- C. Utilize the concepts of new literacies in the 21st century (globalization and multi-cultural literacy, social literacy, media literacy, financial literacy, cyber literacy, digital literacy, eco literacy, arts and creativity literacy, interdisciplinary explorations and other teaching strategies) and shared cultural practices across learning areas.

- A. Employ teaching strategies, methods, instructional materials and technology, classroom management techniques appropriate to subject areas and inclusive of learners from indigenous groups.
- B. Demonstrate skills in developing and using a variety of conventional and non-conventional resources including Information and Communication Technology to address learning goals and needs of various learners.

MULTIPLE CHOICE

1. Which of the following is the primary basis in developing a curriculum?
 - A. Learning styles
 - B. Learning outcomes
 - C. Learning Philosophies
 - D. Learners
2. The following are elements of the curriculum, EXCEPT:
 - A. Learning Experiences
 - B. Learning Input
 - C. Learning Outcomes
 - D. Learning Modules
3. Which step of a daily lesson provides opportunities for the students to independently learn beyond what is taught in the classroom where other stakeholders of curriculum implementation are involved?
 - A. Evaluating the lesson
 - B. Doing homework
 - C. Formulation of lesson objectives
 - D. Motivating the learners
4. Which of the following is not deliberately taught in the lesson but will influence the curriculum?
 - A. Learning peers
 - B. Choice of methodologies
 - C. Use of assessment instruments
 - D. Statement of outcomes

SET 3 - PRACTICE TEST ITEMS

5. Among factor of the “hidden curriculum” that transmit right moral values, the most important by way of personal influence are_____.
- A. teachers’ attitude and behavior
 - B. teachers’ peer efforts
 - C. teachers’ authority over learners
 - D. teachers’ innovation
6. Which materials are used for instructional planning of course content and strategies?
- A. Exhibits
 - B. Seating arrangement
 - C. Instructional materials
 - D. Syllabus
7. Below are the teachers’ tasks in curriculum planning, EXCEPT:
- A. Choose instructional materials
 - B. Select subject matter (content)
 - C. Write curricular goals and objectives
 - D. Write curriculum materials for use by all teachers
8. On the theoretical foundation of the curriculum, why is organizing data prior to making general conclusions important to curriculum planning and designing?
- A. This is the way of essentialist philosophy
 - B. This is the way adopted by classical philosophers
 - C. This is the easy way to obtain results
 - D. This is the scientific way to a valid curriculum
9. What teaching-learning approach is adopted in teaching the same major subjects (English, Math, Science) in K to 12 curriculum?
- A. Spiral teaching-learning
 - B. Higher order thinking teaching-learning
 - C. Differentiated teaching-learning
 - D. Redundant teaching-learning
10. Which is an example of spiral curriculum?
- A. Teachers work together to integrate several subject areas into their lessons to give students a more holistic learning experience
 - B. A student is required to use skills he acquired in math the previous grade to understand new information about a math topic in his current class
 - C. A teacher organizes her class around several key questions that students will work to answer throughout the year
 - D. None of the answers are correct
11. Why is spiral curriculum most easily seen in math education?
- A. Both are concerned with numbers
 - B. Both present topics several times with increasing complexity
 - C. Both present ways to solve problems
 - D. All of the answers are correct
12. Teacher Natividad evaluates an app for Grade 11 Science, ensuring that standard competencies are included and are not too easy or too difficult for students. He focuses on the criteria for _____.
- A. Organization
 - B. Accuracy
 - C. Currency
 - D. Appropriateness
13. Which should be presented first prior to discussing a lesson on El Filibusterismo?
- A. Lesson sequencing
 - B. Lesson method of learning
 - C. Lesson assessment tools
 - D. Lesson learning outcomes

