

THEORETICAL FOUNDATIONS OF LANGUAGE, CULTURE, LITERACIES, AND LITERATURE

Select the BEST answer to each question.

Points: 22/30

Time: 10:22

✓ **Correct** 1/1 Points

1. If language is a product of human cognition, as Mr. Tabalanza suggests, how does it relate to other cognitive processes? *

- ☒ By being influenced by other cognitive processes ✓
- ☐ By being the only cognitive process
- ☐ By being independent from other cognitive processes

✓ **Correct** 1/1 Points

2. According to experts, how do language universals (the features that are found in all languages) provide insight into the nature of language? *

- ☐ By demonstrating that all languages have unique features
- ☒ By showing that all languages have similar structures and functions ✓
- ☐ By proving that all languages have the same grammar rules

✓ **Correct** 1/1 Points

3. If languages evolve over time, as scholars suggest, how do they change? *

- ☐ By losing words and phrases
- ☒ All options ✓
- ☐ By adding new words and phrases
- ☐ By changing the pronunciation of words

✓ **Correct** 1/1 Points

4. According to behaviorists, how do children acquire language? *

- ☒ By imitating the speech of others ✓
- ☐ By being exposed to language in their environment
- ☐ By learning grammar rules and vocabulary

✓ **Correct** 1/1 Points

5. If Mr. Tabalanza were a Cultural Ecological theory, how would he view culture? *

- ☐ Culture is a fixed, unchanging entity that is inherent to a group of people
- ☒ Culture is shaped by the relationship between people and their physical environment ✓
- ☐ Culture is a neutral concept that does not have any influence on society

✓ **Correct** 1/1 Points

6. If Mr. Tabalanza were a Cultural Essentialist, how would he view culture? *

- ☒ Culture is a fixed, unchanging entity that is inherent to a group of people ✓
- ☐ Culture is a dynamic and evolving concept that is shaped by historical and social factors
- ☐ Culture is a neutral concept that does not have any influence on society

✓ **Correct** 1/1 Points

7. If Mr. Tabalanza were an advocate of Linguistic Universals theory of language acquisition, how would he propose that children learn language? *

- ☐ Through reinforcement and imitation of language
- ☒ Through innate knowledge of universal grammar ✓
- ☐ Through exposure to language in the environment

✓ **Correct** 1/1 Points

8. How does Chomsky's Language Acquisition Device (LAD) theory propose that children learn language? *

- ☐ Through reinforcement and imitation of language
- ☐ Through exposure to language in the environment
- ☒ Through innate knowledge of universal grammar ✓

✓ **Correct** 1/1 Points

9. How does Cognitive Developmental theory of language acquisition propose that children learn languages? *

- ☐ Through innate language-specific abilities
- ☐ Through interaction with caregivers and others in the environment
- ☒ Through the ability to understand and process language ✓

✓ **Correct** 1/1 Points

10. If Mr. Tabalanza were a Social Constructivist, how would he propose that children learn language? *

- ☐ Through innate language-specific abilities
- ☐ Through exposure to language in the environment
- ☒ Through chatting and the internalization of language ✓

✓ **Correct** 1/1 Points

11. If Mr. Tabalanza were a Connectionist, how would he propose that children learn language? *

- ☒ Through the formation of neural networks ✓
- ☐ Through innate language-specific abilities
- ☐ Through reinforcement and imitation of language

✓ **Correct** 1/1 Points

12. How does the Usage-based theory of language acquisition propose that children learn language? *

- ☐ Through exposure to language in the environment
- ☐ Through innate language-specific abilities
- ☒ Through application and exposure to language ✓

✓ **Correct** 1/1 Points

13. How does the Dynamic Systems theory of language acquisition propose that children learn languages? *

- ☒ Through the interaction of complex elements ✓
- ☐ Through innate language-specific abilities
- ☐ Through reinforcement and imitation of language

✓ **Correct** 1/1 Points

14. If a speaker uses a sentence that suggests a statement but does not directly state it, what is it called? *

- ☐ Literal meaning
- ☒ Implicature ✓
- ☐ Connotative meaning

✗ **Incorrect** 0/1 Points

15. What is the difference between a restrictive and nonrestrictive clause? *

- ☐ Restrictive clauses are essential to the meaning of a sentence and are not set off by commas, while nonrestrictive clauses are not essential to the meaning and are set off by commas. ✓
- ☒ Restrictive clauses are essential to the meaning of a sentence and are set off by commas, while nonrestrictive clauses are not essential to the meaning and are not set off by commas.
- ☐ Restrictive clauses are not essential to the meaning of a sentence and are set off by commas, while nonrestrictive clauses are essential to the meaning and are not set off by commas.

