

A vetoed bill repassed in congress becomes a law with a:

A. A majority vote of all the members of both houses

B. Two-thirds vote of all the members present constituting a quorum

 C. Two-thirds vote of all the members of both houses

D. Majority vote of all the members present constituting a quorum

If the president vetoes the bill, Congress can override the veto with a **two-thirds supermajority**. If either house voted down on a bill or fails to act on it after an adjournment sine die, the bill is lost and would have to be proposed to the next congress, with the process starting all over again.

Which of the following is unconstitutional?

A. A regulation requiring the use of personal I.D before entering a school.

B. A law prohibiting professional from seeking employment abroad.

C. A traffic rule preventing some cars to travel on a certain day.

☒ D. A person's choice of abode limited by order of the court.

Article 3. Bill of Rights

Sec 6

*The liberty of abode and of changing the same within the limits prescribed by law shall not be impaired except upon **lawful** order of the court. Neither shall the right to travel be impaired except in the interest of national security, public safety, or public health, as may be provided by law.*

Liberty of Abode and Travel - right of a person to have his home in whatever place chosen by him and thereafter to change it at will, and to go where he pleases without interference from any source.

Limitations:

- **Permissible interference** - “except upon lawful order of the court” and except in the national security, public safety or public health according to law.

R.A. 8239 – Philippine Passport Act of 1996

Sec. 8. Grounds for Denial, Cancellation or Restrictions.

The application for passport may be denied, cancelled or restricted only on the following grounds:

- **Cancellation**

1. When the holder is a fugitive from justice;
2. When the holder has been convicted of a criminal offense; Provided, that the passport may be restored after service of sentence; or
3. When a passport was acquired fraudulently or tampered with.

- ***Restricted***

1. When the country of destination is in a state of political instability which could pose a danger to the Filipino traveler.
2. When diplomatic ties have been fractured or severed with the Philippines;
3. When the country of destination is subject to travel restriction by government policy, enforcement of action by the United Nations or in a state of war.

All appropriation, revenue or traffic bills, etc. shall originate exclusively in the:

- A. House of Representatives
- B. Sangguniang Panlalawigan
- C. Senate
- D. Supreme court

Each house (Upper and lower) has its own inherent power, with the Senate given the power to vote on treaties, while the **House of Representatives** can only introduce money bills.

It is also called as the Tanodbayan:

- A. Court of Appeals
- ☒ B. Ombudsman
- C. Sandiganbayan
- D. Supreme Court

Ombudsman of the Philippines

The **Ombudsman of the Philippines**, also known as **Tanodbayan ng Pilipinas**, is an ombudsman responsible for investigating and prosecuting Philippine government officials accused of crimes, especially graft and corruption.

Under the 1987 Philippine Constitution and the Ombudsman Act of 1998, the Office of the Ombudsman independently monitors all three branches of the government for political corruption.

Ombudsman: Conchita Carpio-Morales

Court of Appeals of the Philippines

The **Court of Appeals** of the Philippines is the Philippines' second-highest judicial court, just after the Supreme Court. The court consists of 69 Associate Justices and 1 Presiding Judge. The CA “reviews not only the decisions and orders of the RTCs nationwide but also those of the Court of Tax Appeals, as well as the awards, judgments, final orders or resolutions.

Presiding Judge: Andres B. Reyes, Jr.

Sandiganbayan

The **Sandiganbayan** (“*people’s advocate*”) is a special appellate collegial court in the Philippines. The special court was established by P.D. 1486, as subsequently modified by P.D. 1606 and by R.A. 7975 and 8249. It is equal in rank to the Court of Appeals, and consists of fourteen Associate Justices and one Presiding Justice.

Presiding Justice: Amparo M. Cabotaje-Tang

Supreme Court of the Philippines

The Supreme Court of the Philippines is the highest court in the Philippines. It is presided over by a Chief Justice and is composed of fifteen (15) Justices, including the Chief Justice. Pursuant to the Constitution, the Supreme Court has *“administrative supervision over all courts and the personnel thereof.”*

Chief Justice: Maria Lourdes Sereno

Father of Local Government in the Philippines

A. Benigno Aquino

B. TG Guingona

☒ C. Aquilino Pimentel

D. Franklin Drilon

Aquilino “Nene” Pimentel is a former Senate president and principal author of **Republic Act 7160**, or the **Local Government Code of 1991**. The Local Government Code, signed into law by President Corazon Aquino on October 10, 1991, is considered one of the most revolutionary pieces of legislations that Congress has passed because it radically transformed the very nature of the country’s politically-administrative system.

The code has empowered the local government units all over the country by squarely placing upon them, as frontline institutions, the responsibility for developing their respective territories.

Which is the fourth largest island in the country, often visited by typhoons and with a very rugged interior?

- ☒ A. Negros
- ☐ B. Bohol
- ☐ C. Samar
- ☐ D. Leyte

Philippine's largest islands:

1. Luzon – 42,458 m²
2. Mindanao – 37,657 m²
3. Samar – 5,185 m²
4. Negros – 5,139 m²

How has the fragmented nature of the topography of the Philippines affected the nation's progress?

A. No pattern in the state of economic progress can be drawn

B. The state of the nation's economic progress is more or less the same across regions

C. The state of economic progress differs across regions.

D. Regions in the northern part of the country are more economically progressive than those in the southern part.

The three largest islands in the Philippines?

- ☒ A. Luzon, Mindanao, Samar
- ☐ B. Luzon, Samar, Leyte
- ☐ C. Luzon, Visayas, Mindanao
- ☐ D. Luzon, Mindanao, Leyte

Philippine's largest islands:

1. Luzon – 42,458 m²
2. Mindanao – 37,657 m²
3. Samar – 5,185 m²

In its mountains you mine gold. It also supplies most part of Luzon with fresh flowers and vegetables because of its climate. Which province is this?

A. Apayao

☒ B. Benguet

C. Mt. Province

D. Ifugao

La Trinidad, Benguet

“Salad Bowl of the Philippines”

Cebu is to Sinulog as _____ is to
Dinagyang

A. Panay

☒ B. Ilo-ilo

C. Laguna

D. Bohol

Panay – *Ati-Atihan Festival*

Laguna – *Keso Festival*

Bohol – *Sandugo Festival*

Higantes Festival (Angono, Rizal)

Moriones Festival (Marinduque)

Maskara Festival (Bacolod)

Sinulog Festival (Cebu)

Where do devotees to Sto. Nino flock in January for its "Ati-atihan"?