SET 3 - PRACTICE TEST ITEMS

14. To be an effective classroom manager, what should be coupled with a friendly attitude?
- A. Supervision skills
 - B. Confidence
 - C. Caring attitude
 - D. Tolerance
15. In the curriculum you are designing, you have selected subject matter which are relevant, valid, balanced, and integrated with the subjects in the same year level. In which curriculum component will this decision be more observed?
- A. Objectives
 - B. Content
 - C. T-L Activities
 - D. Assessment
16. In K to 12 assessment, which is TRUE about Kindergarten grading of learners?
- A. Learners are not graded numerically, but by checklists.
 - B. Learners are graded numerically in pre-assessments and post-assessments only.
 - C. Learners proceed to Grade 1 after remedial classes are completed.
 - D. Learners proceed to Grade 1 after complying class participation tasks
17. If you apply integrated curriculum approach, which one is out?
- A. Problem solving
 - B. Lifelong learning
 - C. Relating topic to life experience
 - D. Rote learning
18. When does the Madrasah program of the K to 12 Curriculum prove?
- A. Inclusivity
 - B. Gender sensitivity
 - C. Exclusivity
 - D. Unity
19. According to Article 10 of RA 10533, the K to 12 curriculum has the following features related with inclusive education, EXCEPT:
- A. Constructivist approach
 - B. Madrasah curriculum
 - C. Indigenous Peoples Education program
 - D. Programs for the gifted and talented
20. This refers to a big idea or concept in Understanding by Design (UbD), which states that the plans in the UbD curriculum approach must be well aligned from the outcomes to assessment to teaching-learning activities so as not to create an aimless activity or a very lengthy coverage without sense.
- A. Meaningful learning
 - B. Backward design
 - C. Transfer as goal
 - D. Understanding via big ideas
21. Student Samantha asked the University Registrar for the prospectus of Bachelor of Secondary Education Major in Physical Education as she planning to enroll this program next academic year. According to Peter F. Olivia, what definition of curriculum is implied?
- A. Series of experience
 - B. Set of performance objectives
 - C. Sequence of course
 - D. Content
22. Other than the teacher, there must be materials which should help in the implementation of a written curriculum in order to have successful teaching. This is referred to as _____.
- A. intended curriculum
 - B. taught curriculum
 - C. supported curriculum
 - D. recommended curriculum
23. The curriculum may come from a national agency or any professional organization which has taken in education. This type of curriculum operating in schools is _____.
- A. written curriculum
 - B. taught curriculum
 - C. supported curriculum
 - D. recommended curriculum

SET 3 - PRACTICE TEST ITEMS

24. Mrs. Gomez, a curriculum consultant on economics insists that in selecting the curriculum content, it is better that throughout the high school year levels, economic geography concepts used to recur and be repeated with depth for effective learning. What criterion in content selection is shown here?
- A. Significance
 - B. Validity
 - C. Learnability
 - D. Continuity and sequence
25. Due to the advent of COVID 19 Pandemic, which initiative is required for curriculum change?
- A. Curriculum implementation
 - B. Curriculum evaluation
 - C. Curriculum design
 - D. Curriculum modification
26. When planning his lessons and units, Teacher Thomas is careful to include books and resources from a variety of cultures and ethnic groups. What kind of education is this?
- A. Multilingual education
 - B. Transformative education
 - C. Multicultural education
 - D. Gender free education
27. What is the concern of Multicultural Education?
- A. Anticipating the future and imagining possible and probable futures.
 - B. Gender equality and harnessing of the role of women in development.
 - C. Promoting care for the environment and building a global culture of ecological responsibility.
 - D. The exploration of concepts of cultural diversity, similarities and prejudices to promote cultural understanding.
28. Which of the following is directly a contrast of the concept of multiculturalism?
- A. Margie does not prefer to have her education in a public school
 - B. Teacher Sandy ignores her students who cannot understand the lesson
 - C. A staff who dislikes a certain food from other region because it does not suit his taste

 - C. Discuss multicultural concept and relate it to your personal experience
 - D. Suggest ways in promoting multiculturalism and addressing conflict issues
31. Which is the best way strategy for bullying reduction in school?
- A. Assign police officers on duty on each floor of the school building.
 - B. speak with the parents of the bullies you've noticed
 - C. Plan for a class visit to the city jail so that the students can reflect on the consequences of bullying