✓ **Correct** 1/1 Points

16. What is the difference between a transitive and intransitive verb? *

- ☒ Transitive verbs take a direct object, while intransitive verbs do not. ✓
- ☐ Transitive verbs take an indirect object, while intransitive verbs take a direct object.
- ☐ Transitive verbs do not take a direct object, while intransitive verbs take a direct object.

✓ **Correct** 1/1 Points

17. What is the function of a gerund phrase? *

- ☐ To function as a modifier
- ☐ To function as an adjective or adverb
- ☒ To function as a direct object ✓

✗ **Incorrect** 0/1 Points

18. What is the function of a participle phrase? *

- ☒ To function as a subject, direct object, or object of a preposition
- ☐ To function as an infinitive phrase
- ☐ To function as an adjective or adverb ✓

✓ **Correct** 1/1 Points

19. What is an infinitive phrase? *

- ☐ A phrase that begins with a verb and functions as a noun, adjective, or adverb
- ☐ A phrase that begins with the word "not" and functions as a noun, adjective, or adverb
- ☒ A phrase that begins with the word "to" and functions as a noun, adjective, or adverb ✓

✓ **Correct** 1/1 Points

20. What is the function of a subject in a sentence? *

- ☐ To indicate the verb tense and all its aspects
- ☐ To provide additional information so that message is crystal clear
- ☒ To indicate the person or thing performing the action ✓

✓ **Correct** 1/1 Points

21. What is a subordinate clause? *

- ☐ A clause that is used to provide additional information
- ☒ A clause that is dependent on another clause ✓
- ☐ A clause that can stand alone as a complete sentence

✓ **Correct** 1/1 Points

22. What is a compound sentence? *

- ☒ A sentence that contains two or more independent clauses and at least one conjunction ✓
- ☐ A sentence that contains two or more dependent clauses and no conjunctions
- ☐ A sentence that contains only one clause that has two or independent subjects and predicates

✗ **Incorrect** 0/1 Points

23. A teacher is teaching a class about the morphological structure of a word. Which grammatical feature is the teacher likely to discuss? *

- ☒ Case
- ☐ Inflection ✓
- ☐ Number
- ☐ Gender

✗ **Incorrect** 0/1 Points

24. A teacher is teaching a class about the relationship between morphology and semantics. Which morphological process is the teacher likely to discuss? *

- ☒ Inflection
- ☒ Compounding ✓
- ☒ Derivation ✓

✓ **Correct** 1/1 Points

25. A teacher is teaching a class about the relationship between morphology and syntax. Which grammatical feature is the teacher likely to discuss? *

- ☒ Tense ✓
- ☐ Number
- ☐ Gender

✓ **Correct** 1/1 Points

26. A teacher is teaching a class about root words and affixes. Which morphological process is the teacher likely to discuss? *

- ☒ Derivation ✓
- ☐ Clipping
- ☐ Inflection

✗ **Incorrect** 0/1 Points

27. A teacher is teaching a class about syntactic morphology. Which morphological process is the teacher likely to discuss? *

- ☐ Inflection ✓
- ☒ Conversion
- ☐ Derivation

✗ **Incorrect** 0/1 Points

28. A teacher is teaching a class about morphological productivity. Which morphological process is the teacher likely to discuss? *

- ☒ Inflection
- ☐ Clipping
- ☐ Derivation ✓

✗ **Incorrect** 0/1 Points

29. Mr. Tabalanza is teaching a class about natural phonology. Which phonological process is the teacher likely to discuss? *

- ☐ Syllable simplification ✓
- ☐ Consonant gradation
- ☒ Vowel harmony

✗ **Incorrect** 0/1 Points

30. A teacher is teaching a class about generative phonology. Which phonological feature is the teacher likely to discuss? *

- ☐ Syllable structure ✓
- ☐ Vowel harmony
- ☒ Accent reduction