- ☒ A. Aklan
- B. Tacloban
- C. Tagbilaran
- D. Cebu

Complete this analogy: Nile River: World -
_____ Philippines

A. Amburayan River

☒ B. Cagayan River

C. Rio Grande of Mindanao

D. Agusan River

Longest Rivers in the Philippines:

1. Cagayan River (505 km)
2. Rio Grande de Mindanao (373 km)
3. Agusan River (350 km)

Which place in CALABARZON was named "Special, Science and Nature City" of the Philippines?

- ☒ A. Los Baños
- ☐ B. Tagaytay
- ☐ C. Pagsanjan
- ☐ D. Kawit

Los Baños is a first class urban municipality in the province of Laguna, Philippines. Los Baños was declared as the “**Special Science and Nature City of the Philippines**” through Presidential Proclamation No. 349. The proclamation, however, does not convert the municipality to a city or give it corporate powers that are accorded to other cities.

What is the smallest city in the Philippines in terms of land area?

A. Pateros

☒ B. San Juan

C. Pasay

D. Paranaque

Smallest City in the
Philippines:

San Juan City

21 barangays

Area: 5.87km²

Population: 122,180
(2015 census)

What is the Bukidnon plateau known for?

A. Strawberry plantation

B. Orchidarium

C. Banana plantation

☒ D. Pineapple plantation

Bukidnon

Which one serves as the rice granary in northeast Philippines?

A. Cagayan Valley

B. CAR

☒ C. Nueva Ecija

D. Ilocos Region

Nueva Ecija is considered '***The Rice Granary of the Philippines***.' It is from this province that the Philippines sources its biggest supply of rice grains and by-products, with its wealthiest citizens being rice millers, dealers and merchants.

Which province is helped developed by the advent of local and international tourists who go surfing in Siargao Island?

A. Misamis Oriental

B. Surigao del Sur

C. Agusan del Sur

☒ D. Surigao del Norte

Surigao del Norte

A province located in the Caraga region in Mindanao. Its capital is Surigao City. The province comprises two major islands: **Siargao** and **Bucas Grande** in the Philippine Sea, and a small region at the northeastern tip of Mindanao.

Which region is called “The Land of Promise” because of its rich agricultural lands?

- ☒ A. Mindanao
- ☐ B. Visayas
- ☐ C. Central Plain of Luzon
- ☐ D. Luzon

Which is the coldest continent?

A. Asia, its northern part

B. Europe

C. America

☒ D. Antarctica

It is the longest mountain chain in the world:

- ☒ A. Andes
- ☐ B. Himalayas
- ☐ C. Kunlun
- ☐ D. Pamir

Andes or **Andean Mountains** (*Cordillera de los Andes*) are the longest continental mountain range in the world. They form a continuous highland along the western edge of South America. This range is about 7,000 km long, about 200 – 700 km wide, and of an average height of about 4,000 m. The Andes extend from north to south through seven countries: *Venezuela, Colombia, Ecuador, Peru, Bolivia, Argentina and Chile.*

Most of the people in Latin America during the colonial period came from what known place in the world?

A. Amazon Rainforest

B. Andes Mountain

☒ C. Iberian Peninsula

D. Oceania

- The South American continent is part of Latin America, so named because most of its settlers during the colonial period came from the *Iberian Peninsula*.

One of the largest cities in the world, having the greatest population of any city often referred as the “City that Never Sleeps”?

A. Hawaii

B. California

C. Las Vegas

☒ D. New York

- The “*City That Never Sleeps*” is a well-known nickname for **New York City**, famously employed in the "Theme from New York, New York", covered by Frank Sinatra
- **Hawaii** – “The Aloha State”

D. Brunei

Tensions arose when the Sulu Sultanate from the **Philippines** attacked North Borneo in early March 2013. North Borneo is part of Sabah, a member state of **Malaysia** that has claimed the Spratly Islands.

Which was rejected by the Filipinos under the Spanish rule?

A. introduction of democratic ways and liberal ideas

B. Free and compulsory instruction through the public school system

☒ C. Taxation without representation

D. Abolition of the tobacco monopoly

Corazon Aquino is to Freedom
Constitution as Ferdinand Marcos is
to_____

A. Subservience to America

B. Ties with Asian nations

☒ C. New society

D. "Filipinos First" policy

In whose term was the celebration date of Philippine Independence Day changed from July 4 to June 12?

- ☒ A. Diosdado Macapagal
- ☐ B. Carlos P. Garcia
- ☐ C. Ferdinand Marcos
- ☐ D. Elpidio Quirino

Initially, the nation's **Independence Day** holiday (*Araw ng Kalayaan*) was held on 4 July. **President Diosdado Macapagal** moved it to 12 June, the date in 1898 on which Emilio Aguinaldo issued the Philippine Declaration of Independence from Spain.

Who promised to “make this country great again.” and ruled for about twenty years?

A. Diosdado Macapagal

B. Ramon Magsaysay

☒ C. Ferdinand Marcos

D. Carlos Garcia

Inauguration Speech, 30 December 1965

“... .Wherever there is a fight for freedom we cannot remain aloof from it. ... ***This nation can be great again***. This I have said over and over. It is my article of faith, and Divine Providence has willed that you and I can now translate this faith into deeds.”

Pres. Ferdinand E. Marcos

Who was the first editor of "La Solidaridad"?

- ☒ A. Graciano Lopez Jaena
- ☐ B. Antonio Luna
- ☐ C. Jose Rizal
- ☐ D. Marcelo H. del Pilar

La Solidaridad (*The Solidarity*) was an organization created in Spain on December 13, 1888. Composed of Filipino liberals exiled in 1872 and students attending Europe's universities, the organization aimed to increase Spanish awareness of the needs of its colony, the Philippines, and to propagate a closer relationship between the colony and Spain.

The organization also issued a newspaper of the same name which was published in Barcelona, Spain. It was edited by **Graciano López Jaena** (*founder*) and later on by Marcelo H. del Pilar. The newspaper published not only articles and essays about the economic, cultural, political, and social conditions of the country, but also current news, both local and foreign, and speeches of prominent Spanish leaders about the Philippines.