SET 3 - PRACTICE TEST ITEMS

- D. Plan more student-centered activities to divert students' attention and interest
32. Teacher Marie is planning to produce a digital tool as a learning material in one of her subjects, Which of the following aspects Teacher Marie should consider first?
- A. Quality, efficiency and technicality
 - B. Economic value, durability and long-term usability
 - C. Validity, relevance and appropriateness
 - D. User-friendliness, convenience, accessibility and visual impact
33. What is the concern of Environmental Education?
- A. Anticipating the future and imagining possible and probable futures.
 - B. Gender equality and harnessing of the role of women in development.
 - C. Promoting care for the environment and building a global culture of ecological responsibility.
 - D. The exploration of concepts of cultural diversity, similarities and prejudices to promote cultural understanding.
34. What must a teacher do to ensure orderly transitions between activities?
- A. Allow time for the students to socialize in between activities.
 - B. Have the materials ready at the start of the activity.
 - C. Assign fewer exercises to fill the allotted time.
 - D. Wait for students' who lag behind.
35. The task of setting up routine activities for effective classroom management is a task that a teacher should undertake
- A. As soon as the students have adjusted to their schedules
 - B. On the very first day of school
 - C. Every first hour of each class session
 - D. Every homeroom day of the week
36. Classroom routine activities should be established ____.
- A. As needed
 - B. Once a week
 - C. Everyday
 - D. At the beginning of the school year
37. A type of lesson that require revisiting old facts and concepts from a perspective and setting is known as ____.
- A. Review
 - B. Development
 - C. Drill
 - D. Independent Study
38. Which part of the lesson does the learner give a synthesis of the things learned?
- A. Motivation
 - B. Discussion
 - C. Application
 - D. Generalization
39. Educational technologies arouse students interest on the day's topic. In what part of the lesson should the given materials be presented?
- A. Evaluation activities
 - B. Culminating Activities
 - C. Initiating Activities
 - D. Developmental Activities
40. What do we call the teaching strategy that involves systematic repetition?
- A. Reporting
 - B. Presentation
 - C. Discussion
 - D. Drill

SET 3 - PRACTICE TEST ITEMS

41. A type of review which presents the sum-total of all activities previously presented.
- A. Daily
 - B. Drill
 - C. Integrated
 - D. Cumulative
42. Which of the following should the teacher use to start the class discussion?
- A. Divergent question
 - B. Memory question
 - C. Objective question
 - D. Convergent question
43. It is control by enforcing obedience or orderly conduct or training that corrects and strengthens?
- A. Techniques
 - B. Discipline
 - C. Strategies
 - D. Management
44. The subject-matter, not the child is important in this type of curriculum
- A. Subject-centered
 - B. Fused curriculum
 - C. Core curriculum
 - D. Experience curriculum
45. Teacher Matapat asked her students to state a quote using their own words. Teacher Matapat asking students to ____.
- A. Draw analogies
 - B. Compare and contrast
 - C. Summarize
 - D. Paraphrase
46. Teacher Manuel, an experienced teacher, has the ability to keep all students actively participating in her lesson. This ability of Teacher Manuel is also known as ____.
- A. Group focus
 - B. Stimulus-bound
 - C. Withitness
 - D. Overlapping
47. What kind of mistaken goal among students is hurting others to make up for being hurt, rejected, unloved thus become cruel, hostile or violent towards others?
- A. Withdrawal
 - B. Revenge-seeking
 - C. Power-seeking
 - D. Attention-getting
48. What is Teacher Mabini doing when she probes students by asking a sequence of questions on a subject matter to arrive at a satisfactory answer?
- A. Analyzing
 - B. Conversing
 - C. Prompting
 - D. Clarifying
49. Edward de Bono designed a system which describes a tool for group discussion and individual thinking commonly called as the ____.
- A. Huddle System
 - B. Philips 66
 - C. Six Thinking Hats
 - D. Seven Thinking Hats
50. According to Edward de Bono, which of the six thinking hats focuses on possibilities, alternatives, creativity and new ideas?
- A. White Hat
 - B. Green Hat
 - C. Blue Hat
 - D. Black Hat
51. Among the following terms in technology, what has the broadest concept of technology for the whole educative system?
- A. Computer technology
 - B. Instructional technology
 - C. Audiovisuals
 - D. Educational technology

