

What is a Qualification?

- **Package of competencies describing a particular function or job role existing in an economic sector.**
- **It covers the work activities required to undertake a particular job role.**

What is the Philippine Qualifications Framework (PQF)?

- **It is a national policy, describes the levels of educational qualifications and sets the standards for qualification outcomes.**
 - **A quality assured national system for the development, recognition and award of qualifications based on standards of knowledge, skills and values acquired in different ways and methods by learners and workers.**
- **The PQF is competency-based.**
 - **It is labor market driven.**
 - **It is assessment based qualification recognition.**

The PQF:

The Philippine Education System