Members

- Dr. José Rizal (Laong Laan at Dimasalang)
- Marcelo H. del Pilar (Plaridel)
- Graciano Lopez Jaena (Fray Botod/Diego Laura)
- Antonio Luna (Taga-Ilog)
- Mariano Ponce (Tikbalang, Kalipulako, Naning)
- Jose Maria Panganiban (Jomapa)

Other members

- Pedro Paterno
- Antonio Maria Regidor
- Isabelo de los Reyes
- Eduardo de Lete
- José Alejandrino
- Jose Luis Guerra
- Robert Lacamra

International members

- Professor Ferdinand Blumentritt (Austrian ethnologist)
- Dr. Miguel Morayta Sagrario (Spanish historian, university professor and statesman)

The event that implicated the three priests Burgos, Gomez and Zamora which resulted to their execution was the:

- ☒ A. Cavite Mutiny
- ☐ B. Cry of Pugadlawin
- ☐ C. Ilocos Rebellion
- ☐ D. Bacoar Massacre

The Cavite mutiny of 1872 was an uprising of military personnel of Fort San Felipe, the Spanish arsenal in Cavite, Philippines on January 20, 1872. Around 200 soldiers and laborers rose up in the belief that it would elevate to a national uprising. The mutiny was unsuccessful, and government soldiers executed many of the participants and began to crack down on a burgeoning nationalist movement. The mutiny was used by Spain to implicate three secular priests, **Mariano Gómez, José Burgos**, and **Jacinto Zamora**, collectively known as **Gomburza**. They were executed by garrote on the Luneta field, also known in Tagalog as Bagumbayan, on 17 Feb. 1872.

In which order did the following occupy the Philippines?

- A. Spaniards, Americans, Japanese, British
- B. Spaniards, Americans, British, Japanese
- C. British, Spaniards, Americans, Japanese
- ☒ D. Spaniards, British, Americans, Japanese

Which of the following events in the Philippine history was the latest?

A. Declaration of Martial Law by presidential proclamation

☒ B. Ratification of Visiting Forces Agreement

C. Termination of the RP-US Military Bases Agreement

D. End of martial rule through EDSA "people power" revolution

- **27 May 1999** - Ratification of the VFA (PH – US)
- **21 September 1972** – Proclamation 1081 (Martial Law)

If the following events are arranged according to occurrence, which should come LAST?

- A. Arrest of opposition leaders like Benigno Aquino Jr
- B. Suspension of the writ of Habeas corpus
- C. Declaration of martial law
- D. Bomb explosion during the proclamation rally of the senatorial slate of the Liberal Party, at Plaza Miranda

Who led the first Europeans who arrived in the Philippine history?

A. Miguel Lopez de Legazpi

C. Roy Villalobos

B. Marco Polo

☒ D. Ferdinand Magellan

Who is the last Spanish governor general in the Philippines?

- ☒ A. Diego de los Rios
- ☐ B. Guido de Lavezares
- ☐ C. Ramon Blanco
- ☐ D. Camilo de Polavieja

What is the longest revolt in Philippine history?

- ☒ A. Dagohoy revolt
- ☐ B. Gabriela Silang revolt
- ☐ C. Diego Silang revolt
- ☐ D. Palaris revolt

The famous Dagohoy rebellion, also known as **Dagohoy revolt**, is considered as the longest rebellion in Philippine history. Led by Francisco Dagohoy, also known as **Francisco Sendrijas**, this rebellion took place in the island of Bohol from 1744 to 1829, roughly 85 years.

It was Vice President Carlos P. Garcia who proposed the name "Dagohoy" in honor of Francisco Sendrijas alias Dagohoy. The name Dagohoy is a concatenation of the Bisayan phrase, "**Dagon sa huyuhoy**" or **talisman of the breeze** in English.

Which of the following were the famous triumvirates of the Propaganda Movement?

A. Jose Rizal, Juan Luna, Marcelo del Pilar

B. Jose Rizal, Graciano Lopez Jaena, Gregorio del Pilar

☒ C. Jose Rizal, Marcelo del Pilar, Graciano Lopez Jaena

D. Jose Rizal, Juan Luna, Graciano Lopez Jaena

What title was given to the head of the centralized government established by the Spaniards in the Philippines?

A. Corregidor

B. Encomendero

C. Gobernadorcillo

☒ D. Governor General

Who were vinta-sailing Filipinos who succeeded in their resistance and revolts, and were never really conquered by the Spaniards?

A. The Ilocanos led by Silang

B. The Igorots of the Cordilleras

C. The Boholanos led by Dagohoy

☒ D. The Muslims of Southern Philippines

The Katipunan was the movement founded by Bonifacio. Its major objective was:

A. Seek reforms from Spain

B. Demand for equal rights and privileges for Filipinos

☒ C. Separation of Philippines from Spain

D. Assimilation of Philippines by Spain

What kind of government was installed under the 1973 Constitution under the Marcos regime?

A. Modified Presidential system

☒ B. Modified Parliamentary system

C. Military system

D. Bicameral system

The 1935 Constitution was replaced with a new one (1973 Constitution) that changed the system of government from a presidential to a **parliamentary** one, with Marcos remaining in power as both head of state (with the title "President") and head of government (titled "Prime Minister"). Under the new government, President Marcos formed his political coalition—the Kilusang Bagong Lipunan (KBL) – and control the unicameral legislature he created, known as the *Batasang Pambansa*.

The incident that led to the outbreak of the Filipino-American war was:

A. Pres. McKinley's proclamation of the Benevolent Assimilation policy

B. The San Juan Bridge incident where a Filipino soldier was shot by an American sentry

C. The Battle of Manila Bay

D. Aguinaldo's declaration of Independence

Which order of governments correctly applies during the American regime?