SET 3 - PRACTICE TEST ITEMS

52. The following are included in ASSURE instructional model, except:
- A. Utilize technology
 - B. Evaluate and revise
 - C. Analyze the sales
 - D. Require learner's participation
53. Which is the primary basis for the selection and use if any instructional material?
- A. Novelty of instructional materials
 - B. Instructional objectives
 - C. Development stage of learners
 - D. Availability of instructional materials
54. With the influx of technology in the 21st century, how can students be best re-educated on the ethical use of social media, such as Facebook and mobile texting?
- A. Seminar on social media
 - B. Student monitoring of peers
 - C. Punishment for violators
 - D. Integrate social media competencies in the curriculum
55. Blended learning is made possible partly through actual classroom meeting coupled with _____ instruction.
- A. print module
 - B. Tape-recorded
 - C. private tutor
 - D. online
56. Teacher May was assigned to handle a multigrade class. What instructional materials she must be utilized to provide for the needs of each level?
- A. Colorful, useful and durable materials
 - B. Multisensory materials
 - C. Materials of high level thinking skills
 - D. Differentiated materials to cater different levels
57. Images are key elements of a PowerPoint presentation. However, which should be your reason for not using them?
- A. Image to reinforce or complement your message
 - B. More images than text in your slide
 - C. Use images to decorate
 - D. Use image to visualize and explain
58. Which of the two kinds of learning environments encourages independence and self-management of the learners? Why?
- A. Face-to-face, because there is always the need of a teacher in a classroom all the time
 - B. Virtual or online, because the learners are given time to learn on their own and progress at their own rate
 - C. Face-to-face, because there is always the presence of the teacher who will give guidance to the learner
 - D. Both, because the learners always shift from one modality to another
59. Michael Harrington noted: "If there is technological advance without social advance, there is, almost automatically, an increase in human misery." Which of the following shows Mr. Harrington is right?
- A. Twitter
 - B. Internet pornography
 - C. Facebook
 - D. E-mailing
60. Can technology take the place of the teacher in the classroom? Select the most appropriate answer:
- A. No, It is only an instrument or a tool

SET 3 - PRACTICE TEST ITEMS

- B. Yes, When they hire less teachers and acquire more computers
C. Yes, When teachers are not competent
D. Yes, Such as in the case of Computer-assisted (not teacher-assisted instruction)
61. What kind of tool is technology as evidenced by its use in word processing databases, spreadsheets, graphics design and desktop publishing?
A. Analyzing tool
B. Productivity tool
C. Encoding tool
D. Calculating tool
62. All are responsibilities of the Learning Resource/Audio-Visual/Educational Technology Center of the school EXCEPT:
A. make available technology equipment for use of teachers and students
B. conduct training for teachers on how to use technology tools
C. work with teachers in producing instructional materials
D. accomplish the students' technology project for them
63. MOOCs are considered massive because _____.
A. they need a big amount of computer storage to be able to avail of a course
B. they can accommodate a big number of learners
C. they can only be provided by big universities
D. they were designed and created by a big group of experts
64. What is a form of distance learning that uses computer-networking technology to provide interaction of teacher to learner?
A. Independent study
B. Mentorship
C. Telescoping
D. Online learning
65. How is the technology behind virtual or cyber learning be best described?
A. Digital technology
B. Analogue technology
C. Psycho-motor technology
D. Mechanical technology
66. Mr. Santos presented real samples of rocks in her General Science class. What principle did she apply?
A. Appropriateness
B. Authenticity
C. Responsiveness
D. Simplicity
67. In which situation can learners learn with more physical presence and intervention of the teacher?
A. Virtual
B. Online
C. Face-to-face
D. Simplicity
68. If your co-teacher asks you to borrow your email address password for an urgent concern, which action should you take as a safety measure?
A. Open your email yourself and print your friend's email
B. Deny your friend's request because of privacy
C. Quickly share your password to your friend
D. None of a, b and c
69. In a virtual synchronous class, when a student would like to talk, which of the following action should be done?
A. Send message to chat box
B. Open the camera
C. Open the microphone
D. Raise hand

SET 3 - PRACTICE TEST ITEMS

70. What is the proper characterization for the PowerPoint presentation to deliver a lesson?
- A. Academic
 - B. Technology
 - C. Machinery
 - D. Culture
71. Which software is useful for text writing and organization in formulating articles or essays?
- A. Microsoft Word
 - B. Database
 - C. PowerPoint
 - D. Spreadsheet
72. During the COVID virtual learning, what is missed by learners?
- A. Cyber interchange
 - B. Face-to-face teaching-learning
 - C. On-line instruction
 - D. Virtual Interaction
73. What is the new nomenclature of Educational Technology in Teacher Education?
- A. Educational Technology in the 21st century
 - B. Educating Technologists in the 21st century
 - C. Technology for Teaching and Learning
 - D. Teaching Technology for Learning
74. ODL is used as Framework for Lifelong Learning for all in the 21st Century. What is ODeL?
- A. Open and Distance eLearning
 - B. Open Distance and eLearning
 - C. Open Distance and electronic Learning
 - D. Open and Distance electronics Learning
75. It refers to an online course aimed at unlimited participation and open access via the web.
- A. Online Learning
 - B. Distance Learning
 - C. ODeL
 - D. MOOCS