- A. Civil, military, commonwealth
- ☒ B. Military, civil, commonwealth
- C. Civil, commonwealth, military
- D. Military, commonwealth, civil

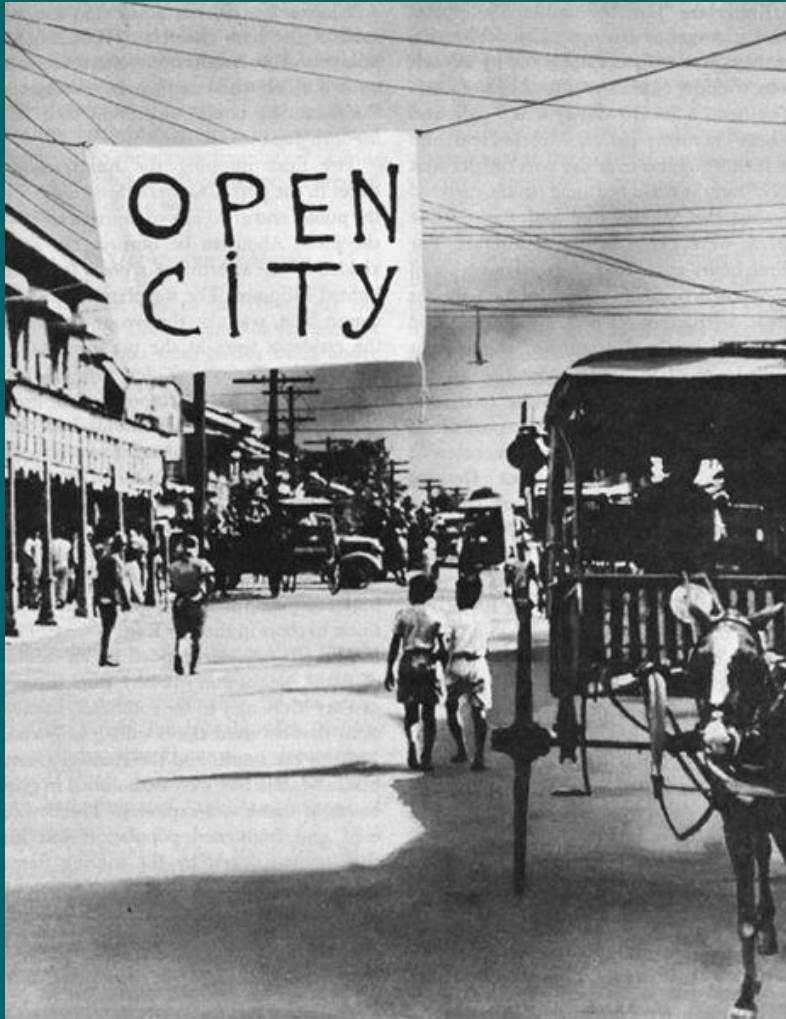

When the Japanese came, Manila was declared an “Open City” by McArthur. Open City means:

A. Manila was open for trade

B. Manila was open for negotiation

☒ C. Manila was open for Japanese occupation

D. Manila was open for both Japanese and American to stay

In war, in the event of the imminent capture of a city, the government/military structure of the nation that controls the city will sometimes declare it an **open city**, thus announcing that it has abandoned all defensive efforts. The attacking armies of the opposing military will then be expected not to bomb or otherwise attack the city but simply march in. ***The concept aims at protecting the city's historic landmarks and resident civilians from an unnecessary battle.***

During the World War II, the Filipino-American forces last defense against the Japanese took place in:

A. Bataan

☒ B. Corregidor

C. Manila

D. Tarlac

The **Battle of Corregidor**, fought May 5–6, 1942, was the culmination of the Japanese campaign for the conquest of the Commonwealth of the Philippines during World War II.

The island bastion of Corregidor, officially named **Fort Mills**, with its network of tunnels and formidable array of defensive armament, along with the fortifications across the entrance to Manila Bay, was the remaining obstacle to the 14th Japanese Imperial Army of Lieutenant General Masaharu Homma. Homma had to take Corregidor, since as long as the island remained in American hands, the Japanese would be denied the use of Manila Bay, the finest natural harbor in the Far East.

The combined Filipino and American Forces during the Japanese invasion was:

A. Hukbalahap Movement

B. Allied Powers

☒ C. USAFFE

D. Philippine Constabulary

The **USAFFE (United States Army Forces in the Far East)** was a military command formed by the United States in the Philippines during World War II. Its headquarters was established on July 26, 1941, the same time Presidential Order 3825 was issued by US President Franklin Roosevelt, which called the *Philippine Commonwealth Army* into the service of the *Armed Forces of the United States*.

Hukbalahap (Hukbong Bayan Laban sa mga Hapones) was a Communist guerilla movement formed by the *peasant farmers* of Central Luzon. They are popularly known as “*Huks*”. They were formed to fight the Japanese Imperial Army during World War II. The *Huks* were led by **Luis Taruc**.

The main **Allied Powers** were **Great Britain**,
The **United States**, China and the **USSR**. The
leaders of the Allies were *Franklin D.*
Roosevelt(US), *Winston Churchill* (Great
Britain), and *Joseph Stalin* (USSR).

The **Philippine Constabulary** was a police force of the Philippines from 1901 – 1991. it was created by the American colonial government to replace the Spanish colonial *Guardia Civil*. On January 29, 1991, it was merged with the *Integrated National Police* to form the **Philippine National Police**.

The transfer of troops from Bataan to Capas, Tarlac is called “*Death March*.” Which among the following statements best describe the event?

A. The prisoners were treated like animals

B. The prisoners marched to their death

☒ C. The march was so inhumane resulting to many deaths

D. Prisoners were like living dead

The **Bataan Death March** was the forcible transfer by the Imperial Japanese Army of 60,000–80,000 Filipino and American prisoners of war from Sains Point, Bagac, Bataan and Mariveles to Camp O'Donnell, Capas, Tarlac.

The total distance marched from Mariveles to San Fernando and from the Capas Train Station to Camp O'Donnell is 112 km. The march was characterized by severe physical abuse and wanton killings, and was later judged by an Allied military commission to be a Japanese war crime.

The prisoner of war casualties prior to reaching their destination: 5,000 to 18,000 Filipino deaths and 500 to 650 American deaths during the march.

What message did Rizal want to put across in these words? *"There are no tyrants where there are no slaves."*

A. Tyrants and slaves exist side by side.

B. The Filipinos could be free only if the Spaniards would set them free.

C. If there are no tyrants, 'then there will be no more slaves.

☒ D. Freedom from Spain was in the hands of the Filipino.

If you accept the ownership of productive lands which is limited only to a few rich Filipinos as contributing factor to the economic stagnation of the Philippines, you will appreciate which literary work of Rizal?

A. To the Young Women of Malolos

B. The Philippines A Century Hence

☒ C. Sobre la Indolencia de los Filipinos

D. To the Filipino Youth

Sobre la indolencia de los filipinos ("On the Indolence of the Filipinos") is a socio-political essay published in *La solidaridad* in Madrid in 1890. It was written by Jose Rizal as a response to the accusation of Indio or Malay indolence. He admits the existence of indolence among the Filipinos, but it could be attributed to a number of reasons like climate and social disorders, abuse, discrimination, inaction of the government, rampant corruption, wrong doctrines of the church and wrong examples from some Spaniards who lead lives of indolence which ultimately led to the deterioration of Filipino values. **Education and liberty, according to Rizal, would be the cure to Filipino indolence.**

According to Rizal himself he took the term *Noli Me Tangere*, which means "*Touch Me Not*" from the Bible. From what Gospel was *Noli Me Tangere* taken?

A. St. Luke (24:12)

B. St. Luke (24:44)

☒ C. St. John (20:17)

D. St. John (20:15)

John 20:17

Jesus saith unto her, ***Touch me not***; for I am not yet ascended to my Father: but go to my brethren, and say unto them, I ascend unto my Father, and your Father; and to my God, and your God.

Which statement is TRUE of Rizal's Noli Me Tangere?

A. It was a direct attack on the Spanish authorities

B. It is a socio-historical novel

C. It is a fiction

D. It was openly read by Filipinos and Spaniards alike

In his novel El Filibusterismo, why did he make the Revolution fail?

A. Because he wanted to cushion the impact of his novel on the Spaniards

B. Because he conceived of it only as a peaceful revolution

C. Because he was afraid he might incite rebellion

D. Because he wanted to instill in the Filipino minds their unpreparedness for an armed revolution

In El Filibusterismo, who was the character who is like Rizal's father who owned a land which was confiscated by the Spanish friars?

A. Kapitan Tiago

B. Padre Irene

☒ C. Kabesang Tales

D. Placido Penitente

In which poem did Rizal inspire every Filipino to offer one's life for one's country?

A. Mi Retire

B. Las Flores del Heidelberg

C. A La Juventud Filipina

☒ D. Mi Ultimo Adios

- **Mi Ultimo Adios (My Last Farewell)** - written by Rizal on the eve of his execution by firing squad, 30 December 1896.
- **Mi Retire (My Retreat)** - written by Rizal while on exile in Dapitan.
- **Las Flores del Heidelberg (To the flowers of Heidelberg)** - Spanish poem written by Rizal in Heidelberg, Germany, April of 1896.
- **A La Juventud Filipina (To the Philippine Youth)** – written by Rizal when he was only eighteen years old, and was dedicated to the Filipino youth which he describes as "the fair hope of my motherland"

Farewell, my adored Land, region of the sun caressed,
Pearl of the Orient Sea, our Eden lost,
With gladness I give you my life, sad and repressed;
And were it more brilliant, more fresh and at its best,
I would still give it to you for your welfare at most.

Farewell, parents, brothers, beloved by me,
Friends of my childhood, in the home distressed;
Give thanks that now I rest from the wearisome day;
Farewell, sweet stranger, my friend, who brightened my way;
Farewell to all I love; to die is to rest.

This is the longest essay written by Dr. Jose Rizal?

A. Love of Country

B. A La Juventud Filipina

☒ C. The Indolence of Filipino People

D. To My Fellow Children

This is the case charged against Rizal by the Spanish authorities?

A. Sedition

B. Passion

☒ C. Rebellion

D. Murder

Four days after the founding of the La Liga Filipina, Rizal was arrested and imprisoned at Fort Santiago without due process of law. Who was the Governor-General of the country who ordered the arrest and banishment of Rizal in Dapitan?

- A. Ramon Blanco
- ☒ B. Eulogio Despujol
- C. Camilo Polavieja
- D. Emilio Terrero

Who was the Katipunero through whom the Katipunan was discovered by Fr. Mariano Gil?

A. Apolonio de la Cruz

☒ B. Teodoro Patiño

C. Jose del Rosario

D. Daniel Tirona

In what aspect(s) were Rizal and Bonifacio a contrast?

I. Aspiration for their fellow Filipinos

II. Manner of liberating the Filipinos from Spanish oppression

III. Educational background

A. I, II and III

☒ B. II and III

C. III only

D. II only

On Bonifacio's educational background:

- He learned his alphabet in 10 years through his mother's sister and was first enrolled in a private school where he learned Latin and mathematics. His normal schooling was cut short when he dropped out at about fourteen years old to support his siblings after both of their parents died of illnesses one year apart.
- Bonifacio enriched his natural intelligence with self-education. He read books about the French Revolution, biographies of the Presidents of the United States, books about contemporary Philippine penal and civil codes, and novels such as Victor Hugo's *Les Misérables*, Eugène Sue's *Le Juif errant* and José Rizal's *Noli Me Tángere* and *El Filibusterismo*. Aside from Tagalog and Spanish, he could speak and understand English.

Even though women of the Katipunan were exempted from the pact, who participated in the blood compact and fought fearlessly in twelve bloody 'battles of the revolution in Bataan including the Battle of Biak-na-Bato?

A. Agueda Esteban

☒ B. Teresa Magbanua (Joan of Arc of Visayas)

C. Trinidad Tecson (Mother of Biak-na-Bato)

D. Gregoria de Jesus

Teresa Magbanua, dubbed as the “*Visayan Joan of Arc*”, was a schoolteacher and military leader. When the 1896 Philippine Revolution against the Spanish Empire broke out, she became one of only a few women to join the Panay-based Visayan arm of the Katipunan, the initially secret revolutionary society head by Andres Bonifacio.

Jose Rizal was considered the National Hero because of his efforts to bring about reforms in the lives of Filipinos through his works in the:

A. Katipunan

B. Propaganda Movement

☒ C. La Liga Filipina

D. 1896 Revolution

La Liga Filipina (*The Philippine League*) was a progressive organization created by Dr. Jose Rizal in the Philippines in the house of Doroteo Ongjunco at Ilaya Street, Tondo, Manila in 1892. The organization derived from *La Solidaridad* and the *Propaganda movement*. The purpose of **La Liga Filipina** is to build a new group sought to involve the people directly in the reform movement.

The league was to be a sort of mutual aid and self-help society dispensing scholarship funds and legal aid, loaning capital and setting up cooperatives, the league became a threat to Spanish authorities that they arrested Rizal on July 6, 1892.

Aims of La Liga Filipina:

- Unite the whole archipelago into one vigorous and homogenous organization.
- Mutual protection in every want and necessity.
- Defense against all violence and injustice.
- Encouragement of instruction, agriculture and commerce.
- Study the application of reforms.

As per the agreement in the Pact of Biak-na-Bato, Emilio Aguinaldo was to go into exile in:

- A. Guam
- ☒ B. Hong Kong
- C. Singapore
- D. Dapitan

The earlier design of the current Philippine flag was conceptualized by Emilio Aguinaldo during his exile in Hong Kong in 1897. The first flag was sewn by **Marcela Marino de Agoncillo** with the help of her daughter **Lorenza** and **Delfina Herbosa de Natividad** (a niece of José Rizal).

The flag was formally unfurled during the proclamation of independence on June 12, 1898 in Kawit, Cavite.

Which of the following is the greatest naval battle in history during Japanese occupation of the Philippines?

- ☒ A. Battle of Leyte Gulf
- ☐ B. Claveria Battle
- ☐ C. Surigao Strait
- ☐ D. Dela Torre Battle

The **Battle of Leyte Gulf** is generally considered to be the largest naval battle of World War II and, by some criteria, possibly the largest naval battle in history.

It was fought in waters near the Philippine Islands of Leyte, Samar and Luzon, from *October 23 – October 26, 1944*, between combined American and Australian forces and the Imperial Japanese Navy.

Facts:

- The battle involved more than 800 ships and 1,800 aircrafts
- A total of 337,000 tonnage of ships sunk
- The opposing armadas carried a total of 200,000 soldiers

General Douglas MacArthur with President Sergio Osmeña, Brigadier General Carlos P. Romulo and the Allied Forces landing in Palo Beach in Leyte on October 20, 1944

*The Imperial Japanese Battleship **Yamato** (largest WWII warship)*

What are the farmer-beneficiaries obligations as owner/of the land?

I. Divide it among his heirs.

II. Make the land productive.

III. Pay his yearly amortization on the land.

IV. Pay taxes and other government fees required of an owner of the land

A. II, III and IV

B. I, III and IV

C. II and III

D. II and IV

CARP (Comprehensive Agrarian Reform Program) - RA 6657

- CARP is the redistribution of public and private agricultural lands to farmers and farmworkers who are landless, irrespective of tenurial arrangement. CARP's vision is to have an equitable land ownership with empowered agrarian reform beneficiaries who can effectively manage their economic and social development to have a better quality of life.
- The legal basis for CARP is RA 6657 otherwise known as Comprehensive Agrarian Reform Law (CARL) signed by President Corazon C. Aquino on June 10, 1988. It is an act which aims to promote social justice and industrialization, providing the mechanism for its implementation, and for other purposes.

On which assumption is the Comprehensive Agrarian Reform Program anchored?

A. In a democracy, the rich become richer and the poor become poorer.

B. Filipinos' dependence on landlords is a cultural fact.

☒ C. Men always work harder when they work on that which is their own.

D. Land as a natural resource should not be owned privately.

Which aim is common to cooperatives and agrarian reform program?

- ☒ A. To empower people to help themselves
- ☐ B. To give them an opportunity to test their ideas
- ☐ C. To teach people the way to riches
- ☐ D. To bring people together to discuss matters that affects them

For the organization and registration of a cooperative, what is the required minimum number of persons?

A. 25

☒ B. 15

C. 30

D. 20

Cooperative Development Authority

MC 2015-1, *“Revised guidelines governing the registration of cooperatives”*

Article VIII, Section 1:

1. Number of members required for Registration.
Fifteen (15) or more natural persons who are Filipino citizens, having a common bond of interest and are residing or working in the intended area of operations are required for registration.

The Philippines has a favorable balance of trade when:

A. Its merchandise imports exceeds its merchandise exports

B. Its merchandise exports exceeds its merchandise imports

C. It has huge reserve of gold,

D. Its merchandise imports equal its merchandise exports

A country does not need to specialize in everything. She needs to concentrate on that thing which she is good at. This thought is in line with the economic principle of:

A. Profit and loss

B. Supply and demand

C. Opportunity and cost

☒ D. Comparative advantage

- **David Ricardo** - British political economist
- Taught the **Theory of Comparative Advantage**.
- This idea holds that it is better for a country to trade for products that it can get at a lower cost from another country than producing it domestically.
- When both countries specialize and trade their products, both countries gain. These gains come because each country specializes in producing the goods for which its comparative cost is lower.

Which economic system is based on free enterprise?

A. Mixed economies

☒ B. Capitalism

C. Communism

D. Globalism

Capitalism

A way of organizing an economy so that things that are used to make and transport products (such as land, oil, factories, ships, etc.) are owned by individual people and companies rather than by the government.

Which does not go with free enterprise system?

A. Private, individuals risk their own resources

B. Competition is the regulator of economic stability

C. Motto is Laissez faire.

☒ D. The state interferes

Which phrase in economics embraces the following: *natural resources, capital, labor force and technology?*

A. Assets

B. Goods

C. Liabilities

☒ D. Productive resources

What is GNP in economics?

A. General National Product: A way to detect a country's economic growth

B. Gross National Product: A way to determine a country's productivity

C. General National Product: A way to detect a country's productivity

D. Gross National Product: A way to determine a country's economic growth rate

Gross National Product (GNP)

- An estimated value of the total worth of production and services, by citizens of a country, on its land or on foreign land, calculated over the course of one year.
- Total value of Goods and Services produced by all nationals of a country (whether within or outside the country).

What country is used as the reference in determining the degree of development of a nation based on its per capita income?

A. United Kingdom

☒ B. United States

C. China

D. Japan

If the price of Tide detergent is higher than that of Surf the tendency is to buy Surf instead of Tide. This illustrates ____effect.

☒ A. Substitution

☐ B. Utilization

☐ C. Income

☐ D. Inflation

What does a nation experience if the supply of goods and services becomes smaller than the demand for them?

A. Recession

B. Boom

☒ C. Inflation

D. Depression

Inflation – the rate at which the general level of prices for goods and services is rising and, consequently, the purchasing power of currency is falling. Central banks attempt to limit inflation, and avoid deflation, in order to keep the economy running smoothly.

Economic boom - a period of significant output within a population. The period is marked by productivity increases, sales increases, wage increases and rising demand. An economic boom may be accompanied by a period of inflation.

In economics, a **depression** is a sustained, *long-term downturn in economic activity* in one or more economies. **Depressions** are characterized by their length, by abnormally large increases in unemployment, falls in the availability of credit, shrinking output as buyers dry up and suppliers cut back on production and investment, large number of bankruptcies including sovereign debt defaults, significantly reduced amounts of trade and commerce, as well as highly volatile relative currency value fluctuations.

It states that as the price of the commodities increase the amount of goods the consumer is willing to purchase decrease and as the price of the commodities decrease the willingness of the consumer to buy increases and other factor remain constant.

A. Law of Diminishing Marginal Utility

B. Law of Supply

C. Law of Gravity

☒ D. Law of Demand

The **law of demand** is a microeconomic law that states, all other factors being equal, as the price of a good or service increases, consumer demand for the good or service will decrease, and vice versa.

The measure of the money value of the flow of goods and services produced in an economy over a specified period of time.

A. Gross National Product

B. National Income

☒ C. Gross Domestic Product

D. Per Capita Income

What is most likely to take place in a period of economic boom?

- ☒ A. Total spending-rises
- ☐ B. Production slows down.
- ☐ C. Cases of unemployment rise.
- ☐ D. Consumers refrain from spending.

If buyers expect the price of goods to rise in the future, the result is?

A. A decrease in supply today

B. A decrease in quantity demanded today

C. An increase in supply today

☒ D. An increase in demand today

Which is the ultimate aim of the Constitutional mandate on social justice?

A. To reduce the gap between the rich and the poor.

B. To eradicate poverty

☒ C. To attain social equality

D. To conscientize the rich to share their wealth with the poor

Which is a proof that Philippine laws have given women-equality with men in terms of rights?

A. The husband's prerogative to choose the family residence is now a joint decision with her husband in consultation with their children

 B. The wife's 'prerogative to choose-the-family residence is now a joint decision with her husband in consultation with their children

C. The husband's prerogative to choose the family residence is now a matter for both husband and wife to decide.

D. The husband's prerogative to choose the family residence is now transferred to the wife.

Which problem is created when Filipinas are legally or illegally sent to other countries as mail order brides and end up in prostitution houses?

A. Piracy

B. Terrorism

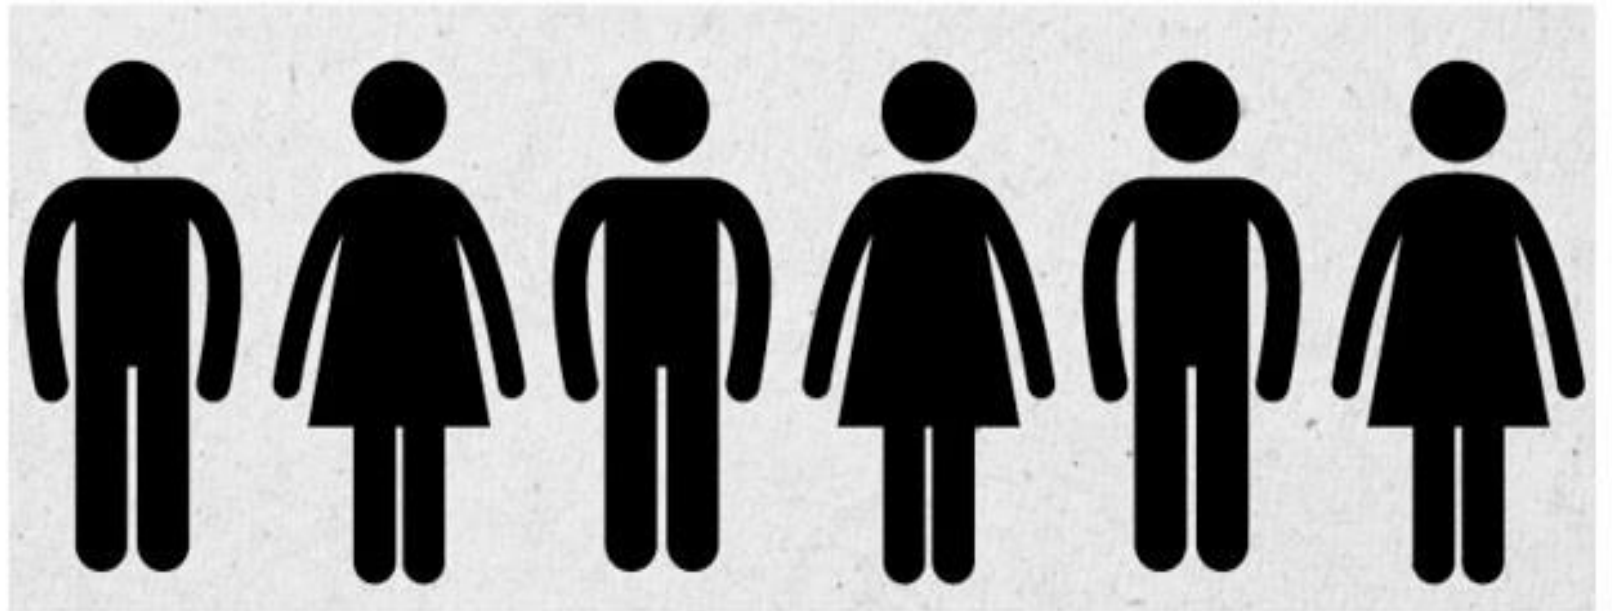

☒ C. Human trafficking

D. White slavery

Human trafficking is the act of forcefully transporting or recruiting persons for the purpose of exploitation, which may include prostitution or sexual exploitation, forced labor, slavery, or removal of organs.

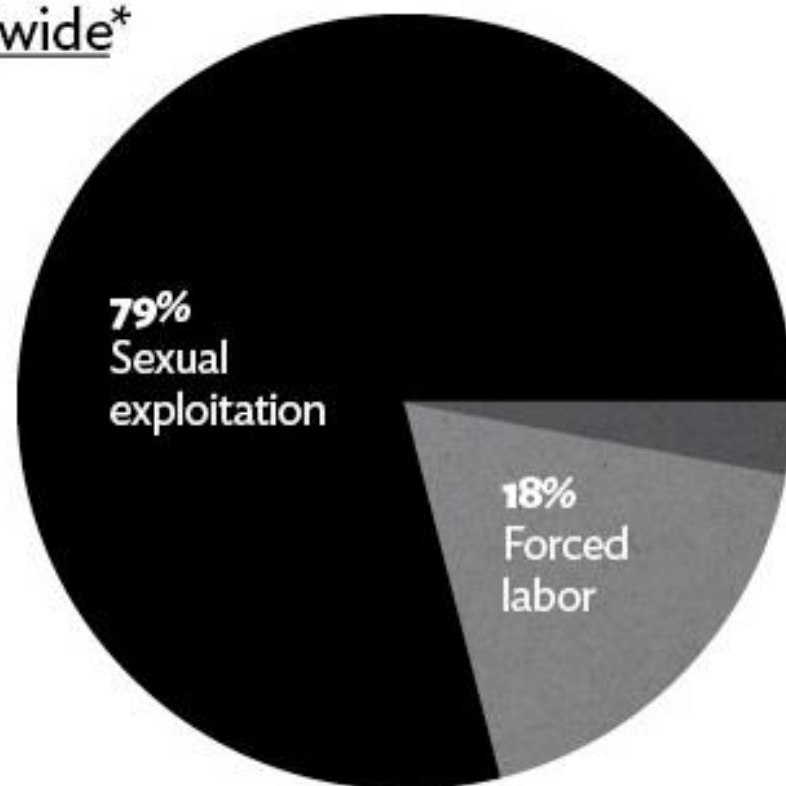

Global statistics

The United Nations Office on Drugs and Crime estimates that there are 2.5 million victims of human trafficking worldwide, at any given period.

Forms of exploitation

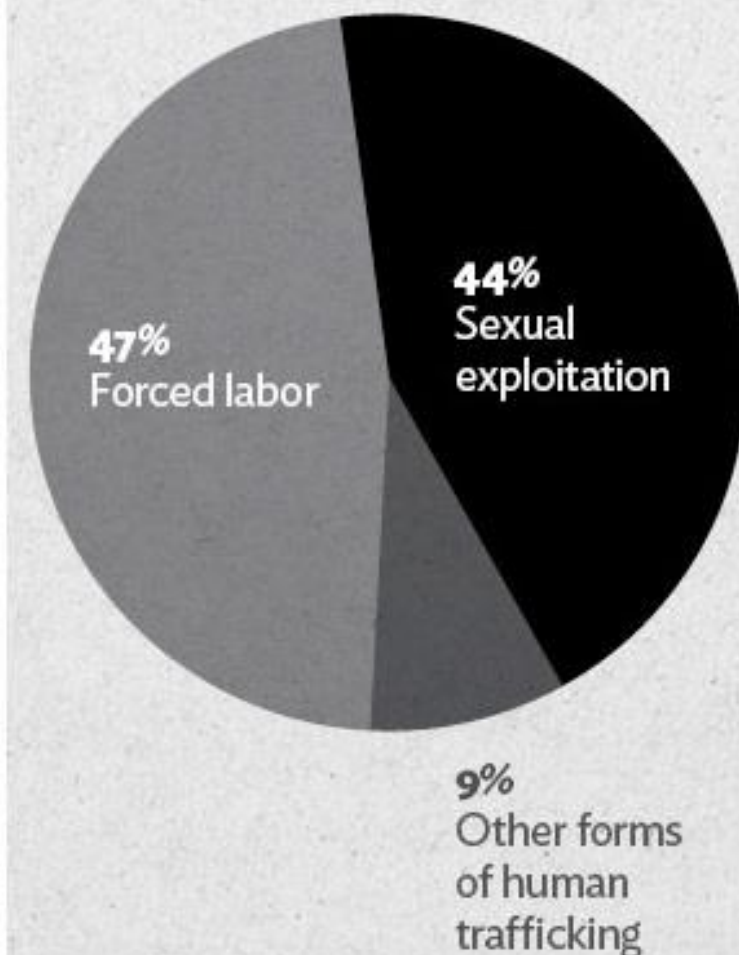

Worldwide*

*Forced labor and other types of human trafficking may be underreported compared to cases of sexual exploitation.

3% - others (organ removal, forced marriage, exploitation in begging or warfare)

South Asia, East Asia and Pacific:

Forms of human trafficking significant in the Philippines

Sex trafficking

Forced labor for industrial and agricultural fields

Debt bondage

Forced begging

Areas in the PHL with the highest number of human trafficking cases:

Manila
Cebu
Angeles City
Cities of Mindanao

Factors that cause human trafficking in the Philippines:

Poverty
Lack of economic development
Unemployment
Gender inequality
Lack of education
Sex tourism

R.A. 9208, Anti Trafficking in Persons Act

The law was enacted to:

- Promote human dignity
- Protect the people from any threat of violence and exploitation
- Eliminate trafficking in persons
- Mitigate pressure for involuntary migration and servitude of persons
- Support trafficked persons and ensure their recovery, rehabilitation and reintegration

Why is this present era in the world named as Information Age?

A. Emphasis in schools is acquisition of information.

B. Information is at its height as a result of its accumulation through the years.

C. The shift in global economy is towards the manipulation of information.

D. This is the period of correcting all erroneous information from the past.

Why is the Philippines said to have the largest Diaspora network in the world?

☒ A. OFWs dollar remittances prop the nation's economy

☐ B. A number of Filipinas marry foreigners

☐ C. Its insular nature makes its people live far apart

☐ D. About 11% of its population is overseas

Diaspora

A group of people who live outside the area in which they had lived for a long time or in which their ancestors lived.

APPENDICES

CARL Method of test analysis

- **COMPREHENSION** – understand the situation and questions
- **ANTICIPATION** – answer without looking at the options
- **REMOVAL** – eliminate two obvious distractions
- **LEVERAGE** – weigh two remaining options and choose the answer

MAJOR GREEK GODS AND GODDESSES

Aphrodite	goddess of beauty, love, desire and pleasure.
Apollo	god of music, arts, knowledge.
Ares	god of war, bloodshed and violence.
Artemis	goddess of the hunt, wilderness, animals, childbirth.

SUEZ CANAL

- An artificial sea level waterway
- It is located in Egypt, is a 101 mile long canal
- It officially opened in November 1869
- The canal connects the Mediterranean Sea with the Gulf of Suez, a northern branch of the Red Sea

PANAMA CANAL

- An artificial 77 km waterway that connects the Atlantic Ocean with the Pacific Ocean.
- 15 August 1914 – date of first use
- 13,000-14,000 vessels pass through the canal each year, at a rate of about 35-40 per day.
- The canal is being expanded to handle today's megaships.
